Spaces of Social Exclusion Jamie Gough, 2006 *Spaces of Social Exclusion* Jamie Gough, Aram Eisenschitz, Andrew McCulloch, 2006 In all developed countries a minority of the population suffers from deprivation This book explores the forms of this contemporary economic and social disadvantage and in particular its social and spatial causes **Megacity Slums: Social Exclusion, Space And Urban Policies In Brazil And India** Marie-caroline Saglio-yatzimirsky, Frederic Landy, 2013-10-18 This book looks at slums and social exclusion in the four major megacities of India and Brazil and analyzes the interrelationships between urban policies and housing and environmental issues In Delhi Mumbai Rio de Janeiro and S o Paulo the challenges they pose have spurred public actors into action through housing rehabilitation and conservation programs not to mention civil society and the inhabitants themselves On the other hand one must wonder whether these challenges were partly created by the deficiencies of these very public actors and civil society be it their lack of intervention as advocates of government intervention would argue or the flaws and inadequacies of their actions as supporters of the free market would suggest Are policies alleviating or aggravating social exclusion This book explores these questions and more
