Soviet Foreign Policy 1917 1991 A Retrospective:

Soviet Foreign Policy, 1917-1991 Gabriel Gorodetsky, 2014-01-14 A comprehensive assessment of Soviet relations with the West set in the context of the emergence of a new Russia This volume analyzes the formulation of foreign policy during the period from the first decade of the Bolshevik Revolution through the gradual erosion of ideological differences Soviet

Foreign Policy 1917-1991 Gabriel Gorodetsky, 1994 Soviet Foreign Policy Towards East Germany Achilleas

Megas, 2015-07-01 This book examines Soviet Foreign Policy towards East Germany in the late 1980s By focusing on the complex interaction between domestic political thought and developments in the international system the author illustrates the hierarchical relationship between the GDR and the USSR and offers different perspectives for understanding Soviet foreign policy The book demonstrates that shifts in Soviet policy towards the GDR stemmed on the one hand from the international level in that Soviet security was legitimated by the existence of two full fledged German states and on the other may be best explained in terms of ideas and Gorbachev's new political philosophy **Russia's International Relations in**

the Twentieth Century Alastair Kocho-Williams, 2013-01-04 Russia has long been a major player in the international relations arena but only by examining the whole century can Russian foreign policy be properly understood and the key questions as to the impact of war of revolution of collapse the emergence of the Cold War and Russia's post Soviet development be addressed Surveying the whole of the twentieth century in an accessible and clear manner Russia's International Relations in the Twentieth Century provides an overview and narrative with analysis that will serve as an introduction and resource for students of Russian foreign policy in the period and those who seek to understand the development of modern Russia in an international context The volume includes an analysis of the major themes which surrounded Russia's position in world affairs as one of the European Great Powers before the First World War the impact of Revolution and the emergence of Soviet foreign policy with its dual aims of normalization and world revolution the changes wrought to the international order by the rise of Nazi Germany and by the Second World War the origins and development of the Cold War the end of the Cold War and the Soviet collapse how Russia has rebuilt itself as an international power in the post Soviet era An essential resource for students of Russian history and International policy *Jews in the Soviet Union: A*

History Oleg Budnitskii, David Engel, Gennady Estrakh, Anna Shternshis, 2022-12-20 This book describes the joy and problems in life of the multilayered Soviet Jewish society during the years between Josef Stalin's demise in March 1953 and Moscow's breaking of diplomatic relations with Israel in June 1967 Churchill, Whitehall and the Soviet Union, 1940-45 M.

Folly, 2000-04-19 World War II threw Britain and the Soviet Union together as unlikely allies This book examines British policy makers attitudes to cooperation with the USSR and shows how views of internal developments in the USSR and of Stalin himself influenced Churchill the War Cabinet and the Foreign Office to believe that long term collaboration was a desirable and achievable goal In particular it was assumed that a shared concern to prevent future German aggression would

be a lasting bond Such attitudes significantly shaped Britain s wartime policy towards the USSR and for many individuals including Churchill played a more important role than their long standing anti Communist attitudes

Beyond the Balance of Power Peter Jackson,2013-12-05 This is a major study of French foreign and security policy in the era of the Great War Peter Jackson examines the interplay between contending conceptions of security based on traditional practices of power politics and the new internationalist doctrines that emerged in the late nineteenth century

The Cambridge History of Russia: Volume 3, The Twentieth Century Maureen Perrie,Ronald Grigor Suny,2006-11-02 A major history of twentieth century Russia by leading scholars in the field

Stalin's Failed Alliance Michael Jabara Carley,2024-03-26 In the spring of 1936 the Soviet effort to build an anti Nazi alliance was failing Stalin continued nevertheless to support diplomatic efforts to stop Nazi aggression in Europe In *Stalin s Failed Alliance* the sequel to *Stalin s Gamble* Michael Jabara Carley continues his re evaluation of European diplomacy during the critical events between May 1936 and August 1939 This narrative history examines the great crises of the pre war period the Spanish Civil War Anschluss and Munich accords as well as both the last Soviet efforts to organize an anti Nazi alliance in the spring summer of 1939 and Moscow s shocking volte face the signing of the Nazi Soviet non aggression pact Carley s history traces the lead up to the outbreak of war in Europe on 1 September 1939 and sheds light on the Soviet Union s efforts to organize a defensive alliance against Nazi Germany in effect rebuilding the anti German Entente of the First World War The author argues for the sincerity of Soviet overtures to the western European powers and that the non aggression pact was a last ditch response to the refusal of other states especially Britain and France to conclude an alliance with the USSR against Nazi Germany Drawing on extensive archival research in Soviet and Western archival papers *Stalin s Failed Alliance* aims to see the European crisis of the 1930s through Soviet eyes

The Rise and Fall of Communism Archie Brown,2009-10-13 Published to coincide with the twentieth anniversary of the fall of the Berlin Wall a definitive and ground breaking account of the revolutionary ideology that changed the modern world The inexorable rise of Communism was the most momentous political phenomenon of the first half of the twentieth century Its demise in Europe and its decline elsewhere have produced the most profound political changes of the last few decades In this illuminating book based on forty years of study and a wealth of new sources Archie Brown provides a comprehensive history as well as an original and highly readable analysis of an ideology that has shaped the world and still rules over a fifth of humanity A compelling new work from an internationally renowned specialist *The Rise and Fall of Communism* promises to be the definitive study of the most remarkable political and human story of our times

The Lights that Failed Zara S. Steiner,Zara Steiner,2007 In *The Lights that Failed* Steiner challenges the assumption that the Treaty of Versailles led to the opening of a second European war and provides an analysis of the attempts to reconstruct Europe during the 1920s OCLC

[Pacts and Alliances in History](#) Melissa Yeager,Charles Carter,2012-04-11 Agreements between nations constitute the fundamental framework for the ordering of international affairs and their successes and

failures have led to some of the great turning points in modern history The result of a unique collaboration by historians and political scientists this book delineates defines and assesses the idea of pacts and alliances as a key model of political organisation Anchored by leading academics in the field it presents numerous case studies covering a broad chronological sweep Through theoretical and empirical methodology the contributors address pacts and alliances from the fifteenth century onwards including among others the Korean American and Moscow Cairo alliances the Sevres Pact Turkey s accession to NATO and US alliances around the world Through a close reading of these historical diplomatic relationships fundamental yet relatively unaddressed research questions are developed and explored First what are the common denominators shared by successful alliances Second why do pacts and alliances disintegrate Third is the eventual demise of pacts and alliances inevitable Finally what are the implications of these issues on pact and alliance making today This is the first volume to address this wide range of issues and to bring together researchers and theorists from the historical and political disciplines to provide original and groundbreaking theories of diplomacy Together these case studies explore why alliances succeed why they fail and why it matters Pacts and Alliances in History is therefore not only important reading for the next generation of policymakers but will also help frame scholars enquiries as they try to understand key events in international relations and history

Chronology of the Cold War Lester Brune,2020-10-07 More than just a timeline the Chronology of the Cold War is in depth chronological narrative organized into sections Each section carries a clear date and summary heading The five major sections are I Cold Peace 1917 1940 II The Strange Alliance 1941 1945 III Containment and D tente 1946 1975 IV Confrontation Conciliation 1976 1991 V Epilogue Based on sections of the Chronological History of U S ForeignRelations Routledge 2003 the book includes significant additional material on Russia China arms control and the Cold War in the Third World This easy to use reference also includes an introductory section reviewing the history leading up to the Cold War from 1917 to 1945 a general bibliography of resources on the Cold War and is illustrated with photographs from presidential libraries and 18 maps

The A to Z of the Kennedy-Johnson Era Richard Dean Burns,Joseph M. Siracusa,2009-09-21 In the history of the United States few periods could more justly be regarded as the best and worst of times than the Kennedy Johnson era The arrival of John F Kennedy in the White House in 1961 unleashed an unprecedented wave of hope and optimism in a large segment of the population a wave that would come crashing down when he was assassinated only a few years later His successor Lyndon B Johnson enjoyed less popularity but he was one of the most experienced and skilled presidents the country had ever seen and he promised a Great Society to rival Kennedy s New Frontier Both presidents were dogged by foreign policy disasters Kennedy by the Bay of Pigs fiasco although he came out ahead on the Cuban missile crisis and Johnson from the backlash of the Vietnam War The 1960s witnessed unprecedented progress toward racial and sexual equality but it also played host to race and urban riots And while impressive advances in the sciences and arts were fueling the American imagination the counterculture rejected it all The A to Z of the Kennedy

Johnson Era relates these events and provides extensive political economic and social background on this era through a detailed chronology an introduction appendixes a bibliography and several hundred cross referenced dictionary entries on important persons events institutions policies and issues Stalin's Great Game Michael Jabara Carley,2025-03-31 The period from September 1939 to early 1942 was crucial for Soviet foreign policy and coincided with the early stages of the Second World War including the Great Patriotic War In Stalin s Great Game Michael Jabara Carley unpacks the complexities of Soviet diplomacy during this time addressing key issues such as the Soviet Finnish Winter War Soviet views on the fall of France and the Battle of Britain efforts to remain neutral in Europe Soviet relations with both Britain and Nazi Germany and the formation of the Grand Alliance against the Axis powers Drawing on extensive research from multilingual archives in France Britain the United States and the USSR Carley offers a comprehensive narrative that explores Soviet intelligence activities especially of the Cambridge Five spy ring and Nazi Germany s preparations for Operation Barbarossa the invasion of the Soviet Union The book also re evaluates historiographical debates on Stalin s interpretation of Soviet intelligence and Hitler s intentions towards the USSR The third volume in Carley s trilogy on the origins and early conduct of the Second World War Stalin s Great Game provides a fresh re examination of key events and interpretations by both Western and Soviet historians introducing new ideas and perspectives on this critical period *The Marshall Plan* Michael Holm,2016-11-10 Between 1948 and 1951 the Marshall Plan delivered an unprecedented 12 3 billion in U S aid to help Western European countries recover from the destruction of the Second World War and forestall Communist influence in that region The Marshall Plan A New Deal for Europe examines the aid program its ideological origins and explores how ideas about an Americanized world order inspired and influenced the Marshall Plan s creation and execution The book provides a much needed re examination of the Plan enabling students to understand its immediate impact and its political social and cultural legacy Including essential primary documents this concise book will be a key resource for students of America s role in the world at mid century *The Russian Revolution and Its Global Impact* Jonathan Daly,Leonid Trofimov,2017-09-01 On the centenary of the Russian Revolution Jonathan Daly and Leonid Trofimov have reinvigorated the study of a turning point in world history Instead of rehashing the internal dynamics of the Bolshevik takeover the authors have carefully juxtaposed the international ambitions of the Bolsheviks with the Revolution s reception around the world Daly and Trofimov pair their lucid introductory essay with documents from Soviet officials intellectuals in South America W E B Du Bois in the United States and others so readers will quickly realize how revolutionary ideas cross oceans and transcend geopolitical boundaries This volume thus takes a topic once reserved for students of Russian history and places it in a world historical perspective those interested in global history European history and of course those fascinated by events in Petrograd and Moscow will find ample sources of inspiration in this text As the Russian Federation is now exerting its influence on a global scale the time is ripe to consider the Russian Revolution in such broad terms Nigel Raab Loyola Marymount University **Russia and the**

West from Alexander to Putin Andrei P. Tsygankov, 2012-06-28 Since Russia has re emerged as a global power its foreign policies have come under close scrutiny In Russia and the West from Alexander to Putin Andrei P Tsygankov identifies honor as the key concept by which Russia s international relations are determined He argues that Russia s interests in acquiring power security and welfare are filtered through this cultural belief and that different conceptions of honor provide an organizing framework that produces policies of cooperation defensiveness and assertiveness in relation to the West Using ten case studies spanning a period from the early nineteenth century to the present day including the Holy Alliance the Triple Entente and the Russia Georgia war Tsygankov s theory suggests that when it perceives its sense of honor to be recognized Russia cooperates with the Western nations without such a recognition it pursues independent policies either defensively or assertively

Joseph Stalin and the Art of Tyranny William Nester, 2025-10-30 Joseph Stalin and the Art of Tyranny examines authoritarian rule revealing how tyrants sustain power through a mix of comfort terror love and fear often convincing their subjects of their divine purpose Such leaders build systems of loyalists and subservient institutions enabling unchecked authority Joseph Stalin exemplifies this tyranny As Soviet leader from 1929 to 1953 he implemented totalitarian policies nationalizing industry and agriculture controlling economic production through five year plans and eliminating dissent through imprisonment forced labour or execution His brutal regime caused an estimated 20 million deaths Despite this grim legacy Stalin s reputation remains divisive In Western democracies he is remembered as a genocidal dictator but in Russia he often ranks among the most admired historical figures illustrating the paradox of his influence Stalinism served as a model for Communist regimes in China Vietnam and Cuba shaping their governance While many of these nations transitioned toward democracy countries like Russia China and North Korea continue to echo Stalinist practices Modern leaders such as Saddam Hussein Vladimir Putin and Xi Jinping have adopted similar strategies of control Joseph Stalin and the Art of Tyranny offers crucial insights into authoritarianism revealing the enduring appeal and devastating impact of totalitarian rule

Myths of the Cold War Albert L. Weeks, 2014-07-02 Myths of the Cold War Amending Historiographic Distortions provides a corrective for the distortions and omissions of many previous domestic and foreign including Russian studies of the Cold War especially those published since 2000 The present interest motivation in Weeks s analysis is gaining a clear understanding of the bi polar 4 trillion nuclear war threatening standoff that lasted over 40 years after World War II until the demise of the Soviet Union in 1991 Without such knowledge and understanding of this dangerous conflict any future encounter of the cold war type with another nation state is liable to be construed in confusing ways just as the U S Soviet Cold War was The consequence of such misunderstanding in the historiographic sense as well as in policy making at the highest level is that the populations of the contending powers will have distorted conceptions of the reasons for the confrontation The result of this in turn is skewed tendentiousness that masks concrete underlying causes of intense inter state contention Practical benefits thus flow from an unprejudiced analysis of the past Cold War with Communist Russia This

understanding can help prevent a future conflict such as one with Communist China which some reputed sinologists are currently predicting as well as one with post Soviet Russia Conversely if a new cold war is imposed on the West a clearer understanding of the post World War II archetypical Cold War will be edifying

Whispering the Techniques of Language: An Psychological Journey through **Soviet Foreign Policy 1917 1991 A Retrospective**

In a digitally-driven world where displays reign supreme and immediate conversation drowns out the subtleties of language, the profound secrets and emotional nuances hidden within phrases frequently get unheard. Soviet Foreign Policy 1917 1991 A Retrospective Introduction

In today's digital age, the availability of Soviet Foreign Policy 1917 1991 A Retrospective books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soviet Foreign Policy 1917 1991 A Retrospective books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soviet Foreign Policy 1917 1991 A Retrospective books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Soviet Foreign Policy 1917 1991 A Retrospective versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Soviet Foreign Policy 1917 1991 A Retrospective books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soviet Foreign Policy 1917 1991 A Retrospective books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide

range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soviet Foreign Policy 1917 1991 A Retrospective books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Soviet Foreign Policy 1917 1991 A Retrospective books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soviet Foreign Policy 1917 1991 A Retrospective books and manuals for download and embark on your journey of knowledge?
