Sliding With Suzanne:

Sliding with Suzanne Judy Upton, 2001 Judy Upton is a playful writer who likes nothing better than to upset expectations Independent Judy Upton's new play premiered at the Royal Court in August 2001 directed by Max Stafford Clark Thirty five and on the slide Suzanne does a runner back home to Brighton in search of a new start But home is a place where big breaks are scarce And kids grow up fast So how do you find what you want in a place like this And who do you find it with From the award winning author of *Ashes and Sand* *Sliding with Suzanne* is the powerful and bitterly humorous story of a single foster mum who tries to turn her life around *Judy Upton Plays 2* Judy Upton, 2021-09-23 Since her early break through at the Royal Court Theatre in 1995 where she won the George Devine award and was joint winner of the Verity Bargate Award Judy Upton has proven herself to be one of Britain's most prolific and diverse writers In this her second collection we see work ranging from 1995 through to the 2000s and a collection of short work created during the 2020 Coronavirus pandemic *Bruises* 1995 Royal Court Theatre London This is no angry polemic but a subtly atmospheric piece Neither writer nor director seeks easy answers in this coolly disturbing view of an issue usually hammered home with both fists Evening Standard *The Girlz* 1998 Orange Tree London Judy Upton's ever promising career takes another small leap forward with this tantalising foray into characteristic Upton territory the febrile world of foul mouthed disadvantaged young females from the south east *Time Out Sliding With Suzanne* 2001 Royal Court Theatre London Judy Upton probably won't thank me for saying so but her new play *Sliding with Suzanne* comes over as that rarest of phenomena a contemporary play with a Right wing agenda If Margaret Thatcher went to see it she would be appalled by the language and much of the action but would I suspect end up applauding its sentiments Telegraph Gaby Goes Global 2009 New Wimbledon Theatre London A wry and mischievous look at the benefits system and the world of fine art Gaby is a downtrodden employment advisor at the Benefit Delivery Centre She tries to get rich by promoting the struggling artists who sign on But it is Gaby who grabs all the attention with the sort of exposure she hadn't bargained for *Lockdown Tales* 2020 a story of struggle hope even more struggle and then hope which provides a sensitive and sincere insight into the mind of a key worker during lockdown a must watch and is the epitome of the type of work that should be produced during lockdown A Younger Theatre **The Ghost Photographer** Julie Rieger, 2018-10-09 Told with uncensored Southern wit and guidance this inspirational memoir is a good primer on getting into the psychic realm Booklist and recounts the story of a Hollywood film executive who journeys through the cosmic wilderness and against all odds discovers psychic superpowers that radically transformed her life As a senior executive at one of the world's largest movie studios Julie Rieger spent her days marketing the imaginary stories of ghosts faeries superheroes aliens and more fantastical creatures But after the devastating loss of her mother the world of make believe became reality when Julie captured her first ghost in a photograph and blew open a door to the Other Side *The Ghost Photographer* chronicles Julie's wild ride down the spiritual rabbit hole After a series of unexpected mind blowing and

sometimes frightening encounters with the spirit realm Julie was forced to face this strange awakening flying in the face of scientific dogma and her own die hard skepticism Ultimately she discovered that what she thought she had lost with the death of her mother unconditional love was in fact the greatest superpower one can wield A hugely entertaining must read for anyone who s ever struggled with loss or wondered what might be beyond the veil of our five senses Anita Moorjani author of *Dying To Be Me The Ghost Photographer* offers insights into our relationship with the spirit world prayers and rituals for cleansing and protecting our homes from unwanted ghosts and guidance on how to develop our intuition and sixth sense Annie Muktuk and Other Stories Norma Dunning,2017-06-15 I woke up with Moses Henry s boot holding open my jaw and my right eye was looking into his gun barrel I heard the slow words Take It Back I know one thing about Moses Henry he means business when he means business I took it back and for the last eight months I have not uttered Annie Mukluk s name In strolls Annie Mukluk in all her mukiness glory Tonight she has gone traditional Her long black hair is wrapped in intu dlit braids Only my mom still does that She s got mukluks real mukluks on and she s wearing the old style caribou parka It must be something her grandma gave her No one makes that anymore She s got the faint black eyeliner showing off those brown eyes and to top off her face she s put pretend face tattooing on We all know it ll wash out tomorrow from Annie Muktuk When Sedna feels the urge she reaches out from the Land of the Dead to where Kakoot waits in hospital to depart from the Land of the Living What ensues is a struggle for life and death and identity In Kakoot and throughout this audacious collection of short stories Norma Dunning makes the interplay between contemporary realities and experiences and Inuit cosmology seem deceptively easy The stories are raucous and funny and resonate with raw honesty Each eye opening narrative twist in *Annie Muktuk and Other Stories* challenges readers perceptions of who Inuit people are
