Spacious Dreams The First Wave Of Asian Immigration

Edward Finegan, John R. Rickford

Spacious Dreams The First Wave Of Asian Immigration:

Spacious Dreams Rebecca Steoff, Ronald T. Takaki, 1994 A history of the first wave of Asian immigration in America

Shaping and Reshaping Chinese American Identity Jingyi Song, 2010-04-12 *Shaping and Reshaping Chinese American Identity* New York's Chinese in the Years of the Depression and World War II explores the role played by Chinese Americans in New York in the 1930s who laid the foundation for future generations to fight for civil rights as American citizens. The stories of Chinese Americans during the Depression years and World War II are underrepresented in the existing literature that has been confined to the early days of the settlement of Chinese Americans on the west coast of the United States. They were usually depicted as passive victims of exclusion as a result of Chinese Exclusion Laws. This book focuses on the active participation of the Chinese American in New York City in mainstream political, economic, and social life that helped them to forge new identity as Chinese Americans. Their active participation in federal and local elections as a means of claiming their rights as American citizens demonstrated their growing political consciousness. Chinese New Yorkers' support of both China and United States during the war reflected their dual identity as both Chinese and Americans. Their contributions to the war front and to the home front after Pearl Harbor eventually forced the reconsideration of the Chinese Exclusion Laws. The book concludes by relating the active participation of the Chinese in New York during the war years to the national movement for racial equality that resulted in new federal civil rights legislation.

Denver's Chinatown 1875-1900 Jingyi

Song, 2019-10-29 *Denver's Chinatown 1875-1900: Gone But Not Forgotten* explores the coming of the Chinese to the Western frontier and their experiences in Denver during its early development from a supply station for the mining camps to a flourishing urban center. The complexity of race, class, immigration politics, and economic policies interacted dynamically and influenced the life of early Chinese settlers in Denver. The Denver Riot as a consequence of political hostility and racial antagonism against the Chinese transformed the life of Denver's Chinese, eventually leading to the disappearance of Denver's Chinatown. But the memory of a neighborhood that was part of the colorful and booming urban center remains.

Forbidden Citizens Martin Gold, 2011-12-01 Described as one of the most vulgar forms of barbarism by Rep. John Kasson, R-IA, in 1882, a series of laws passed by the United States Congress between 1879 and 1943 resulted in prohibiting the Chinese as a people from becoming U.S. citizens. *Forbidden Citizens* recounts this long and shameful legislative history. Page 4 of cover.

Literature Connections to American History K6 Lynda G. Adamson, 1997-09-15 Identifying thousands of historical fiction novels, biographies, history trade books, CD-ROMs, and videotapes, this book helps you locate resources on American history for students. Each book presents information in two sections. In the first part, titles are listed according to grade levels within eras and further organized according to product type. The books cover American history from North America Before 1600 and The American Colonies 1600-1774 to The Mid Twentieth Century 1946-1975 and Since 1975. The second section has annotated bibliographies that describe each title and includes publication information and awards won. The focus is on books published

since 1990 and all have received at least one favorable review Some books with more illustration than text will be valuable for enticing slow or reticent readers An index helps users find resources by author title or biographical subject

In the Heart of Filipino America Rebecca Steoff,Ronald T. Takaki,1994 Professor Takai s narrative draws heavily upon personal recollections allowing Asian Americans the fastest growing ethnic group in North America to tell of their hopes and dreams in their own words

Immigrant Politics and the Public Library Susan Luevano-Molina,2001-09-30 This book explores the impact of the nativist movement on public library usage among Latino and Asian immigrants The activism of concerned librarians within the California Library Association to defend the rights of immigrant library users after the passage of Proposition 187 is documented In addition four original research studies suggest that public libraries that provided relevant multilingual collections and services multilingual staff and strong public services have remained vibrant and well used institutions despite widespread anti immigrant sentiments and heightened anxiety among library users The extensive qualitative studies that are reported in this volume are unique to the field of library science Three of the studies focus on the heavily Mexican Latino immigrant city of Santa Ana CA which is located in Orange County home to the most virulent anti immigrant forces including the Save Our State organizers who initiated the Proposition 187 legislation Two articles deal specifically with Asian American communities one ascertaining the negative effects of the elimination of affirmative action policies in public library hiring and promotion the other recounting the political nature and practice that characterizes dynamic community services to Asian immigrant communities

China's Soviet Dream Yan Li,2017-09-05 This book examines the introduction of Soviet socialist culture in the People s Republic of China with a focus on the period of Sino Soviet friendship in the 1950s The vast state initiative to transplant Soviet culture into Chinese soil has conventionally been dismissed as a tool of propaganda and political indoctrination However this book demonstrates that this transnational engagement not only facilitated China s broader transition to socialist modernity but also generated unintended consequences that outlasted the propaganda

Drawing on archival findings newspapers magazines media productions and oral interview the book delves into changes in Chinese popular imagination and everyday aesthetics contingent upon Soviet influence It proposes a revisionist view of the Soviet impact on China revealing that Soviet culture offered Chinese people the language and imagery to conceive of their future as a dream about material abundance self determination and the pleasures of leisure and cultural enrichment Written with a transnational interdisciplinary and thematic approach this book is aimed at scholars and students in the fields of Sino Soviet relations international socialism modern Chinese history cultural studies and mass communication It will also be of interest to researchers seeking to understand the nature significance and repercussions of Sino Soviet cultural engagement

Asian American Chronology Deborah G. Baron, Susan B. Gall, 1996 Explore important political economic social cultural and professional events in Asian American history *Language Diversity in the USA* Kim Potowski, 2010-08-05 What are the most widely spoken non English languages in the USA How did they reach the USA Who speaks them to whom and for what purposes What changes do these languages undergo as they come into contact with English This book investigates the linguistic diversity of the USA by profiling the twelve most commonly used languages other than English Each chapter paints a portrait of the history current demographics community characteristics economic status and language maintenance of each language group and looks ahead to the future of each language The book challenges myths about the official language of the USA explores the degree to which today's immigrants are learning English and assimilating into the mainstream and discusses the relationship between linguistic diversity and national unity Written in a coherent and structured style *Language Diversity in the USA* is essential reading for advanced students and researchers in sociolinguistics bilingualism and education

Chinese Americans Jonathan H. X. Lee, 2015-11-12 This in depth historical analysis highlights the enormous contributions of Chinese Americans to the professions politics and popular culture of America from the 19th century through the present day While the number of Chinese Americans has grown very rapidly in the last decade this group has long thrived in the United States in spite of racism discrimination and segregation This comprehensive volume takes a global view of the Chinese experience in the Americas While the focus is on Chinese Americans in the United States author Jonathan H X Lee also explores the experiences of Chinese immigrants in Canada Mexico and South America He considers why the Chinese chose to leave their home country where they settled and how the distinctive Chinese American identity was formed This volume is organized into four sections historical overview political and economic life cultural and religious life and literature the arts and popular culture Detailed essays capture the essence of everyday life for this immigrant group as they assimilated established communities and interacted with other ethnic groups Alphabetically arranged entries describe the political social and religious institutions begun by Chinese Americans and explores their roles as business owners activists and philanthropic benefactors for their communities Heritage , 1994 **Language in the USA** Edward Finegan, John R.

Rickford, 2004-06-24 This textbook provides a comprehensive survey of current language issues in the USA Through a series

of specially commissioned chapters by leading scholars it explores the nature of language variation in the United States and its social historical and political significance The book is divided into three sections Part I American English explores the history and distinctiveness of American English and regional and social varieties Part II Other Language Varieties looks at multilingualism and linguistic diversity Part III The Sociolinguistic Situation in the USA includes chapters on attitudes to language language and education Rap and Hip Hop and adolescent language It also explores issues such as the Ebonics controversy and the English Only movement Clear accessible and broad in its coverage this book will be welcomed by students across the disciplines of English Linguistics Communication American Studies and Popular Culture as well as anyone interested more generally in language related issues

The Transnational Middle East Leïla Vignal, 2016-10-04 The Middle East has been undergoing new crises since the powerful socio political uprisings known as the Arab Spring took place in several countries in 2011 Some countries are experiencing a long term collapse of their political and social structures out of internal conflicts and external interventions The Transnational Middle East posits that in the Middle East the development of regional dynamics of processes and circulations of all kinds can be documented In this regard the approaches it develops bottom up regionalisation globalisation from below allow for a better understanding of the ways in which the Middle East is part of global transformations The book analyses how through their practices Middle East societies elaborate a regional space which is not institutionalised Based on fieldwork in the Middle East the book provides venues for further theoretical elaboration on globalisation and contemporary societies as well as on processes of regionalisation It draws on the emergence of genuine regional spaces of culture art economic activity human circulation which supplement and do not contradict other infra national national or global social processes As in other areas of the world these transformations are to a large extent the mode of the Middle East s insertion into globalisation In this respect they go against standard narratives of the supposed exceptionalism of the region This book will be a great contribution to comparative politics Middle Eastern studies globalisation and international relations
