

The cover features a large, detailed illustration of a red, spherical microorganism with numerous long, thin, hair-like projections (cilia or flagella) extending from its surface. The organism has a dark, central nucleus-like structure. The background is a dark green with lighter green, out-of-focus circular shapes. A horizontal grey band runs across the middle of the cover, containing the title and author's name. Below this band, the background transitions to a mix of green and orange-yellow hues. A smaller, less detailed version of the red microorganism is visible in the lower right corner.
