These Precious People Frances Cruz Espinosa,2007-10 *Raising Bilingual Children* Maritere Rodriguez

Bellas,2014-09-02 For most immigrant parents in America today raising bilingual children is not a choice or a decision but rather a way of life Yet teaching children their parents native language often comes second to ensuring they are proficient in English so they can thrive in school and later reach leadership positions in the workplace In addition the task of teaching two or more languages can be overwhelming leaving many of us wondering where to start Raising Bilingual Children is here to help with easy practical steps for children of every age and stage in life Author and parenting expert Mari Bellas provides answers to questions such as What do I do when my five year old doesn t want to speak Spanish at home My husband doesn t speak Korean so how do we find common ground to raise our kids with two languages My child is two years old and not speaking in either of the two languages we speak at home should I be concerned Whether your native language is Spanish Filipino Korean Chinese or French it is natural to want our children to communicate in the language we were born with Raising Bilingual Children is the ultimate guidebook for busy parents looking for advice and direction about the everyday challenges and joys of raising a bilingual child *Traveling the Shore of the Spanish Sea* Geoff Winningham,2010-02-15 In a work of sweeping breadth and beauty Geoff Winningham has created a profusely illustrated contemplative travel journal that showcases his talent as both a photographer and a writer and reveals his affection and respect for the two countries he calls home In 2003 photographer Geoff Winningham saw for the first time both the southern coast of Veracruz with its volcanoes rain forests and steep mountains and the Texas coast near High Island where the land seems to stretch endlessly covered by a sea of salt grass He decided that these two visually striking areas could be the beginning and end points of a photographic study that would also engage the two cultures in which he had lived for twenty years the U S and Mexico Now seven years and more than a hundred trips later Traveling the Shore of the Spanish Sea The Gulf Coast of Texas and Mexico is the result In this beautifully illustrated and engagingly written book Winningham also considers the role that the Gulf of Mexico played in the discovery and exploration of the New World Winningham s journey begins east of High Island in Port Arthur where the images suggest a cautionary tale relating to the oil industry and the land It ends twelve hundred miles down the coast at the end of an old stone road in tropical terrain of almost indescribable beauty overlooking the sea In between more than two

hundred photographs include natural landscapes ranging from unspoiled to completely despoiled roadside architecture and signage and images of people Winningham met As he attempts to come to terms with the disturbing changes he witnessed to the coastal environment the book also contains elements of a poignant personal lament for what is being lost Traveling the Shore of the Spanish Sea The Gulf Coast of Texas and Mexico will delight and enchant readers with its deeply felt personal narrative and the power and beauty of its images **Believe Kids' Edition** Zondervan,2015-06-02 You know the story of the Bible but do you know what it means This kids edition of Believe teaches you the core beliefs practices and characteristics of Jesus followers so that you can understand how to live out God s story in your own life today As you walk through the three big categories beliefs practices and virtues you ll begin a journey that will take you closer to the heart of Jesus and deeper into the words of Scripture You ll learn what the Bible has to say about everything from the nature of God and the identity of Jesus to prayer worship and the fruit of the Spirit Each big category is divided into ten topics to give you an up close look at the important things God wants you to know From bestselling author and pastor Randy Frazee the Believe Kids Edition will take you on a step by step tour through the Bible and show you how to think act and be more like Jesus
