Since World War II. Joseph Mark Conte,1996 Bibliographical biographical and evaluative commentary of contemporary American poets who published since 1945 **The Pursuit of Myth in the Poetry of Frank O'Hara, Ted Berrigan and**

John Forbes Duncan Hose,2022-04-04 The Pursuit of Myth in the Poetry of Frank O Hara Ted Berrigan and John Forbes traces a tradition of revolutionary self mythologising in the lives and works of Frank O Hara Ted Berrigan and John Forbes as a significant trefoil in twentieth century English language poetry All three had untimely deaths excited a collective homage and developed cult followings that reverberate today This book tracks the transmission of the poem as charm the poet as charmer and the reinstitution of troubadour erotics as a kind of social poetics Starting with Orpheus the book refreshes the myth of the poet as mythmaker examining how myths of self and nation are regenerated for the twenty first century and how persons as myths are made in community through coteries of artists and beyond Duncan Bruce Hose s critical vocabulary with its nucleus of mythos searches the edges of phenomenal enquiry closing in on the work of glamour aura charm possession phantasm the daemonic and the logic of haunting in the continuing being of these three poets as charismatic animals **One Poem in Search of a Translator** Eugenia Loffredo,Manuela Perteghella,2009 Translation is a journey a

journey undertaken by the text hopping around the world and mischievously border crossing from one language to another

from one culture to another For a translator this journey can become a truly creative engagement with the otherness of the source text an experience of self discovery leading to understanding and enrichment and ultimately towards a new text This singular literary experiment intends to magnify the idiosyncrasy of this translational journey In the process translation reveals itself as an increasingly creative activity rather than simply a linguistic transfer This volume consists of twelve translations of one poem *Les Fen tres* by the French poet Apollinaire The translators embarking on this project all from different backgrounds and working contexts poets professional translators academics visual artists were asked to engage with the inherent multimodality of this poem inspired by Robert Delaunay s *Les Fen tres* series of paintings The result is a kaleidoscopic diversity of approaches and final products Each translation is accompanied by self reflective commentary which provides insight into the complex process and experience of translation enticing the reader to join this journey too
