Soviet-East European Relations as a Problem for the West Richard D. Vine, 2022-12-28 Soviet East European Relations as a Problem for the West 1987 analyses the evolution of Eastern Europe both internally and in its relationship with the Soviet Union the development of relations between the two superpowers and the equilibrium between the two security systems It examines how these changes have altered Western policy options how internal Western frictions arising from differing interpretations of these developments can best be managed and the most appropriate future policies both to achieve Western goals and to benefit Eastern Europe *Continuity And Change In Soviet-east European Relations* Marco Carnovale, 2019-04-10 This book is originated from the 1985 Rome conference on Soviet East European Relations Implications for the West which explored the elements of continuity and change especially the trends in intra Warsaw Pact relations It contains revised versions of the papers presented at the conference *Soviet Policy in Eastern Europe* Sarah Meiklejohn Terry, 1984-01-01 A comprehensive look at both the diversity of Eastern Europe and the multiplicity of Soviet concerns in the region **Issues in East-West Commercial Relations**, 1979 **Comecon** J.
