

SPATIAL POEM

The series of SPATIAL POEM which was started in 1965 and done by now up to No. 3 will be continued under a new project.

This series consists of nine events which include the similar character of space.

And when all of the events are finished, whole reports from the participant will be edited and published in a book, though we just made a map for each of the POEM No. 1, 2, 3.

I hope you would keep participating in this series and your performances over the world would present a poetic panorama.
