Spanish Civil War And The British Labour Movement

Pilar Ortuño Anaya

Spanish Civil War And The British Labour Movement:

The Spanish Civil War and the British Labour Movement Tom Buchanan, 1991-02-21 This book draws on a mass of documentary material to provide a major reinterpretation of British labour's response to the Spanish Civil War. It challenges the view that the labour leadership betrayed the Spanish Republic and that this polarised the movement along left versus right lines. Instead, it argues that the overriding concern of the major leaders was to defend labour's institutional interests against the political destabilisation caused by the conflict rather than to defend Spanish democracy. Although the main advocates of this position were trade union leaders associated with the labour right such as Walter Citrine and Ernest Bevin, the book argues that their dominance reflected the centrality of the trade unions to labour movement decision making rather than the abuse of union power to achieve political goals.

The Spanish Civil War and the British Left Lewis Mates, 2007-12-19 Was the British left's support for the anti-Franco cause the most outstanding example of international solidarity in British history? Here Lewis Mates considers this claim and argues that support for the anti-Franco cause was varied and multi-faceted. He analyses the Aid Spain movement activities undertaken at grassroots level in support of the Spanish Republic. He explores the nature of grassroots support, its extent and depth, the motivations of activists, the institutions they operated through and, importantly, the role and impact of ideas on activism. Those within the British Left who did not embrace the Republic's cause are also examined, as are the consequences of these divisions for the labour movement at its different levels, from grassroots to national. Mates provides new perspectives on an important period of twentieth-century British history, contributing to debates about the nature of the British left, grassroots activism and popular political engagement in a contradictory epoch.

Britain and the Spanish Civil War Tom Buchanan, 1997-08-28 This book offers an interpretation of a foreign conflict that has had a greater impact on modern British politics than any other.

British Women and the Spanish Civil War Angela Jackson, 2003-09-02 Through oral and written narratives, this book examines the interaction between women and the war in Spain, their motivation, the distinctive form of their involvement and the effect of the war on their individual lives. These themes are related to wider issues such as the nature of memory and the role of women within the public sphere. The extent to which women engaged with this cause surpasses by far other instances of female mobilization in peace-time Britain. Such a phenomenon therefore can offer lessons to those who would wish to encourage a greater degree of interest amongst women in political activities today.

The Impact of the Spanish Civil War on Britain Tom Buchanan, 2006-11-27 Explores the relationship between Britain and the Spanish Civil War. This book explains the war's legacy and longer-term impact on Britain and presents a chronological progression from the Civil War to the post-war Franco era. It also provides a discussion of the importance of loss and memory.

Labour and Spain, 1977 Scots and the Spanish Civil War Raeburn Fraser Raeburn, 2020-09-25 Few causes before or since have inspired such passion, determination and sacrifice as the Spanish Civil War, 1936-9. This book explores the many ways in which Scots responded

to the war in Spain covering the activists and humanitarians who raised funds and awareness at home as well as the hundreds of Scots who journeyed to Spain to fight as part of the International Brigades Their stories reflect much larger narratives of the rise of European fascism the networks and cultures of international communism and the wider modern phenomenon of transnational foreign fighters Scots and the Spanish Civil War is a groundbreaking study of Scottish involvement in one of the 20th century s most famous and divisive conflicts drawing on newly declassified government documents and international archives in Spain and beyond As well as shedding new light on Scottish politics in the 1930s Fraser Raeburn argues that this case study part of the largest wave of foreign war volunteering in the 20th century can help us understand other such mobilisations past and present

British Volunteers in the Spanish Civil War Richard Baxell,2004-07-31 During the Spanish Civil War of 1936 1939 almost 2 500 men and women left Britain to fight for the Spanish Republic This book examines the role experiences and contribution of the volunteers who fought in the British Battalion of the 15 International Brigades asking Who were these volunteers Where did they come from Why did they go to Spain How much did they actually help the Spanish Republic In contrast to recent revisionist interpretations this work stresses the crucial importance of the war experience itself rather than political ideology in the understanding of the volunteers role and experiences within the Spanish war This book will be of essential interest to historians and those interested in the Spanish Civil War

With God on Our Side Ben Edwards,2013-07-29 This book uses Christian reactions to the Spanish Civil War to analyse the role and importance of Christianity in interwar Britain This conflict is used as a proxy through which to discuss the status of Christianity in Britain because the Nationalists claimed to be fighting a Holy War against communist atheism This representation meant that the conflict was of considerable interest to Christians in Britain British Christians frequently used the war in Spain to discuss their broader concerns Many leading Catholics and fascistic Protestants argued that the events in Spain were an exaggerated form of the communist threat to Britain by contrast many Protestants used the war to voice their wider criticisms of Catholicism Catholics responded to these chastisements by reasserting that members of their faith were patriots who resisted communist internationalism and atheism Christian responses to the war therefore increased pre existing tension between Protestantism and Catholicism Similarly Catholicism s already difficult relationship with Labour was adversely affected by these movements reactions to the conflict Labour s involvement with the Basque children operations showed that it wanted to maintain relatively harmonious relations with Catholicism but these efforts were unsuccessful Ultimately this study uses British Christian reactions to the Spanish Civil War to indicate that Christianity was actually an important aspect of interwar British society

“Spain Mad”: British Engagement with the Spanish Civil War Tom Buchanan,2024-06-15 Taking inspiration from a police informer s comment that his workmates had gone Spain mad in response to the Spanish Civil War this book uses biographical studies to explore the nature of British engagement with the conflict The opening chapter presents a general analysis of the subject and assesses

the available evidence Some 2400 Britons volunteered to fight in the conflict and some 500 died there Accordingly the International Brigades are well represented in the book with chapters on two of the commanders of the British Battalion Wilfred Macartney and Fred Copeman and the Anglo Canadian volunteer Frank Whitfield Two of the other subjects George Orwell and Felicia Browne fought in other units However the book shows that engagement in the Civil War could take many forms hence the chapters on the journalist Philip Jordan clergyman E O Iredell and the humanitarian activist and politician G T Garratt The remaining chapters look at three historians and writers who have shaped the understanding of the Civil War in Britain Orwell Hugh Thomas and Jim Fyrrth The book is based on extensive new research and many of these subjects have never previously been studied in any depth

British Labour Seeks a Foreign Policy, 1900-1940 Henry Winkler, 2017-10-24 Since World War II the British Labour Party has played a central role in dealing with complex international issues Achieving real power in parliament for the first time Labour governments have acted responsibly and are usually in accord with the views of a substantial majority of the British people Such was not always the case In **British Labour Seeks a Foreign Policy 1900 1940** Henry R Winkler synthesizes twenty years study of the subject to offer the first full scale treatment of the Labour Party s evolution in foreign affairs The Labour Party came into existence at the beginning of the twentieth century to deal with the domestic problems of the working class and it showed relatively little interest in foreign policy issues In the aftermath of World War I however small groups of moderates made the case against the bitter rejection of the Versailles Treaty by many in the Labour Party and the trade union movement Most of these argued that the League of Nations could be used to remedy some of the deficiencies of the settlement and that such a League must have the sanction of force if it was to be effective During the 1930s the failures of the League in the Far East Abyssinia Spain and Central Europe compelled some of its advocates to conclude that League or no League the threat from Nazi Germany mandated support for a program of preparedness and rearmament even under the aegis of a hated National Government The result by 1937 was the final formal abandonment of many of the radical illusions of the twenties and thirties as Labour reluctantly but formally assumed a posture that enabled it to share in the governance of wartime Britain and to take a key role in dealing with the international issues that emerged in the aftermath of the Second World War This volume contains valuable lessons on the responsibilities of political parties as well as the pros and cons of specific policies It is essential reading for understanding Britain s later stands as its leaders tried to adjust to Britain s diminished power in the post World War II world

The Spanish Civil War Andy Durgan, 2007-06-21 Andy Durgan provides a clear introductory overview and evaluation of the key debates and recent research on the origins outbreak course and implications of the Spanish Civil War including the impact of foreign powers the socio political situation the Republican failure and Nationalist success and the nature of the emerging Franco regime

Into the Heart of the Fire James K. Hopkins, 1998 This book examines the experience of the British volunteers in the Spanish Civil War and places them in a broad intellectual political social and cultural framework

Historical Dictionary of the Spanish Civil War Francisco J. Romero Salvadó, 2013-03-14 The Historical Dictionary of the Spanish Civil War covers the history of the war through a chronology an introductory essay appendixes maps and an extensive bibliography The dictionary section has over 600 cross referenced entries on persons places events institutions

The Spanish Civil War Paul Preston, 2012-08-27 The definitive work on the Spanish Civil War a classic of modern historical scholarship and a masterful narrative Paul Preston is the world's foremost historian of Spain This surging history recounts the struggles of the 1936 war in which more than 3 000 Americans took up arms Tracking the emergence of Francisco Franco's brutal and ultimately extraordinarily durable fascist dictatorship Preston assesses the ways in which the Spanish Civil War presaged the Second World War that ensued so rapidly after it The attempted social revolution in Spain awakened progressive hopes during the Depression but the conflict quickly escalated into a new and horrific form of warfare As Preston shows the unprecedented levels of brutality were burned into the American consciousness as never before by the revolutionary war reporting of Ernest Hemingway John Dos Passos Herbert Matthews Vincent Sheean Louis Fischer and many others Completely revised including previously unseen material on Franco's treatment of women in wartime prisons The Spanish Civil War is a classic work on this pivotal epoch in the twentieth century **FDR and the Spanish Civil War**

Dominic Tierney, 2007-07-02 Provides new understanding of Franklin Roosevelt's involvement in the Spanish Civil War claiming that he was activist and pro Loyalist **George Orwell** Robert Colls, 2013-10 A journey through the life and thought of George Orwell from public school satirist and imperial policeman to Animal Farm and Nineteen Eighty Four

The Spanish Civil War Burnett Bolloten, 2015-12-01 This monumental book offers a comprehensive history and analysis of Republican political life during the Spanish Civil War Completed by Burnett Bolloten just before his death in 1987 and first published in English in 1991 The Spanish Civil War is the culmination of fifty years of dedicated and painstaking research and is the most exhaustive study on the subject in any language It has been regarded as the authoritative political history of the war and an indispensable encyclopedic guide to Republican affairs during the Spanish conflict This new edition includes a new introduction by Spanish Civil War scholar George Esenwein an updated bibliography featuring books on the Spanish Civil War published since 1987 and seventy three photos of the war's participants *European Socialists and Spain* Pilar

Ortuño Anaya, 2001-12-14 Pilar Ortuño Anaya breaks new ground in the study of the international dimensions of the Spanish transition to democracy She argues that specific individuals and organizations made a significant contribution to the democratization process Dr Ortuño Anaya establishes for the first time the role played by European socialist and trade union organizations in particular the German Social Democratic Party and its affiliated unions the Labour movements in the United Kingdom and the French Socialists *'Red Ellen'* Wilkinson Matt Perry, 2015-07-01 Unearthing new evidence to provide a richer understanding of her life this study now available in paperback delves beyond the familiar image of Ellen Wilkinson on the Jarrow Crusade From a humble background she ascended to the rank of minister in the 1945 Labour government Yet she

was much more than a conventional Labour politician. She wrote journalism, political theory and novels. She was both a socialist and a feminist; at times she described herself as a revolutionary. She experienced Soviet Russia, the Indian civil disobedience campaign, the Spanish Civil War and the Third Reich. This study deploys transnational and social movement theory perspectives to grapple with the complex itinerary of her ideas. Interest in Wilkinson remains strong among academic and non-academic audiences alike. This is in part because her principal concerns—working class representation, the status of women, capitalist crisis, war, anti-fascism—remain central to contentious politics today.

Spanish Civil War And The British Labour Movement Introduction

In today's digital age, the availability of Spanish Civil War And The British Labour Movement books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Spanish Civil War And The British Labour Movement books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Spanish Civil War And The British Labour Movement books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Spanish Civil War And The British Labour Movement versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Spanish Civil War And The British Labour Movement books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Spanish Civil War And The British Labour Movement books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Spanish Civil War And The British Labour Movement books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Spanish Civil War And The British Labour Movement books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Spanish Civil War And The British Labour Movement books and manuals for download and embark on your journey of knowledge?

FAQs About Spanish Civil War And The British Labour Movement Books

1. Where can I buy Spanish Civil War And The British Labour Movement books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
