

The background of the image is a deep space scene. It features a dense field of stars of various colors (white, blue, yellow) against a black void. Overlaid on this are large, ethereal clouds of gas and dust. A prominent horizontal band of bright blue and cyan nebulae stretches across the middle of the frame. Below and around this band are larger, more diffuse clouds of red and magenta. The overall effect is one of vast, colorful cosmic scale.

The Space Beyond John W. Campbell, 2011-09-29 Three Mind Jarring Space Operas Marooned Four giant ships made of the wonder element synthium crash the asteroid belt and brave the cold of Jupiter's moons in man's last reckless dash to adventure All The Chinese have brutally conquered the Earth and out of their ruthless tyranny evolves the last great religious war and the first God of Nuclear Divinity The Space Beyond When you wake up 75 billion miles from Earth in a crippled ship hurtling towards a blistering Mega Sun with a crew of insane gangsters and a Texan what you don't need to run into is a galactic war Or was that their only chance of survival

The Space Beyond Kristie Cook, 2014-05-17 As members of the Phoenix Jeric and Leni are thrust into their new lives expected to lead Earth's Guardians But Leni struggles with trusting her own soul and Jeric is more concerned about keeping Leni safe than meeting others demands When Darkness swarms Lake Haven they embark on their first mission with little preparation and no idea which soul the Dark hunts Born and raised in Lake Haven Bex hopes to escape her small town life ideally in the arms of her soul mate She knows he exists and her heart aches with the need to find him When her long lost mama calls to announce she's knockin on death's door Bex reluctantly makes the trip to see the uncaring bitch bless her heart only to be knocked off her feet by the sexy and charming Dr Mason Hayes Is he really The One Leni's soul felt an instant connection to Bex but if Bex found her soul mate she isn't their mission So who is and why does Leni instinctively feel drawn to her Can Leni even trust her intuition And will Jeric step up and lead when the time comes or continue to hold them back If they don't learn to trust themselves and each other quickly Darkness will claim them all along with the rest of Earth's souls
