

A blurry, artistic photograph of rain falling on a dark surface. The rain is captured as numerous white streaks and droplets against a dark, textured background. In the upper right, a bright, out-of-focus light source, possibly a window or a lamp, creates a strong glow and lens flare. The overall mood is serene and atmospheric.

Smell The Rain:

I Can Smell the Rain Pamela C. Rice,2016-09-01 Oneota Flow David S. Faldet,2009-04 Whether profiling the chief of the last hunter gatherers on the river an early settler witnessing her first prairie fire and a modern wildlife biologist using fire to manage prairies the manager of the Granger Farmer s Co op Creamery or a landowner whose bottomlands are continually eaten away by floods Faldet steadily develops the central idea that people are walking tributaries of the river basin in which they make their homes Faldet moves through the history of life along the now polluted Upper Iowa always focusing on the ways people depend on the river the environment and the resources of the region He blends contemporary conversations readings from the historical record environmental research and personal experience to show us that the health of the river is best guaranteed by maintaining the biological communities that nurture it In return taking care of the Upper Iowa is the best way to take care of our future **The Smell of Rain** Anette Fehlhafer,2011-07-29 **The Weather**

Companion Gary Lockhart,2008-05-02 The Weather Companion An Album of Meteorological History Science Legend and Folklore Throughout history as farmer sailor hunter and artist humans have watched and worried about the weather We have devised ways to observe it to predict it to protect ourselves from it to take advantage of it It plays a major role in the science and folklore of every culture Gary Lockhart s The Weather Companion is a fascinating compendium of meteorological facts and fables from ancient myths to the latest research from the rain forests to the desert regions You ll learn about the meteorology of Noah s flood methods of forecasting the behavior of weather cycles weather predictors such as the thickness of corn husks the height of saw grass and the behavior of animals weather prophets and much more Gary Lockhart reveals what makes rain smell how natural barometers work and the long history of weather fish once kept to predict rain and revived during China s Cultural Revolution You ll even learn the best time to go fishing Beautifully illustrated captivating and original The Weather Companion is a delightful experience for all ages Your skies and sunsets will never be the same

Can You Smell the Rain? Patricia Cleary Miller,2020 Most of the poems in this collection set largely in Kansas City Missouri deal with women s perspectives on coming of age love family as well as the nature of artistic transcendence reflecting subjects across several decades in the 20th and 21st centuries Letter in a Woodpile Ed Cullen,2006-05-23 A delightful collection of evocative essays from NPR commentator All Things Considered Ed Cullen Like many of us I spend too much time in an office My best memories from childhood are outdoors bouncing a tennis ball against the front porch steps making up a baseball game camping and fishing Letter in a Woodpile contains humorous commentaries on life in southern Louisiana including Mardi Gras science fairs and how denizens of Guatemala North Baton Rouge stay cool **How Come?** Kathy Wollard,2015-01-13 Fact filled fun filled as interesting to parents as it is to kids the How Come series is the trusted source for lively clear answers to kids science queries Now the best questions and answers from all three books How Come How Come Planet Earth and How Come In the Neighborhood have been revised updated freshly illustrated in full color

supplemented with twenty completely new questions and combined into one bigger better volume How Come explains in fascinating detail more than 200 mysteries and phenomena in the world around us These are the questions that pique kids curiosity and stump parents When it rains does running rather than walking to the nearest shelter really keep you any drier How can a stone skip across a pond instead of sink If the Earth is spinning why can t we feel it Why don t we fly off Why do elephants have trunks And the all time classic Why is the sky blue Sunlight has a hidden rainbow of colors and air molecules scatter blues the most sending bright blue light down to Earth The text is clearly written engaging and accessible It s for every kid who wants to know and every grown up who simply doesn t know **Healing Is Child's Play** Aurora

Carlson,2021-11-13 Healing Is Child s Play turns a painful worldview upside down and gives you back your power of conscious creation You will no longer be helpless before small or big challenges when you understand yourself deeply and learn to reconnect to your Innocent Mind Prepare to become a force for good a healer in everyone s life easily dealing with any kind of suffering individual or collective This book is a manual for anyone ready to manifest a harmonious life for themselves and the planet It brings clarity on the true causes of suffering and offers practical tools to heal any problem related to health relationships work and career finances and more for yourself and anyone you choose to help But you will go even further As an Innocent Mind healer you will be able to heal animals and the ecosystem restore harmony in troubled regions and even balance the climate The best part is that you will discover that healing is easy and fun By regaining your innocence you will be free to play enjoy and allow your authentic desires to shine manifesting a fulfilling life and a more beautiful world than you thought possible **Shimmering Waters of Gold** Joyce S. Savage,2022-09-19 Joyce Savage

speaks from the heart in this poetry book which talks about love hope empowerment passion and emotions Open these pages and get comfortable on your couch Feel the emotions and think deeply about the life and the world around you Shimmering Waters of Gold s intent is to inspire impress impact and spell bind its readers Trying to exist in a world that is changing daily The author challenges herself and her disappointments and has transformed them into a literary work known as Shimmering Waters of Gold When nothing but trepidations engulf And life s source sinks like the day stand A beam your face cannot embrace The lips are frozen in a stance Still I hope you laugh I hope you laugh Because there is always tomorrow **Rusty**
