

"Let the Radicals cease their brawl about a solid South. She is solid, thank God! She was solid for JERRY DAVIS in 1848, and we will be solid for HANCOCK in 1880."—J. C. HANCOCK.

"You may depend upon it, sir, that, 'Yank' or no 'Yank,' if elected, the old boys of the South will see that HANCOCK does the fair thing by them. In other words, he will run the machine to suit them, or they will run the thing themselves. They are not going to be played with any longer."—ROBERT TOOMBS.

"Master and Slave"... Robert Seth McCallen,1907 *Black Slaveowners* Larry Koger,2010-03-22 Drawing on the federal census wills mortgage bills of sale tax returns and newspaper advertisements this authoritative study describes the nature of African American slaveholding its complexity and its rationales It reveals how some African American slave masters had earned their freedom and how some free Blacks purchased slaves for their own use The book provides a fresh perspective on slavery in the antebellum South and underscores the importance of African Americans in the history of American slavery The book also paints a picture of the complex social dynamics between free and enslaved Blacks and between Black and white slaveowners It illuminates the motivations behind African American slaveholding including attempts to create or maintain independence to accumulate wealth and to protect family members and sheds light on the harsh realities of slavery for both Black masters and Black slaves **BLACK SLAVEOWNERS** Shows how some African Americans became slave masters **MOTIVATIONS FOR SLAVEHOLDING** Highlights the motivations behind African American slaveholding **SOCIAL DYNAMICS** Sheds light on the complex social dynamics between free and enslaved Blacks **ANEBELLUM SOUTH** Provides a perspective on slavery in the antebellum South *Slaves of One Master* Matthew S. Hopper,2015-01-01 Matthew S Hopper s wide ranging history of the African diaspora and slavery in Arabia in the nineteenth and early twentieth centuries examines the interconnected themes of enslavement globalization and empire and challenges previously held conventions regarding Middle Eastern slavery and British imperialism Linking the personal stories of enslaved Africans to the impersonal global commodity chains their labor enabled this provocative and deeply researched study contradicts the conventional historiography that regards the Indian Ocean slave trade as fundamentally different from its Atlantic counterpart and disputes the triumphalist antislavery narrative that attributes the end of the East African Persian Gulf slave trade to the efforts of the British Royal Navy **Immediate Emancipation Safe and Profitable for Masters;-happy for Slaves;-right in Government;-advantageous to the Nation;-would Interfere with No Feelings But Such as are Destructive;-cannot be Postponed Without Continually Increasing Danger. An Outline for It, and Remarks on Compensation** Charles Stuart,1838 **Masters & Slaves in the House of the Lord** John B. Boles,1988-01-01 Much that is commonly accepted about slavery and religion in the Old South is challenged in this significant book The eight essays included here show that throughout the antebellum period southern whites and blacks worshipped together heard the same sermons took communion and were baptized together were subject to the same church discipline and were buried in the same cemeteries What was the black perception of white controlled religious ceremonies How did whites reconcile their faith with their racism Why did freedmen as soon as possible after the Civil War withdraw from the biracial churches and establish black denominations This book is essential reading for historians of religion the South and the Afro American experience *A Slave's Place, A Master's World* Nancy Priscilla Naro,2016-10-06 A Slave s

Place A Master s World based on original field research evaluates the transition from slave to free labour in rural Brazil highlighting the ways in which slaves free farmers freedmen and planters shaped the labour markets of an agrarian economy Documentation from two areas in the Rio de Janeiro hinterland provides the foundation for comparisons between slavery in Vassouras a highland town where coffee was produced for the export market and Rio Bonito a lowland town where coffee and foodstuffs were marketed regionally The book examines the settlement processes in both towns the marginalization of indigenous tribes the onset of slave labour and the de facto and de jure claims to land as planters small producers and slaves forged the bases of rural society A feature of the book is the detailed study of the link with the African past during the transition process when African languages customs and religion and social and work related networks were increasingly juxtaposed with master class practices on the fazendas
