on the Verge of a Nervous Breakdown with his production company El Deseo's first venture into TV production the 2006 series also known as Mujeres Women It also reclaims the lost history of female flat share comedy on Spanish TV from the 1960s to the present day It examines a wide range of prize winning workplace drama on TV from police shows to hospital and legal series Amen bar's Mar adentro The Sea Inside an Oscar winning film on the theme of euthanasia is contrasted with its antecedent an episode of national network Tele5's top rated drama Periodistas The book also traces the attempt to establish a Latin American genre the telenovela in the very different context of Spanish scheduling Finally it proposes two new terms Auteur TV charts the careers of creators who have established distinctive profiles in television over decades sitcom cinema charts conversely the incursion of television aesthetics and economics into the film comedies that have proved amongst the most popular features at the Spanish box office in the last decade
