

Spains Civil War

Francisco J. Romero Salvadó

Spain's Civil War:

The Spanish Civil War Hugh Thomas, 1961 The events participants and consequences of the civil war are examined from historical as well as diplomatic military and political perspectives Conspiracy and the Spanish Civil War Herbert Rutledge Southworth, 2002 Written by one of the most celebrated historians of the Spanish Civil War this book acts as both an outstanding introduction to the vast literature of the war and a monumental contribution to that literature *The United States and the Spanish Civil War* Foster Jay Taylor, 1956 *The Passionate War* Peter Wyden, 1983 The Spanish Civil War was fought from 17 July 1936 to 1 April 1939 between the Republicans who were loyal to the established Spanish Republic and the Nationalists a rebel group led by General Francisco Franco The Nationalists prevailed and Franco ruled Spain for the next 36 years from 1939 until his death in 1975 Wikipedia *The Spanish Civil War, 1936-39* Paul Preston, 1986 History of the Spanish Civil War that sent the whole nation to government under the Franco regime **A Short History of the Spanish Civil War** Julián Casanova, 2021-09-23 In this revised edition of A Short History of the Spanish Civil War Julián Casanova tells the gripping story of the Spanish Civil War Written in elegant and accessible prose the book charts the most significant events and battles alongside the main players in the tragedy Casanova provides answers to some of the pressing questions such as the roots and extent of anticlerical violence that have been asked in the 70 years that have passed since the painful defeat of the Second Republic Now with a revised introduction Casanova offers an overview of recent historiographical shifts not least the wielding of the conflict to political ends in certain strands of contemporary historiography towards an alarming neo Francoist revisionism It is the ideal introduction to the Spanish Civil War **The Spanish Civil War** Stanley G. Payne, 2012-08-06 This book presents a new history of the most important conflict in European affairs during the 1930s the Spanish Civil War It describes the complex origins of the conflict the collapse of the Spanish Republic and the outbreak of the only mass worker revolution in the history of Western Europe Stanley Payne explains the character of the Spanish revolution and the complex web of republican politics while also examining the development of Franco's counter revolutionary dictatorship Payne gives attention to the multiple meanings and interpretations of war and examines why the conflict provoked such strong reactions at the time and long after The book also explains the military history of the war and its place in the history of military development the non intervention policy of the democracies and the role of German Italian and Soviet intervention concluding with an analysis of the place of the war in European affairs in the context of twentieth century revolutionary civil wars **The Spanish Civil War** Burnett Bolloten, 1991 A detailed account of the war describes Republican political life during the period and recounts the rise of the Spanish Communist Party The Battle for Spain Antony Beevor, 2006-06-01 A fresh and acclaimed account of the Spanish Civil War by the bestselling author of Stalingrad and The Battle of Arnhem To mark the 70th anniversary of the Spanish Civil War's outbreak Antony Beevor has written a completely updated and revised account of one of the most bitter and hard fought wars of the twentieth century

With new material gleaned from the Russian archives and numerous other sources this brisk and accessible book Spain's 1 bestseller for twelve weeks provides a balanced and penetrating perspective explaining the tensions that led to this terrible overture to World War II and affording new insights into the war its causes course and consequences **The Spanish Civil War** Gabriel Jackson, 1972-01-01 [The Spanish Civil War](#) Helen Graham, 2005-03-24 This Very Short Introduction offers a powerfully written explanation of the war's complex origins and course and explores its impact on a personal and international scale It also provides an ethical reflection on the war in the context of Europe's tumultuous twentieth century highlighting why it has inspired some of the greatest writers of our time and how it continues to resonate today in Britain continental Europe and beyond Throughout the book the focus is on the war as an arena of social change where ideas about culture were forged or resisted and in which both Spaniards and non Spaniards participated alike These were conflicts that during the Second World War would stretch from Franco's regime which envisaged itself as part of the Nazi new order to Europe and beyond Accordingly this book examines Spanish participation in European resistance movements during World War II and also the ongoing civil war waged politically economically judicially and culturally inside Spain by Francoism after its military victory in 1939 History writing itself became a battleground and the book charts the Franco regime's attempt to appropriate the past It also indicates its ultimate failure as evident in new writings on the war and above all in the return of Republican memory now occurring in Spain during the opening years of the twenty first century ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **The Spanish Civil War** Andrew Forrest, 2000 With this volume Andrew Forrest explores the long term background and European context of the Spanish Civil War and also offers a discussion on the larger themes of monarchism revolution and fascism **The Spanish Civil War** Charles J Esdaile, 2018-10-10 The Spanish Civil War A Military History takes a new military approach to the conflict that tore Spain apart from 1936 to 1939 In many histories the war has been treated as a primarily political event with the military narrative subsumed into a much broader picture of the Spain of 1936-9 in which the chief themes are revolution and counter revolution While remaining conscious of the politics of the struggle this book looks at the war as above all a military event and as one in whose outbreak specifically military issues particularly the split in the armed forces produced by the long struggle in Morocco 1909-27 were fundamental Across nine chapters that consider the war from beginning to endgame Charles J Esdaile revisits traditional themes from a new perspective deconstructs many epics and puts received ideas to the test as well as introducing readers to foreign language historiography that has previously been largely inaccessible to an anglophone audience In taking this new approach The Spanish Civil War A Military History is essential reading for all students of twentieth century Spain **Spain in Arms** E. R. Hooton, 2019-02-19 This detailed military history

of the Spanish Civil War dispels long held misconceptions and sheds significant new light on the conflict Spain in Arms chronicles the development of the Spanish Civil War on the battlefield examining eight campaigns waged between 1937 and 1939 Through detailed analysis it demonstrates how many accounts of military operations during this conflict are based upon half truths and propaganda From the Madrid Front to the Catalonia Offensive each campaign is chronicled with special focus on the weapons and tactics used as well as the moment to moment decisions of both Republican and Nationalist generals Hooton also sheds light on the true extent of foreign intervention in the conflict Using British and French archives he produces a more accurate and radically different account of the battles and the factors that shaped them Ultimately Hooton reveals the superiority of the Nationalist alliance in both training and overall command Spain in Arms draws on specialized German Italian and Russian works and is the first book to quote secret data about Italian air operations intercepted by the British A magisterial work of military history it combines detailed analysis with historical context showing how the events of the Spanish civil War provide a link between the First and Second World Wars The Spanish Civil War, 1986

Hitler and Spain Robert H. Whealey, 2021-05-11 An imperative starting point of any future inquiry concerning Nazi Germany's incursion into and manipulation of Spain's civil strife International History Review The Spanish Civil War begun in July 1936 was a preliminary round of World War II Hitler's and Mussolini's cooperation with General Franco resulted in the Axis agreement of October 1936 and the subsequent Pact of Steel of May 1939 immediately following the end of the Civil War This study presents comprehensive documentation of Hitler's use of the upheaval in Spain to strengthen the Third Reich diplomatically ideologically economically and militarily While the last great cause drew all eyes to Western Europe and divided the British and especially the French internally Hitler could pursue territorial gains in Eastern Europe This book based on little known German records and recently opened Spanish archives fills a major gap in our understanding of one of the twentieth century's most significant conflicts Its comprehensive treatment of German Spanish relations from 1936 through 1939 bringing together diplomatic economic military and naval aspects will be of great value to specialists in European diplomacy and the political economy of Nazi imperialism as well as to all students of the Spanish Civil War A major contribution to understanding not only the Spanish conflict but also the history of the thirties and in particular the failure of Britain France and the Soviet Union to make common cause against fascist powers History Workshop Journal Living the Death of Democracy in Spain Susana Belenguer, Ciaran Cosgrove, James Whiston, 2017-10-02 This volume brings together new interdisciplinary perspectives on the Spanish Civil War its victims its contentious ending and its aftermath In exploring the slow demise of the Spanish Republic and the course of the Civil War the authors have chosen to range in turn over cinematic literary and historical depictions of the era In addition reactions elsewhere in Europe to the Spanish conflict are examined the role of the International Brigades is looked at afresh the fate of children displaced during the Civil War is explored and the Spanish anarcho syndicalist movement is revisited The volume shows that to be any kind of soldier in the

armies of the Republic or even to be seen as a Republican sympathiser was to become a non person in the new order in Spain under Franco and sets what supporters of the Republic had to endure within the wider European and international context of the period This book offers timely fresh insights into the failure of the Spanish Republic and into a society that tried in vain to unite its divided people during what was a seismic era in Spain s history This book was originally published as a special issue of Bulletin of Spanish Studies

Historical Dictionary of the Spanish Civil War Francisco J. Romero Salvadó,2013-03-14 The Historical Dictionary of the Spanish Civil War covers the history of the war through a chronology an introductory essay appendixes maps and an extensive bibliography The dictionary section has over 600 cross referenced entries on persons places events institutions

Spain's Civil War Harry Browne,2014-09-25 This study offers a succinct analysis of a critical period in Spain s history It assesses the causes and course of the Civil War and covers Franco s New Spain For the Second Edition there is a fuller examination of the politics of the Second Republic and the regional and social bases of Spain s political parties There is also a more detailed account of the military conduct of the war and of the extent of international involvement

The Spanish Civil War Alun Kenwood,1993-04 The Spanish Civil War became the pivotal political and cultural event of the 1930s and inspired a generation of writers and artists This book brings together an unprecedented wealth of historical and literary documents British French German North American many of which have never before appeared in English translation and offers a full and balanced representation of Nationalist writing A chronological table of events and glossary of the leading political figures and organisations is included
