Soviet Politics In Transition

Robert R. Redfield

Soviet Politics In Transition:

Soviet Politics in Transition Joan DeBardeleben,1992 *The Post-Soviet States* Graham Smith,2024-11-01 The collapse of the Soviet Union has engendered one of the most momentous and critical regional transformations of our times through the formation and development of the post Soviet states This book explores the politics of post Soviet transition and the problems which will continue to face these states well into the twenty first century as they struggle towards democracy market reform ethnic co existence and integration into a new geopolitical post Cold War world order Richly illustrated with examples drawn from Russian and other post Soviet primary sources the author focuses on three broad themes of transition Firstly the progression from colonialism to post colonialism and the consequences of such changes on national identity and the redefinition of national homeland Secondly the movement away from totalitarian rule and the factors which both facilitate and challenge the prospects of a democratic future Thirdly the process of securing a successful place in the global capitalist economy

Russian Politics in Transition Joan DeBardeleben,1997 The text focuses on the construction of political institutions changes in culture and society and the politics of economic reform since the country achieved independence in 1991 The author s dual focus on both historical background and contemporary developments offers students a useful context for understanding the events in Russia today as they relate to the pre revolutionary Soviet and Perestroika periods of Russian history

The Politics of Transition Stephen White,Graeme Gill,Darrell Slider,2009-08-27 This book written by three of the West s leading scholars of Soviet and post Soviet affairs traces the politics of transition in the late 1980s and early 1990s from its origins to its uncertain post communist future Detailed but clearly and accessibly written The Politics of Transition provides an ideal guide for students and specialists to the changes that have been taking place in the politics of the newly independent nations that together constitute a sixth of the world s land surface

The Politics of Transition in Central Asia and the Caucasus Amanda E Wooden,Christoph H. Stefes,2009-06-08 Most books on the Caucasus and Central Asia are country by country studies This book on the other hand fills a gap in Central Eurasian studies as one of the few comparative case study books on Central Eurasia covering both the Caucasus and Central Asia it considers key themes right across the two regions highlighting both political change and continuity Comparative case study chapters written by regional experts from a variety of methodological backgrounds provide historical context and evaluate Soviet political legacies and emerging policy outcomes Key topics include the varied types and sources of authoritarianism political opposition and protest politics predetermined outcomes of post Soviet economic choices social and stability impacts of natural resource wealth variations in educational reform international norm influence on gender policy and the power of human rights activists Overall the book provides a thorough up to date overview of what is increasingly becoming a significant area of concern

Political Transitions in Dominant Party Systems Joseph Wong,Edward Friedman,2008-10-27 Using country specific case studies top rank analysts in the field focus on the lessons that dominant parties might learn from losing and the adaptations they

consequently make in order to survive to remain competitive or to ultimately re gain power **Transition to Democracy**
 Giulietto Chiesa,Douglas Taylor Northrop,1993 **Russian Politics in Transition** NIKOLAI. SERGEYEV BIRYUKOV
 (VICTOR.),Victor Sergeyev,2019-05-31 First published in 1997 and written by two distinguished Russian scholars this book
 examines the problems and prospects of democratic transition in Russia since the disintegration of the Soviet Union
 Specifically it offers a compelling evaluation of the rise and fall of the 1990 Russian parliament The problems of transforming
 what had been a regional assembly into a national parliament are analysed in the context of the failure of perestroika the
 difficulties of generating pluralist politics the strength of presidential power and the tensions between ideologies of reform
 on the one hand and the realities of economic crisis on the other The analysis allows them to evaluate the role of political
 upheaval and conflicts of legitimacy in Russian democratization The book is divided into three sections The first offers a
 theory of transition to modern democracy This provides the framework for the second section an account of the first
 parliament after the 1990 elections its conflicts with presidential power and the reform agenda of the government and finally
 its fall The third section examines three particular problems which were decisive in producing the crisis of Russian
 parliamentarianism and democratization voting behaviour in a non party parliamentary setting and its relationship to
 conflicts between legislature and executive populism and representation and the role of democratic values and procedures in
 the legislative process Drawing on their unrivalled knowledge of issues events and actors Nikolai Biryukov and Victor
 Sergeyev gather and interpret much new evidence to explore their subject In a path breaking study the authors draw on a
 variety of sources and traditions to produce an original theory of the problems of political stability set up by democratic
 transition in Russia **Russian Politics in Transition** NIKOLAI. SERGEYEV BIRYUKOV (VICTOR.),Victor
 Sergeyev,2020-02-03 First published in 1997 and written by two distinguished Russian scholars this book examines the
 problems and prospects of democratic transition in Russia since the disintegration of the Soviet Union Specifically it offers a
 compelling evaluation of the rise and fall of the 1990 Russian parliament The problems of transforming what had been a
 regional assembly into a national parliament are analysed in the context of the failure of perestroika the difficulties of
 generating pluralist politics the strength of presidential power and the tensions between ideologies of reform on the one
 hand and the realities of economic crisis on the other The analysis allows them to evaluate the role of political upheaval and
 conflicts of legitimacy in Russian democratization The book is divided into three sections The first offers a theory of transition
 to modern democracy This provides the framework for the second section an account of the first parliament after the 1990
 elections its conflicts with presidential power and the reform agenda of the government and finally its fall The third section
 examines three particular problems which were decisive in producing the crisis of Russian parliamentarianism and
 democratization voting behaviour in a non party parliamentary setting and its relationship to conflicts between legislature
 and executive populism and representation and the role of democratic values and procedures in the legislative process

Drawing on their unrivalled knowledge of issues events and actors Nikolai Biryukov and Victor Sergeyev gather and interpret much new evidence to explore their subject In a path breaking study the authors draw on a variety of sources and traditions to produce an original theory of the problems of political stability set up by democratic transition in Russia Clan Politics and Regime Transition in Central Asia Kathleen Collins,2006-04-03 This book is a study of the role of clan networks in Central Asia from the early twentieth century through 2004 Exploring the social economic and historical roots of clans and their political role and political transformation in the Soviet and post Soviet periods it argues that clans are informal political actors that are critical to understanding politics in this region The book demonstrates that the Soviet system was far less successful in transforming and controlling Central Asian society and in its policy of eradicating clan identities than has often been assumed In order to understand Central Asian politics and their economies scholars and policy makers must take into account the powerful role of these informal groups how they adapt and change over time and how they may constrain or undermine democratization in this strategic region Communism in Transition Amos Yoder,2024-04-12 Communism in Transition 1993 examines the mainstays of Communist ideology and goes on to look at the collapse of Communism in the Soviet Union and in Eastern Europe It also analyses Asian and Latin American Communist systems and their challenges to the non Communist world and concludes by evaluating the democratic revolutions in the former Soviet Union and in Eastern Europe their possible effect on other Communist states why the revolutions surprised Western pundits and the implications of these events for world peace **Understanding Kazakhstan's 2019 Political Transition** Jean-François Caron,2021-01-21 The final page in the political history of the Soviet Union was turned on March 19 2019 when Nursultan Nazarbayev the last former Chairman of a Soviet Republic who had managed to stay in power following the collapse of USSR unexpectedly decided to resign This edited book looks to analyse the political aspects of this event more specifically by trying to understand its political significance for the country's policies the prospects of democratisation the uniqueness of the transition compared with others that have previously occurred in the region and how it may play an influential part in future political transitions in this part of the world This book will interest scholars of authoritarian politics scholars of Central Asia and those researching the Belt and Road Initiative **Soviet Political Economy in Transition** Abu F. Dowlah,1992-03-23 Situating Gorbachev and perestroika historically and ideologically this book provides a comprehensive analysis of Soviet political economy in the context of socialist theory and seven decades of its application in the Soviet Union A F Dowlah challenges the belief that socialism is sternly committed to centralized economic and political structures and claims that socialism contains several theories some more decentralized or democratic others more authoritarian Although the contemporary crisis in the socialist economies powerfully challenges the foundations of socialist theory and practice Gorbachev up until the coup attempt of August 1991 claimed that perestroika embodied more socialism not less and he was looking within the socialist tradition to solve contemporary Soviet problems This work examines Gorbachev's claim and

evaluates perestroika as a strategy of transition to a new variant of socialism Based on thorough inquiry textual evidence and historical facts the study concludes that Gorbachev s claims are substantially legitimate and that a democratic version of socialism is possible within the Russian socialist tradition It remains to be seen however in light of recent political and economic developments whether this or some more radical set of reforms will emerge in Gorbachev s troubled economy

Making and Breaking Democratic Transitions Vladimir Gel'man, Sergei Ryzhenkov, Michael Brie, 2005-01-12 Focusing on the vastly different outcomes of post Soviet regime transitions this study explores why some societies have become more democratic and some have not Based on in depth comparative analyses the book assesses political developments in six of Russia s regions Saratov Nizhnii Novgorod Volgograd Ryazan Ul'yanovsk and Tver oblasts since 1988 The authors consider the influence of Soviet governance systems on the emergence of cleavages and new actors in the post Soviet period They also analyze the impact of institutional changes on regional regimes and the success or failure of formal institutions as a framework for political competitiveness Placing their detailed field data within the larger comparative and theoretical context of political transitions the authors are able to explain the mixed outcomes of post communist regime change in Russia and other post Soviet nations With its innovative model of path contingent democratization and its new typology of political regimes and regime transitions this book will be essential reading for all scholars of democracy

Russian Politics in Transition Nikolai Ivanovich Biriukov, Victor Sergeev, Viktor Mikhailovich Sergeev, 1997 An account of Russian politics from the days of Perestroika to the disintegration of the USSR The author s look at the rise and fall of the first Russian parliament and the conflicts between the new Russian parliament particularly between the executive and the legislative

The Politics of Memory in Post-Authoritarian Transitions, Volume One Joanna Marszałek-Kawa, Joanna Piechowiak-Lamparska, Anna Ratke-Majewska, 2017-01-06 History is a powerful tool in the hands of politicians and can be a destructive weapon since power over the past is the power to decide who is a hero and who is a traitor Tradition the memory of ancestors and the experience of previous generations are the keys that unlock the door to citizens minds and allow certain ideas visions and political programs to flourish However can history be a proper political weapon during democratisation processes when the past is clearly separated from the present Are the new order and society founded on the basis of some interpretation of the past or rather are they founded only with reference to the imagined future of the nation This book explores such questions through a detailed description of the use of remembrance policies during political transformations It discusses how interpretations of the past served the accomplishment of transitional objectives in countries as varied as Chile Estonia Georgia Poland South Africa and Spain The book is a unique journey through different parts of the world different cultures and different political systems investigating how history was remembered and forgotten by certain democratic leaders Individual chapters discuss how governments remembrance policies were used to create a new citizen to change a political culture and to justify the vision of the society promoted by the new elites They explain why some difficult topics were

avoided by politicians and why sometimes there was no transitional justice or punishment of the leaders of the authoritarian state The book will be of interest to anyone wishing to explore policies of remembrance democratisation and the role of memory in contemporary societies *Ideology, Political Transitions and the City* Aleksandra Djurasovic, 2016-06-10 Recent history has seen Bosnian and Herzegovinian BiH cities undergoing several transitions Their cities have developed under socialism 1945 1992 have suffered through the civil war during the 1990s and during the last twenty years have been undergoing a slow and multifaceted transition to an indeterminate end point Focusing on the post socialist postwar and neoliberal transitions experienced in BiH the book shows that planning systems deviated from control oriented and top down regulation to flexible approaches for more open for informal development The book analyzes several levels of planning related processes the former Yugoslavia BiH the city of Mostar and three urban zones the Industrial Zone Bi e Polje the City Zone Rondo and the Historic District and the Old Town Zone in order to offer insights into the new planning systems in the late phase of post socialist transition **Turkmenistan's Foreign Policy** Luca Anceschi, 2008-07-25 This is the first book length analysis of Turkmenistan s foreign policy covering the most significant period in the formation of the independent nation It furthers our understanding of Turkmenistan and provides an informed background for the study of continuity and change in Turkmen foreign policy **Soldiers and Politics in Eastern Europe, 1945-90** Zoltan D. Barany, 1993-07-27

Tattered Banners Walter Connor, 2018-05-04 In post Soviet Russia s transition to new political and economic systems few issues are as important as labor Although the worker s paradise may have been largely imaginary the loss of job security and benefits that has accompanied marketization could well become a catalyst for yet another political upheaval In this timely book Walter Connor explores how the Yeltsin government attempted to avoid this pitfall of system change Connor examines Russia s emergent labor politics in the critical first years of the post Soviet period focusing on the problems Yeltsin encountered in attempting to adopt a corporatist solution to the conflicts of interest that have arisen between labor employers and the state With many employers still heavily dependent on the state while others are already beyond state control the corporatist effort has been sabotaged Connor contends by the lack of distinct interest groups found in more mature market economies He concludes with an analysis of what these recent developments may portend for Russian politics and government in the future

Decoding **Soviet Politics In Transition**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Soviet Politics In Transition**," a mesmerizing literary creation penned with a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Soviet Politics In Transition Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Soviet Politics In Transition PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Soviet Politics In Transition PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Soviet Politics In Transition free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Soviet Politics In Transition Books

1. Where can I buy Soviet Politics In Transition books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Soviet Politics In Transition book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Soviet Politics In Transition books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Soviet Politics In Transition audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
