Soviet American Horizons On The Pacific:

Soviet-American Horizons on the Pacific John J. Stephan, Valerii Petrovich Chichkanov, 1986 *Soviet-American Horizons on the Pacific* John J. Stephan, Valerii Petrovich Chichkanov, 1986 *The Soviet Union and the Pacific* Gerald Segal, 2022-02-13 First published in 1990 The Soviet Union and the Pacific provides comprehensive analysis of Soviet strategy in the Pacific examining both the successes of and the constraints on Soviet policy towards the nations and resources of the Pacific rim Set against the downfall of the Soviet empire this policy records a departure from the treatment of the Pacific as an arena only for military competition to an important terrain of Mikhail Gorbachev's foreign policy This book is designed to serve as an introduction to the role of Soviet Union in the Pacific for undergraduates scholars policymakers and business people *The Soviets and the Pacific Challenge* Martin O'Hare, 1991 *The Soviet Far East* Allan Rodgers, 2023-06-14 The Soviet Far East 1990 examines the largest economic region in the Soviet Union the Far East The region is explored in all its geographical and economic complexity Chapters on the state of its development under Gorbachev and his programme of investment are supplemented by examinations of the history of its settlement analysis of its unique environment and the threats which economic growth might pose for it and of the region's vital strategic significance to the Soviet Union *Soviet Policy Towards Japan* Myles L. C. Robertson, 1988-08-18 Dr Robertson provides a comprehensive analysis of a vital but often neglected contemporary relationship and suggests that portrayals of basic Soviet Japanese antipathy may be overplayed largely as a result of excessive concentration upon a few specific past episodes

China Without Mao Immanuel Chung-yueh Hsü, 1990 The 2nd edition of this concise review of China's development since Mao's death has been substantially expanded to take into account the dramatic changes of recent years

Gorbachev's Economic Plans, 1987 **The Pacific** Ranginui Walker, William M. Sutherland, 1988 **Macro- and Micro-regionalism in the Historical Geography of the Pacific Rim** Dianne Elizabeth Meredith, 2003 *Soviet Relations With South East* R.A. Longmire, 1989 Gorbachev's major speech at Vladivostok on 28 July 1986 signalled an increased awareness by the Soviet Union of the importance of the Asia Pacific region Subsequently there have been significant changes in Soviet foreign policy paralleling the programme of wide ranging internal reform and imparting a new look to the USSR's international image The aim of the present work is to chart the development of Soviet policy towards the region since the start of the Bolshevik regime with whether there was any pattern or consistency in that policy Concentration on Soviet activity in a particular part of the world might also serve to throw further light on the much discussed question whether Moscow's policies have in the past been conceived in ideological terms and therefore in some measure pre-determined or whether they were truly ad hoc ideology being used merely as justification *Politics and Economics in the Russian Far East* Tsuneo Akaha, 2002-09-11 *Politics and Economics in the Russian Far East* addresses the key issue of what the Russian Far East and its Northeast Asian neighbours can do to further close economic and co-operative relationships The question of

to what extent the state should intervene to stimulate economic growth in the Russian Far East is covered as are the options for a more laissez faire approach The possibilities for economic co operation with the more successful market economies of the region are discussed as are the problems and opportunities presented by the exploitation of Russia s vast natural resources This book will be essential reading for all those wishing to obtain a deeper understanding of the complexity of the issues involved in the development of co operative relationships between Russia and its Asia Pacific neighbours

In the Soviet House of Culture Bruce Grant,2020-10-06 At the outset of the twentieth century the Nivkhi of Sakhalin Island were a small population of fishermen under Russian dominion and an Asian cultural sway The turbulence of the decades that followed would transform them dramatically While Russian missionaries hounded them for their pagan ways Lenin praised them while Stalin routed them in purges Khrushchev gave them respite and while Brezhnev organized complex resettlement campaigns Gorbachev pronounced that they were free to resume a traditional life But what is tradition after seven decades of building a Soviet world Based on years of research in the former Soviet Union Bruce Grant s book draws upon Nivkh interviews newly opened archives and rarely translated Soviet ethnographic texts to examine the effects of this remarkable state venture in the construction of identity With a keen sensitivity Grant explores the often paradoxical participation by Nivkhi in these shifting waves of Sovietization and poses questions about how cultural identity is constituted and reconstituted restructured and dismantled Part chronicle of modernization part saga of memory and forgetting In the Soviet House of Culture is an interpretive ethnography of one people s attempts to recapture the past as they look toward the future This is a book that will appeal to anthropologists and historians alike as well as to anyone who is interested in the people and politics of the former Soviet Union

The Last Great Game: USA Versus USSR Paul Dukes,2016-10-06 This book is a historical reinterpretation of the Cold War in the broadest sense from the viewpoint of the late 1980s Dukes contends that the rivalry of the USA and Soviet Union like the Great Game between Britain and Imperial Russia can be understood only by

analysing their relationship over centuries He adopts the explanatory model of French historian Fernand Braudel the concepts of event conjuncture and structure and examines the super power relationship in an historical context stretching back to the medieval period He argues that the political and cultural gaps between Western and Soviet approaches at key events have stemmed from widely different experiences of these events as well as from long embedded traditions
