Soziologie Des Sozialismus:

The Alienated Mind (Routledge Revivals) David Frisby, 2013-10-08 This book first published in 1983 with a second edition in 1992 investigates the emergence of the sociology of knowledge in Germany in the critical period from 1918 to 1933. These years witnessed the development of distinctive paradigms centred on the works of Max Scheler, Georg Lukács and Karl Mannheim. Each theorist sought to confront the base superstructure models of the relationship between knowledge and society which originated in Orthodox Marxism. David Frisby illustrates how these and other themes in the sociology of knowledge were contested through a detailed account of the central sociological debates in Weimar Germany. This reissue of *The Alienated Mind* will be of particular interest to students and academics concerned with the development of an important tradition in the sociology of knowledge and culture, social theory and German history. **Georg Simmel** Horst Jürgen

Helle, 2014-10-09 Georg Simmel is and will continue to be one of the most important authors for all the humanities. This is true because hardly anyone else has foreseen the enormous changes in culture, politics and in the social conditions in general that would occur in the course of the 20th century like he did. It is also true because he discovered a new way of thinking one which made this premonition of dramatic change possible. Georg Simmel ist und bleibt ein wichtiger Autor für den ganzen Bereich der Geisteswissenschaften. Nicht nur weil Simmel die gewaltigen kulturellen, politischen und allgemeinen sozialen Umwälzungen des zwanzigsten Jahrhunderts wie kaum ein anderer vorausgesehen hat, sondern auch weil er die Art zu denken entwickelt hat, ohne die eine Voraussicht nicht möglich war. **Scientific Atheism in East Germany (1963-1990)**

Eva Guigo-Patzelt, 2024-12-02 This book offers an in-depth archive-based analysis of scientific atheism focused on the development of the field in the German Democratic Republic (GDR). Scientific atheism was established as a Soviet import in 1963 at Jena University with a presence in East German universities, propaganda and politics for nearly 30 years. The chapters explore the sociological work done by scientific atheists such as Olof Klohr, how they defined religion and atheism and their role as actors of atheisation in various fields. As well as reflecting on the specific religious and political context in East Germany, the author makes comparison with other communist-ruled countries. Drawing on extensive and unique documentation, this book will be of interest to scholars of atheism and secularism, religion and politics, religious history, German history and East European studies. The Open Access version of this book is available at <http://www.taylorfrancis.com> and has been made available under a Creative Commons Attribution-NonCommercial-NoDerivatives (CC BY-NC-ND 4.0) license. A

Treatise of Legal Philosophy and General Jurisprudence Enrico Pattaro, Corrado Roversi, 2016-07-13 A *Treatise of Legal Philosophy and General Jurisprudence* is the first ever multivolume treatment of the issues in legal philosophy and general jurisprudence from both a theoretical and a historical perspective. The work is aimed at jurists as well as legal and practical philosophers. Edited by the renowned theorist Enrico Pattaro and his team, this book is a classical reference work that would be of great interest to legal and practical philosophers as well as to jurists and legal scholars at all levels. The work is divided

in two parts The theoretical part published in 2005 consisting of five volumes covers the main topics of the contemporary debate the historical part consisting of six volumes Volumes 6 8 published in 2007 Volumes 9 and 10 published in 2009 Volume 11 published in 2011 and Volume 12 forthcoming in 2016 accounts for the development of legal thought from ancient Greek times through the twentieth century Volume 12 Legal Philosophy in the Twentieth Century The Civil Law World Volume 12 of A Treatise of Legal Philosophy and General Jurisprudence titled Legal Philosophy in the Twentieth Century The Civil Law World functions as a complement to Gerald Postema's volume 11 titled Legal Philosophy in the Twentieth Century The Common Law World and it offers the first comprehensive account of the complex development that legal philosophy has undergone in continental Europe and Latin America since 1900 In this volume leading international scholars from the different language areas making up the civil law world give an account of the way legal philosophy has evolved in these areas in the 20th century the outcome being an overall mosaic of civil law legal philosophy in this arc of time Further specialists in the field describe the development that legal philosophy has undergone in the 20th century by focusing on three of its main subjects namely legal positivism natural law theory and the theory of legal reasoning and discussing the different conceptions that have been put forward under these labels The layout of the volume is meant to frame historical analysis with a view to the contemporary theoretical debate thus completing the Treatise in keeping with its overall methodological aim namely that of combining history and theory as a necessary means by which to provide a comprehensive account of jurisprudential thinking

Einführung in den Jugoslawischen Marxismus-Leninismus L. Vrtacic, 2012-12-06 Die vorliegende Arbeit gehört zur Reihe der Untersuchungen über den Marxismus Leninismus in den nicht sowjetischen kommunistischen Ländern Europas welche im Auftrag des Osteuropa Instituts an der Universität Freiburg Schweiz in Angriff genommen sind Im Gegensatz zu den früher veröffentlichten Werken handelt es sich jedoch nicht um eine vollständige Monographie sondern um eine Vorarbeit Sie besteht im wesentlichen in einer Bibliographie des jugoslawischen philosophischen Schrifttums seit 1945 und in einer Übersicht sowohl des organisatorischen Rahmens als auch der Literatur Der Verfasser bereitet jetzt auf Grund der hier zusammengefaßten Ergebnisse eine umfassende Monographie der genannten Art vor Die Veröffentlichung erfolgt in der Hoffnung daß diese meines Wissens erste und bisher einzige Einführung in den jugoslawischen Marxismus Leninismus auch den anderen Forschern auf diesem Gebiet sowohl in Jugoslawien als auch im Ausland nützlich sein dürfte Es ist für mich eine angenehme Pflicht jenen Personen und Institutionen zu danken ohne deren Hilfe dieses Buch nicht hätte geschrieben werden können Ich danke dem Osteuropa Institut der Universität Freiburg Schweiz für den Auftrag der Rockefeller Foundation welche meine Arbeit großzügig unterstützt hat der Schweizerischen Landesbibliothek in Bern der Freiburger Universitätsbibliothek und der Bibliothek des Schweizerischen Osteuropa Instituts in Bern für die Hilfe die ich bei der Zusammenstellung der Bibliographie von ihnen erhalten habe Vor allem möchte ich meinem verehrten Lehrer Prof J M Bochenski meinen Dank aussprechen ich habe von ihm ebensoviel die Anregung wie

zahlreiche Weisungen und ständige Hilfe bei meiner Arbeit erhalten *Exile and Social Thought* Lee Congdon, 2014-07-14
 Embroiled in the political events surrounding World War I and the failed Hungarian revolutions of 1918-19 a number of intellectuals fled Hungary for Germany and Austria where they essentially created Weimar culture Among them were Georg Lukács whose *History and Class Consciousness* recast Marxism and challenged even those who repudiated its politics Bela Balázs who pioneered film theory and collaborated with film makers G. W. Pabst Leni Riefenstahl and Alexander Korda László Moholy-Nagy who codirected the Bauhaus during its heyday in the mid 1920s and Karl Mannheim whose *Ideology and Utopia* was the most widely discussed work of noncommunist social theory during the Weimar years In this collective portrait combining intellectual history with biographical detail Lee Congdon describes how Hungarian thinkers each in a different way passionately advocated the need for community in a Europe torn by war and revolution Whether communist avant-gardist or Catholic convert each thinker is examined within the vast tapestry of his works his cultural and intellectual milieu and his experience as an exile Despite the ideological differences of these men Congdon reveals how their personal destinies and social goals often merged Since many were assimilated Jews he argues that their thinking on society was inextricably intertwined with their youthful sensitivity to anti-Semitism in Hungary and with the isolating limitations of their lives in Germany and Austria Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Totalitarianism and Political Religions, Volume II** Hans Maier, Michael Schäfer, 2007-12-24 *Totalitarianism and Political Religions Volume II* available for the first time in English translation features contributions from leading scholars of political extremism sociology and modern history Based upon a seminal conference on political religions edited by eminent Professor Hans Maier the book seeks to define the term and explore its application to the interpretation of a wide variety of totalitarian movements in Europe in the twentieth century **Handbuch Geschichte der deutschsprachigen Soziologie** Stephan Moebius, Andrea Ploder, 2017-11-13 Wer sich einen Überblick über die Geschichte der deutschsprachigen Soziologie und über soziologiekonzeptionelle Konzepte und Methoden verschaffen möchte wird in diesem Handbuch umfassend gefördert Band 1 gibt zentrale Einblicke in die sozialen und kognitiven Dimensionen der Fachgeschichte und behandelt dabei auch Theorie und Methodenentwicklungen Kontroversen internationale Rezeptionen sowie Institutionalisierungsprozesse in Form von Fachgesellschaften Zeitschriften und Forschungseinrichtungen **Volkswohl. Wissenschaftliche Monatsschrift**, 1926 **Dresden. Sachsische Landesbibliothek Erwerbungen** Dresden. Sachsische Landesbibliothek, 1929 Essays in German History F. L. Carsten, 1985-07-01 F. L. Carsten has probably been the most influential historian of Germany writing in

English over the past forty years His work is remarkable for its ability to span the course of German history from the late middle ages to the present This book brings together a substantial collection of Professor Carsten s work that has appeared as articles Unruly Masses , Fin de siecle Vienna has become the glorified icon of innovative modernism in the arts and letters This detailed account of the suburban life worlds presents a very different image one of harsh struggles for subsistence and survival disparities between the social classes resulting in spatial and cultural segregation

Totalitarianism and Political Religions Volume III Hans Maier,2008-03-25 Available for the first time in English language translation the third volume of Totalitarianism and Political Religions completes the set It provides a comprehensive overview of key theories and theorists of totalitarianism and of political religions from Hannah Arendt and Raymond Aron to Leo Strauss and Simone Weill Edited by the eminent Professor Hans Maier it represents a major study examining how new models for understanding political history arose from the experience of modern despotic regimes Where volumes one and two were concerned with questioning the common elements between twentieth century despotic regimes Communism Fascism National Socialism Maoism this volume draws a general balance It brings together the findings of research undertaken during the decade 1992 2002 with the cooperation of leading philosophers historians and social scientists for the Institute of Philosophy at the University of Munich Following the demise of Italian Fascism 1943 45 German National Socialism 1945 and Soviet Communism 1989 91 a comparative approach to the three regimes is possible A broad field of interpretation of the entire phenomenon of totalitarian and political religions opens up This comprehensive study examines a vast topic which affects the political and historical landscape over the whole of the last century Moreover dictatorships and their motivations are still present in current affairs today in the twenty first century The three volumes of Totalitarianism and Political Religions are a vital resource for scholars of fascism Nazism communism totalitarianism comparative politics and political theory *Ideology and Utopia* Karl Mannheim,2013-07-04 Ideology and Utopia argues that ideologies are mental fictions whose function is to veil the true nature of a given society They originate unconsciously in the minds of those who seek to stabilise a social order Utopias are wish dreams that inspire the collective action of opposition groups which aim at the entire transformation of society Mannheim shows these two opposing elements to dominate not only our social thought but even unexpectedly to penetrate into the most scientific theories in philosophy history and the social sciences This new edition contains a new preface by Bryan S Turner which describes Mannheim s work and critically assesses its relevance to modern sociology The book is published with a comprehensive bibliography of Mannheim s major works **Robert Michels, Political Sociology and the Future of Democracy** Juan Linz,2017-07-05 These essays by the brilliant historian of political science Juan Linz comprise a remarkable intellectual review of the life and work of Robert Michels his major book Political Parties and the dimensions of democracy as a functioning system Linz elucidates the importance of Michels in a way that offers more than a mechanical view of political parties as some sort of precisely ordered

system of authority and influence Instead Michels offers a view of politics that is bottom up and untidy what he calls a reciprocal deference structure Michels is not simply the father of the iron law of oligarchy but the idea of politics as a less than orderly network of responsiveness responsibility and accountability Linz demonstrates with magisterial power why Michels must be ranked as a foremost thinker in classical political sociology The remaining three segments of the volume cover areas with which Linz has also long been identified Each in its own way illumines aspects of Michels as well Time and Regime Change articulates differences between change within a regime and change of a regime sometimes hard to identify because of the elongated time frames involved The next essay explains why Spain is neither a traditional society nor a successful modern nation The reliance upon central authority displaced the hoped for evolution of a society based on representative democratic institutions The final section Freedom and Autonomy of Intellectuals and Artists is a topic that gripped Michels and Linz alike Freedom as a goal of the intelligentsia has been frustrated by those who provide ideological justification for repression of ideas and actions in the name of higher values This segment provides a bridge between Michels and Weber not to mention both of these major figures with Linz himself The role of state power in mediating intellectual freedom is the leitmotif that blankets the twentieth century The work is graced by a full length bibliography o

Nationalism on the Internet Christian Fuchs,2019-09-17 In this timely book critical theorist Christian Fuchs asks What is nationalism and what is the role of social media in the communication of nationalist ideology Advancing an applied Marxist theory of nationalism Fuchs explores nationalist discourse in the world of contemporary digital capitalism that is shaped by social media big data fake news targeted advertising bots algorithmic politics and a high speed online attention economy Through two case studies of the German and Austrian 2017 federal elections the book goes on to develop a critical theory of nationalism that is grounded in the works of Karl Marx Rosa Luxemburg and Eric J Hobsbawm Advanced students and scholars of Marxism nationalism media and politics won t want to miss Fuchs latest in depth study of social media and politics that uncovers the causes structures and consequences of nationalism in the age of social media and fake news

The Theory of Social Democracy Thomas Meyer,2013-09-30 The ascendancy of neo liberalism in different parts of the world has put social democracy on the defensive Its adherents lack a clear rationale for their policies Yet a justification for social democracy is implicit in the United Nations Covenants on Human Rights ratified by most of the worlds countries The covenants commit all nations to guarantee that their citizens shall enjoy the traditional formal rights but they likewise pledge governments to make those rights meaningful in the real world by providing social security and cultural recognition to every person This new book provides a systematic defence of social democracy for our contemporary global age The authors argue that the claims to legitimation implicit in democratic theory can be honored only by social democracy libertarian democracies are defective in failing to protect their citizens adequately against social economic and environmental risks that only collective action can obviate Ultimately social democracy provides both a fairer and more stable social order But can social

democracy survive in a world characterized by pervasive processes of globalization This book asserts that globalization need not undermine social democracy if it is harnessed by international associations and leavened by principles of cultural respect toleration and enlightenment The structures of social democracy must in short be adapted to the exigencies of globalization as has already occurred in countries with the most successful social democratic practices **Review of Nations** Félix Vályi,1927 Includes the section Recent Publications **Mind and Rights** Matthias Mahlmann,2023-02-16 A uniquely comprehensive analysis of human rights combining historical philosophical and legal perspectives with research from psychology and the cognitive sciences **Writings in the Social Philosophy and Ethics / Sozialphilosophische und ethische Schriften** Paul Tillich,2020-03-23 No detailed description available for Writings in the Social Philosophy and Ethics Sozialphilosophische und ethische Schriften

Soziologie Des Sozialismus Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Soziologie Des Sozialismus PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Soziologie Des Sozialismus PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Soziologie Des Sozialismus free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Soziologie Des Sozialismus Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Soziologie Des Sozialismus is one of the best book in our library for free trial. We provide copy of Soziologie Des Sozialismus in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Soziologie Des Sozialismus. Where to download Soziologie Des Sozialismus online for free? Are you looking for Soziologie Des Sozialismus PDF? This is definitely going to save you time and cash in something you should think about.
