Heads of States and Governments Since 1945 Harris M. Lentz, 2014-02-04 More than half the nations that exist today have gained their independence since 1945 During this period over 2 300 individuals have ruled the various nations of the world this encyclopedia offers insight into the history of individual nations through the lives of their leaders Outstanding Academic Book **Yearbook of Transnational History** Thomas Adam, 2019-07-19 The Yearbook of Transnational History is dedicated to disseminating pioneering research in the field of transnational history This second volume provides readers with articles on topics such as transnational marriages exile soccer and missionaries as well as on the campaigns in Communist countries for freeing the American civil rights activist Angela Davis These articles highlight the movement of ideas people policies and practices across various cultures and societies and explore the relations connections and spaces created by these movements The articles in this volume explore interconnected historical phenomena in Asia North and South America and Europe from the late seventeenth century to the late twentieth century These articles make clear that historical phenomena such as soccer and exile cannot be contained and explained within just one national setting This volume also offers a theoretical article that provides insights into the concept of intercultural transfer studies and its

relationship to comparative and global history and an article that surveys the state of research in the field of transnational crime

The Wars for Asia, 1911-1949 S. C. M. Paine, 2014-10-09 The Wars for Asia 1911 1949 shows that the Western treatment of World War II the Second Sino Japanese War and the Chinese Civil War as separate events misrepresents their overlapping connections and causes The Chinese Civil War precipitated a long regional war between China and Japan that went global in 1941 when the Chinese found themselves fighting a civil war within a regional war within an overarching global war The global war that consumed Western attentions resulted from Japan s peripheral strategy to cut foreign aid to China by attacking Pearl Harbour and Western interests throughout the Pacific in 1941 S C M Paine emphasizes the fears and ambitions of Japan China and Russia and the pivotal decisions that set them on a collision course in the 1920s and 1930s The resulting wars together yielded a viscerally anti Japanese and unified Communist China the still angry rising power of the early twenty first century

The Rise and Fall of Communism Archie Brown, 2009-10-13 Published to coincide with the twentieth anniversary of the fall of the Berlin Wall a definitive and ground breaking account of the revolutionary ideology that changed the modern world The inexorable rise of Communism was the most momentous political phenomenon of the first half of the twentieth century Its demise in Europe and its decline elsewhere have produced the most profound political changes of the last few decades In this illuminating book based on forty years of study and a wealth of new sources Archie Brown provides a comprehensive history as well as an original and highly readable analysis of an ideology that has shaped the world and still rules over a fifth of humanity A compelling new work from an internationally renowned specialist The Rise and Fall of Communism promises to be the definitive study of the most remarkable political and human story of our times

The Demise of Marxism-Leninism in Russia A. Brown, 2004-08-31 In The Demise of Marxism Leninism in Russia distinguished specialists chart the rise of new thinking on the Soviet system and the decline and fall of Marxism Leninism in the late Soviet period They also discuss the failure of Marxism Leninism to make a comeback in post Soviet Russia This book makes a significant contribution to understanding the independent importance of ideas in politics and provides clear analyses of the rise of liberal and social democratic thought about the political system the economy international Communism nationalism and federalism

No Asylum Thomas A. Oleszczuk, Theresa C. Smith, 2016-07-27 No Asylum is a quantitative assessment of the incidence of state repression via the peculiar institution of forced psychiatric hospitalization of evidently healthy Soviet dissidents The book explains who was targeted and why as the State used psychiatry to attempt to deflect defuse discredit or destroy the multifaceted dissident movement Although new detentions virtually ceased as the Union fragmented it is too early to write an epitaph for psychiatric abuse political use of psychiatry could be revived in Russia
