Encountering Dragonfly Brooke Williams, 2025-04-08 A glittering gem of a book Sy Montgomery author of *The Soul of an Octopus* Following dragonflies into the territory between nature and the human psyche Two decades ago naturalist and environmental writer Brooke Williams had a powerful dream about a dragonfly a dream that cracked open his world by giving rise to a steady stream of dragonfly encounters in his waking life In the years since he has delved deeply into the fascinating biology and natural history of dragonflies and made pilgrimages to see them he now has 38 species on his life list while also exploring their symbolic meaning and cross cultural significance *Encountering Dragonfly* is his account related in a series of odonate encounters of being drawn into a different kind of relationship with the natural world By opening himself to the personal and mytho poetic meanings of dragonfly and patiently courting an understanding of these creatures that is built upon but also transcends a naturalist's observation Brooke has come to believe in the importance of re enchantment Many scholars believe that for most of human history we lived in an enchanted world in which myth and magic ritual and stories and spirits informed every aspect of our lives The enchantment ended with the Enlightenment and modernity when reason and scientific discovery explained away the magic commencing a commodification of nature that has flourished ever since Brooke's personal re enchantment has required of him a faith that material biological reality isn't the only reality it recognizes symbols and archetypes as remnants of a different understanding which may as perhaps they always have play a role in our long term survival In many cultures the dragonfly carries messages between the inner and outer world For Brooke Williams the message of the dragonfly is to ask questions about synchronicity awe and the collective unconscious and how to engage with a world increasingly out of balance What are the implications of following a path toward greater enchantment In a time where engagement with the political and social realities of climate change and environmental degradation can't possibly be valued highly enough can we afford to choose such a path Perhaps more to the point can we afford not to **The Slow Philosophy of J. M. Coetzee** Jan Wilm, 2016-06-16 In *The Slow Philosophy of J M Coetzee* Jan Wilm analyses Coetzee's singular aesthetic style which he argues provokes the reader to read his works slowly The effected slow reading is developed into a method specifically geared to analyzing Coetzee's singular oeuvre and it is shown that his works productively decelerate the reading process only to dynamize the reader's reflexion in a way that may be termed philosophical Drawing on

fresh archival material this is the first study of its kind to explore Coetzee's writing process as already slow as a program of seemingly relentless revision which brings forth his uniquely dense and crystalline style Through the incorporation of material from drafts and notebooks this study is also the first to combine an exploration of the writer's stylistic choices with a rigorous analysis of the reader's responses The book includes close readings of Coetzee's popular and lesser known work including *Disgrace* *Waiting for the Barbarians* *Elizabeth Costello* *Life and Times of Michael K* and *Slow Man* *Trick or Treat Murder* Rachel Woods, 2020-09-23 Trick or Treat Palmchat Gazette reporter Roland Beanie Bean is excited to take his kids Ethan and Evan trick or treating but his excitement turns to concern when he discovers a human finger among the candy the boys collected Days later Beanie learns that the finger belongs to someone he knows Joshua Howard a missing student who was interning at the Palmchat Gazette before he disappeared Beanie plans to find the intern but soon he is assigned to a shocking murder a dead body in the jungle Beanie heads to the crime scene and realizes he recognizes the victim as his new neighbor Ivan Volkov As Beanie looks into the death of Volkov he uncovers a strange connection between his neighbor and the missing intern Racing to discover the truth Beanie is stunned when he learns the missing intern and his dead neighbor are linked to a heinous serial killer known as The Fury But when he comes face to face with the murderer Beanie must outwit a deranged maniac determined to make sure that secrets buried long ago stay hidden Trick or Treat Murder is a contemporary whodunit murder mystery novel in the Reporter Roland Bean Cozy Mystery Series but can be read as a standalone With lots of clues and red herrings it features plenty of twists and turns to keep you guessing until the end Get your copy today [In the House of Secret Enemies](#) George C.
