Criminal defense attorney J R Cuttler begins his Sunday with thoughts of flying his airplane around the East Texas area and later watching his Dallas Cowboys play the hated Washington Redskins That thought is shattered in an instant when the local radio station reports the abduction and rapes of a twenty nine year old woman and her twelve year old cousin from the local Walmart parking lot The identity of the victims and the initial allegations as to their assailant would draw Cuttler into a capital murder case that would forever change his life and his practice of law This small deep East Texas town located on the Texas Louisiana border still lives in times we would all like to forget times most of us have fought to forget Therefore when two White women are allegedly abducted beaten raped and sodomized by an uppity young Black man the county digresses into the mindset of Coloreds use back door After his arrest in another jurisdiction Lincoln Johnson is beaten beyond recognition by two deputies returning him to the local jail It is this senseless barbarity that raises Cuttlers ire to the degree that he agrees to represent the accused The development of pre trial tactics the trial and hypnotic conclusion pits modern scientific methodology and old time trial theatrics      **A Redneck on Top of the Mountain** Jack Shepherd,2025-03-10
