Space 1999 Collision Course:

The Epic Structure of Space 1999 John K. Balor, 2018-02-18 This book contains transcripts from Online Alpha discussions where the epic and narrative structure of SPACE 1999 is being discussed by comparing episodes with themes characters and elements of plot from the Homeric Odyssey and Lewis Carroll's stories about Alice The discussion is motivated by questions raised in the scholarly literature and earlier Online Alpha debates about how to make sense of SPACE 1999 from the viewpoint of critical theory The book has been developed on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com **Space 1999 and Science**

Fiction Prototyping Petter Ogland, 2018-06-25 With the first online discussions of SPACE 1999 starting in January 1993 this book celebrates the 25th anniversary of Online Alpha It is edited and told from the perspective of trying to present different types of discussions over the years by focusing on humour insight surprise and shared community There is also a focus on how the discussions have changed and how they continue to change The book is written on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com *Cosmos 1999 -*

The Third Year of Space 1999 John K. Balor, 2019-07-10 What does Gerry Anderson's television series SPACE 1999 have in common with Carl Sagan's award winning television documentary COSMOS Not very much one might expect but this book documents an Online Alpha discussion where fans of the science fiction series discuss and debate differences and similarities from a wide range of perspectives some of them arguing that two series may be so closely connected that it might be natural to think of COSMOS as the third year of SPACE 1999 This book is written on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com *An Exploration of Space*

1999 Through the Lens of Video Games: Payne 1999 John K. Balor, 2019-07-02 This book contains transcripts from Online Alpha discussions where the video game PAYNE 1999 game theory and game study theories are used for analysing and commenting on problems of conflict and cooperation in SPACE 1999 The discussions build on more than a decade of conversations and debate about PAYNE 1999 and the aim of the book is to put the various threads together while also developing new ideas and providing direction for further investigations The book has been developed on an idealistic basis and it is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com

1999: A Space Odyssey John K. Balor, 2018-08-03 Part of the premise of the online discussion transcribed in this book is how Gerry Anderson's television series Space 1999 can be understood in relation to Stanley Kubrick's 2001 A Space Odyssey by looking at both narratives through the perspective of systems theory As a result of doing so an engaged debate concerned with the political and philosophical subtext of both stories developed This book gives a full account of the debate with summaries of ideas and insights The book has been developed on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com **Exploring Space: 1999** John

Kenneth Muir,2015-09-15 Starring internationally renowned actors Martin Landau Barbara Bain Barry Morse and Catherine Schell the British made Space 1999 was the only truly original space adventure of the mid 1970s Sandwiched between the demise of the original Star Trek and the opening of the Stars Wars series on the big screen Space 1999 featured a richly visualized world where space was terrifying and mysterious where not all problems were solvable by technology and the space travelers were very human From the science fiction show s conception in 1973 to its cancellation in 1977 this reference work covers each of the 48 episodes in depth including a full plot synopsis writer director guest star credits and critical commentary that examines both the episode and other shows that have used similar plotlines The popularity of Space 1999 memorabilia and its many fan clubs are fully discussed along with the possibility of a future movie or reunion show that would tie up the loose ends caused by the show s abrupt cancellation *Space 1999 and Critical Theory* John K.

Balor,2017-11-11 The television series SPACE 1999 was in its first series shaped by the late sixties and early seventies counterculture movements making SPACE 1999 into an example of how certain SF scholars see a natural alignment between science fiction and critical theory However due to changes in the political climate SPACE 1999 went through an ideological reversal in its second series As a result the schizophrenic nature of the series has ever since caused debate This book is written on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com *Space 1999, Collision Course* Edwin Charles Tubb,1975 *An Exploration of Space 1999 Through the Lens of Fan Fiction: Forever Alpha* John K. Balor,2019-07-10 An essential introduction to a rapidly growing field of study AN EXPLORATION OF SPACE 1999 THROUGH THE LENS OF FAN FICTION gathers in one place the complete

2015 16 Online Alpha discussion of the SPACE 1999 fan fiction corpus with a focus on the FOREVER ALPHA fan fiction series Collected here are central viewpoints and arguments by Online Alpha discussants that have dominated Online Alpha debates in recent years Editor John K Balor provides a cogent introduction that places each piece in its historical and intellectual context mapping the discussion and suggesting future trajectories The book has been developed on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com An

Analytical Guide to Television's Battlestar Galactica John Kenneth Muir,2015-09-15 When the space drama Battlestar Galactica debuted on ABC in 1978 it was expected to be the most popular new program of the year Instead it was attacked as a Star Wars rip off and canceled after a mere 17 stories The author acknowledges the show was full of dramatic cliches and scientific inaccuracies but despite these shortcomings Battlestar Galactica was a dramatically resonant series full of unique and individual characters such as Commander Adama Lorne Greene and ace warrior Captain Apollo Richard Hatch The author contends that Battlestar Galactica was a memorable attempt to make science fiction accessible to mainstream television audiences The brilliant work of artist John Dykstra brought a new world of special effects to network television Battlestar Galactica also skillfully exploited legends and names from both the Bible and ancient mythology which added a

layer of depth and maturity to the weekly drama The Women of Hammer Horror Robert Michael "Bobb" Cotter, 2014-01-10 The Hammer studio is best known for its horror film output from the mid 1950s through the 1970s This book provides facts about the hundreds of actresses who appeared in those films including ones released in the twenty first century by a resurgent Hammer Each woman's entry includes her Hammer filmography a brief biography if available and other film credits in the horror genre The book is illustrated with more than 60 film stills and posters The Worlds of Gerry and Sylvia Anderson Ian Fryer, 2017-04-20 Thunderbirds Stingray Fireball XL5 Captain Scarlet and the Mysterons UFO and Space 1999 just some of the TV series produced by Gerry and Sylvia Anderson that have thrilled generations of people worldwide from the 1960s right into the 21st Century As the new series Thunderbirds Are Go updates the exploits of International Rescue for a new era Ian Fryer film historian and editor of Gerry Anderson's official appreciation society magazine brings an in depth look into the making of the iconic television shows that inspired it The background to the making of the Supermarionation series and the live action science fiction classics that followed is brought to life along with the turbulent times for British film making in which they were made A fascinating read for fans of the Anderson puppet and live action series and for anyone interested in film and television history *Science Fiction and Fantasy Literature, 1975-1991* R. Reginald, Mary Wickizer Burgess, Daryl Furumi Mallett, 1992 Science fiction constitutes one of the largest and most widely read genres in literature and this reference provides bibliographical data on some 20 000 science fiction fantasy and horror fiction books as well as nonfiction monographs about the literature A companion to Reginald's Science Fiction and Fantasy Literature 1700 1974 Gale 1979 the present volume is alphabetically arranged by approximately 10 000 author names The entry for each individual work includes title publisher date and place published number of pages hardbound or paperback format and type of book novel anthology etc Where appropriate entries also provide translation notes series information pseudonyms and remarks on special features such as celebrity introductions Includes indexes of titles series awards and doubles for locating volumes containing two novels Annotation copyright by Book News Inc Portland OR *The Ultimate Guide to Science Fiction* David Pringle, 1995 This edition offers short evaluative descriptions of around 3500 novels brief statements and reviews by critics and a guide to sequels related titles and film versions New to this edition is expanded coverage of books of the late 19th and early 20th centuries Also new is the category novelizations and spin off fiction a section which reflects the tremendous growth in these publications since the 1980s All science fiction movie novelizations are covered as well as a selection of radio and television science fiction novelizations Music in Science Fiction Television Kevin J. Donnelly, Philip Hayward, 2013 The music for science fiction television programs like music for science fiction films is often highly distinctive introducing cutting edge electronic music and soundscapes There is a highly particular role for sound and music in science fiction because it regularly has to expand the vistas and imagination of the shows and plays a crucial role in setting up the time and place Notable for its adoption of electronic instruments and integration of music and effects

science fiction programs explore sonic capabilities offered through the evolution of sound technology and design which has allowed for the precise control and creation of unique and otherworldly sounds This collection of essays analyzes the style and context of music and sound design in Science Fiction television It provides a wide range of in depth analyses of seminal live action series such as Doctor Who The Twilight Zone and Lost as well as animated series such as The Jetsons With thirteen essays from prominent contributors in the field of music and screen media this anthology will appeal to students of Music and Media as well as fans of science fiction television

Nature & Science on the Pacific Coast, 1915 **Time Lords and Star Cops** Philip Braithwaite, 2023-05-30 British science fiction television of the 1970s and 1980s is full of Machiavellian protagonists and fatalistic endings It presents a complex world of moral and ethical dilemmas appropriate to the emerging political landscape of Thatcherite Britain This book analyses the science fiction series of the period including Blake s 7 Doctor Who and Sapphire Steel alongside Britain s transition from social democracy to neoliberal economics and the premiership of Margaret Thatcher It examines the abrupt shifts in themes and tone that these series often exhibit compared to their predecessors highlighting comparisons to the similarly abrupt change in Britain s political landscape

Horror Films of 2000-2009 John Kenneth Muir, 2023-03-22 Horror films have always reflected their audiences fears and anxieties In the United States the 2000s were a decade full of change in response to the 9 11 terrorist attacks the contested presidential election of 2000 and the wars in Iraq and Afghanistan These social and political changes as well as the influences of Japanese horror and New French extremism had a profound effect on American horror filmmaking during the 2000s This filmography covers more than 300 horror films released in America from 2000 through 2009 including such popular forms as found footage torture porn and remakes Each entry covers a single film and includes credits a synopsis and a lengthy critical commentary The appendices include common horror conventions a performer hall of fame and memorable ad lines

Regulating a Revolution Neta Palkovitz, 2019-11-22 In recent years small satellites have taken the space industry by storm Their short development times low cost significant miniaturisation standardisation and commercial availability have truly revolutionised the space industry They make space accessible to non professionals and on an individual level This book is the first to explore the status of small satellites vis vis international space law examining which provisions are applicable and what kind of legal issues the traditional definitions pose when considering novel small satellites activities The author sheds clear light on current regulatory challenges raised by the commercial and research activities of small satellites as well as by governmental and military applications She covers the legal implications in such aspects of the small satellites revolution as the following liability for damage caused or suffered by small satellites State responsibility for non governmental space activities employing small satellites registration of space objects launch practices online availability of components and launch slots the connection between small satellites and space debris the role of space insurance and legal challenges posed by large constellations of small satellites In the course of the description and analysis the author provides

case studies showing how these challenges can be dealt with offers deeply informed insights on emerging trends and future developments and indicates which jurisdictions may be most favourable to small satellite activities The small satellites market is booming and both States and industry are in need of guidance relating to the regulatory situation Accordingly this book will help stakeholders in the industry universities business entities and individuals as well as non commercial entities engaged in small satellites operations understand what kind of regulatory challenges exist and what should be done in order to solve these challenges in the future **Books in Print** ,1981
