Smallest Whale:

Porpoise, Dolphin, and Small Whale Fisheries of the World Edward D. Mitchell, 1975 Review of existing information on small whale fisheries of the world with catch statistics and biological data Includes extensive bibliography **Dwarf Sperm Whales** Kristin Petrie, 2005-08-15 Whales are among the largest animals on earth How amazing that a big whale can jump out of the water and fly over the rope at the water park Readers learn about the many types of whales and how to identify them Whales & Dolphins of the North American Pacific Graeme Cresswell, Dylan Walker, Todd Pusser, 2007 The innovative easy to use format aims to help whalewatchers identify any species they encounter whether they are beginners or experts *Proceedings of the Pacific Science Congress*, 1928 Vols for 1st 9th congresses include full proceedings for 10th partial proceedings for 11th abstracts of papers only Selected papers of individual symposia of the congresses published separately and in various journals **The Smallest Whale** Elisabeth Beresford, 1996-04-30 The smallest whale has strayed away from his mother The singing of a whale sounds like the engine of a fishing boat so he follows a boat past the lighthouse into the harbour and onto the pebble beach Can Josh and his friends keep the smallest whale alive until the tide comes in again **The North American Indian: The Nootka. The Haida** Edward S. Curtis, 1916 A comprehensive and permanent record of all the important tribes of the United States and Alaska that still retain to a considerable degree their primitive customs and traditions The value of such a work in great measure will lie in the breadth of its treatment in its wealth of illustration and in the fact that it represents the result of personal study of a people who are rapidly losing the traces of their aboriginal character and who are destined ultimately to become assimilated with the superior race It has been the aim to picture all features of the Indian life and environment types of the young and the old with their habitations industries ceremonies games and everyday customs Though the treatment accorded the Indians by those who lay claim to civilization and Christianity has in many cases been worse than criminal a rehearsal of these wrongs does not properly find a place here General introduction *Fish Bulletin* California. Dept. of Fish and Game, 1913 **Fish Bulletin** California. Division of Fish and Game, 1913 *History and description of the skeleton of a new sperm whale, lately set up in the Australian Museum* William S.
