Spaces In Between:

Spaces Between Nina Eckhoff-Heindl, Véronique Sina, 2020-07-16 The contributions gathered in this volume exhibit a great variety of interdisciplinary perspectives on and theoretical approaches to the notion of spaces between They draw our attention to the nexus between the medium of comics and the categories of difference as well as identity such as gender disability age and ethnicity in order to open and intensify an interdisciplinary conversation between comics studies and intersectional identity studies

The Spaces Between Us Michael Graziano, 2017-12-06 Each of us has a protected zone two or three feet wide swelling around the head and narrowing towards the feet This zone isn't fixed in size if you're nervous it grows if you're relaxed it shrinks It also depends on your cultural upbringing Personal space is small in Japan and large in Australia This safety zone called personal space provides an invisible spatial scaffold that frames our social interactions As Michael Graziano argues in *The Spaces Between Us* it also organizes our social and emotional spacing influences our facial expressions and shapes our interactions with everyday objects including tools furniture and clothing Even ordinary actions like walking are informed by a continuous under the surface calculation of threats and obstacles around the body what Graziano calls a virtual bubble wrap of active neurons that fire and move us to action even before we may be conscious of our course corrections in real time Humans evolved a complex way of interacting with others and their environment and *The Spaces Between Us* looks at how this infrastructure may have led to the first smile and to a host of other human activities from tool use to courtship and to a sense of self The book concludes with a case study of Graziano's son who had heart breaking difficulties developing a functioning personal space Written with poignant narrative clarity Graziano makes the case for the interested scientific public that this system in the brain is more than a fascinating scientific topic it's deeply personal and shapes our human nature

The Life in the Void and the Spaces Between Zoe Cannon, 2024-08-23 Men belong to the gods Women belong to the goddesses To whom does Keyna belong For two glorious years Keyna belonged to the Nameless One As is required of everyone on the cusp of adulthood they traveled to the Front to fight the horrors beyond this universe who wage constant war on humanity their soul on loan to the most mysterious of all the deities and the most feared The other conscripts returned shaken and scarred eager to put their ordeal behind them For Keyna those two years were the only time they felt truly alive But every soldier's soul must return to its rightful owner no matter how they feel about it Unless the Nameless One does something unprecedented This short story is 7 100 words long It is also available in *Queerdark* a dark queer fantasy collection

The Spaces Between Buildings Larry Ford, 2000-08 Three photographic essays offer a study of the neglected nooks and crannies between structures from gates and fences to sidewalks alleys and parking lots In his exploration of how spaces become places geographer Ford invites readers to see anew the spaces they encounter every day and often take for granted 52 halftones

The Spaces Between Joel Padilla Jr, 2018-08-19 *The Spaces Between* is a short exploration into the beginning and ending of a relationship

The Space between Us Ryan D. Enos, 2017-10-02 *The Space*

between Us brings the connection between geography psychology and politics to life By going into the neighborhoods of real cities Enos shows how our perceptions of racial ethnic and religious groups are intuitively shaped by where these groups live and interact daily Through the lens of numerous examples across the globe and drawing on a compelling combination of research techniques including field and laboratory experiments big data analysis and small scale interactions this timely book provides a new understanding of how geography shapes politics and how members of groups think about each other Enos analysis is punctuated with personal accounts from the field His rigorous research unfolds in accessible writing that will appeal to specialists and non specialists alike illuminating the profound effects of social geography on how we relate to think about and politically interact across groups in the fabric of our daily lives Spaces Between Us Scott Lauria Morgensen, 2011-11-17 Explores the intimate relationship of non Native and Native sexual politics in the United States

Space Between the Stars Deborah Santana,2006-04-11 Deborah Santana is best known for her marriage to music icon Carlos Santana a thirty year bond that endures to this day But as a girl growing up in San Francisco in the 1960s daughter of a white mother and a black father the legendary blues guitarist Saunders King her life was charged with its own drama long before she married In this beautiful haunting memoir Deborah Santana shares for the first time her early experiences with racial intolerance her romantic involvement with musician Sly Stone and the suffering she endured in that relationship and her adventures in the freewheeling 1960s Yet it is her spiritual awakening that is the core of this story The civil rights movement was the foundation of her growth the Woodstock era the backdrop of her love with Carlos The couple was drawn indelibly together by a search for truth and spirituality but while yearning to be filled with God s light they were pulled dangerously toward a manipulative cult They eventually disengage themselves from the guru and reclaim control of their lives putting their love for each other before the cult s increasingly strenuous demands *Space Between the Stars* is a moving account of self discovery rendered in raw beautiful prose by a woman whose heart has remained pure even in times of despair As Deborah Santana talks frankly about her lifelong fight against racial injustice and her deep seated loyalty to her family ultimately it is the struggle to remain a spiritual and artistic force in her own right in the shadow of one of the world s most revered musicians that shines through as her most indomitable pursuit

The Space Between the Stars Anne Corlett,2018-02-06 A Recommended Summer Read from The Verge and io9 A Recommended June Read from Hello Giggles and Tor.com When the world ends where will you go In a breathtakingly vivid and emotionally gripping debut novel one woman must confront the emptiness in the universe and in her

own heart when a devastating virus reduces most of humanity to dust and memories All Jamie Allenby ever wanted was space Even though she wasn't forced to emigrate from Earth she willingly left the overpopulated claustrophobic planet And when a long relationship devolved into silence and suffocating sadness she found work on a frontier world on the edges of civilization Then the virus hit Now Jamie finds herself dreadfully alone with all that's left of the dead Until a garbled message from Earth gives her hope that someone from her past might still be alive Soon Jamie finds other survivors and their ragtag group will travel through the vast reaches of space drawn to the promise of a new beginning on Earth But their dream will pit them against those desperately clinging to the old ways And Jamie's own journey home will help her close the distance between who she has become and who she is meant to be
