Sparks In The Night:

The Night Hunter Russ Williams, 2009-07-31 This novel by Russ Williams presents an apocalyptic view of a small town turned upside down by a natural disaster. Action and human drama come together to force members of this shaken community to live or die while facing horrific challenges, natural and supernatural. There's a doctor, a lawyer, a priest, a saloon keeper, a sheriff, a mayor, lovers, young and old, as well as the rich and the poor. All must band together to survive. Here is a preview: The president's voice crackled over the battery-powered radio. My fellow Americans, I regret bearing such terrible news, but most of our nation is buried beneath snow left by this monumental blizzard. I have declared a state of emergency and martial law and moved the Congress and executive branch to a provisional government center in Jacksonville, Florida. Much of the rest of our country is covered with fifty or more feet of snow. I have ordered the U.S. armed services to begin digging out our large cities, but I ask those of you in outlying areas to take heart and have courage. We will try to rescue you as soon as we can and return local and national services to normal whenever possible. Until then, I ask you please remain calm and conserve your resources. Help is on the way. I repeat, help is on the way. But what about us? the girl screamed. We're trapped here in the middle of nowhere. How long will it take them to reach us, this far up in the mountains? Weeks? Months? Are we all going to die? A small band of people gathered around the radio and tried to give her comfort, but they had no answers. All they could do was wait and hope. So begins their time of terror in *The Night Hunter*, a mysterious tale of adventure and romance in an isolated village haunted by the unknown. To survive, these people have to struggle against the winter forces of nature gone wild. Yet the ones who live must fight the ultimate battle against their own weaknesses and desires as they come face to face with The Night Hunter. Supreme Court Appellate Division, **On a Starry Night** Kate Hodges, 2020-04-28

The sun has gone down, but that doesn't mean that family fun has to come to an end. *On a Starry Night* is an inspiring collection of 52 things to do, make, and play when there's very little or no natural light and the evenings feel long and empty. There's something incredibly alluring about playing after dark for kids; it feels grown-up, exciting, and a little bit scary. This will include ideas for indoor and outdoor fun, things to do in all seasons, and ideas that will work whether you live in a city, town, or country. It will inspire parents to go beyond sitting their kids in front of the TV and to take back the night and be creative with their evenings as a family. Fun, light, but with plenty of practical information, this book will include checklists, box outs, and spaces to make notes and scribble. It'll be aimed at families but simple enough for older children to read and enjoy.

Night of the Raven Jenna Ryan, 2014-10-21 Temporary police chief Ethan McVey tries to keep Amara Bellam safe from harm and solve the recent murders, all while avoiding their possible ties to a local legend. The Night Bus Hero Onjali Q. Raúf, 2022-02-08 What does it take to turn a bully into a hero? Empathy and the power of forgiveness take center stage in this poignant novel by the award-winning author of *The Boy at the Back of the Class*. Getting in trouble is what Hector does best. He knows that not much is expected of him. In fact, he gets some of his most brilliant prank ideas while sitting in detention.

But how far is too far When Hector plays a prank on a homeless man and is seen and shamed by a schoolmate he reaches a turning point He wants to be viewed differently and decides to do something that will change his fate for the better But will anyone take him seriously This moving story told with humor and heart presents readers with some recognizable characters like a bully and a teacher s pet and introduces them to some they may not be so familiar with like those who are homeless who live on the street and whose stories are equally meaningful and important Readers will feel motivated to see the best in others and hopeful that bad things can be overcome with effort

Lihou,2007-11-30 During 1944 and 1945 the squadrons of 205 Group were launching air attacks from bases in Italy In many ways their efforts were the same as those of aircrew attached to Bomber Command in Britain yet conditions for the men were very different The men fought their war as much against the weather as against the enemy The Wimpy as the Wellington was affectionately known had been operational when war was declared and five years on their young crews were still taking them into battle Maurice Lihou joined the RAF in 1939 just before the outbreak of war He trained as a wireless operator to become aircrew but found himself working in ground stations He decided to re muster as a pilot and completed his training in Canada where he was awarded his wings He soon became captain of an aircraft and ferried a Wellington to North Africa He was then posted to Italy and joined No 37 Squadron becoming involved in various operations to harass the retreating German army
