Medievalism in Technology Old and New Karl Fugelso, Carol L. Robinson, 2008 Medievalism examined in a variety of genres from fairy tales to today's computer games As medievalism is refracted through new media it is often radically transformed Yet it inevitably retains at least some common denominators with more traditional responses to the middle ages This latest volume of *Studies in Medievalism* explores this phenomenon with a special section on computer games examining digital echoes of the medieval past in subjects ranging from the sovereign ethics of empire in Star Wars to gender identity in on line role playing Medievalism in more conventional venues is also addressed ranging from early French fairy tales to nineteenth century neo Byzantine murals Great innovation and extraordinary continuity are thus juxtaposed not only within each article but also across the volume as a whole in yet further testimony to the exceptional flexibility and enduring relevance of medievalism

Art and Idea in the Novels of China Miéville Carl Freedman, 2015-09-07 This book offers in the first six chapters critical readings of six novels by China Miéville which are followed in the seventh chapter by a theoretical meditation on some of the conceptual issues raised by and engaged in the Miéville oeuvre There comes a moment in *The City* the City though it is not necessarily the same moment for every reader when you realise that Beszel and Ul Qoma are not separate realms but the same space divided Likewise art and idea are often subject to absurd partition but then along comes an author such as China Miéville who shows them to be in truth indissoluble So argues Freedman's inordinately readable and just as rigorous account of Miéville's major novels Highly recommended Mark Bould University of the West of England Freedman offers a compelling interpretation of Miéville's novels informed equally by an impressive range of literary influences and a carefully documented exploration of historical antecedents Seeing Miéville's genre hybridity as an illustration of the power of dialectical thinking Freedman illuminates the complex utopian project of Miéville's fiction Freedman is one of our finest critical voices on Miéville one of the most important speculative writers of the 21st century Sherryl Vint University of California Riverside
