**Ted Studebaker** Joy Hofacker Moore, 2017-10-17 This is a biographical storybook about Ted Studebaker Ted grew up on a farm in western Ohio He won awards as an athlete and was active in the local Church of the Brethren In college Ted studied subjects that would help him understand and serve the needs of other people Many persons Ted's age were in the Army the Air Force the Navy or the Marines But Ted was not interested in being a soldier As a Christian he wanted to follow Jesus example and teachings to love all people even enemies and to return good for evil Ted volunteered to serve his country for two years in a way that would help other people rather than hurt or kill them He knew he was in danger But doing what he felt was right was more important to Ted than his personal safety This book will appeal to the child listening to the story as well as to the adult reading it The story of Ted Studebaker provides a positive role model for living peacefully with others The author says It has been my experience that when a child and an adult can share a literary experience deeply a special bond develops as they discuss what they have read I perceive this book as one that touches all persons from the two year old who becomes excited about the tractor to the adult who marvels at Ted's faithfulness Different portions of the book appeal to different developmental levels allowing the book's significance to mature with the child **Ted Studebaker** Joy Hofacker Moore, 1987-01-01 Traces the life of a conscientious objector who followed his religious beliefs in choosing not to fight volunteered to serve in Vietnam as an agriculturist and was killed by the Viet Cong **Ted Allen Studebaker** Gary W. Studebaker, Douglas E. Studebaker, 2017-04-12 Ted Studebaker a true peace hero worked for peace through nonviolence By doing so he left a peacemaking legacy that continues to impact mankind through the ages He was a volunteer agriculturalist in the highlands of Vietnam during the war As he began his third year of work he married the love of his life Pakdy a Chinese coworker One week after their marriage Vietnamese forces opposing the Americans entered their house where they killed him Ted was fully prepared and armed with confidence for the work that God had set before him He was totally committed to give of himself without reservation Ted gratefully acknowledged his government's position of accepting alternative service to serve mankind as opposed to military service He wrote to his draft board I don't feel unpatriotic or disloyal to my country However I do think there are certain rights beliefs and values to which one should be more devoted to than his country if he has arrived at them through conscientious thought learning and experience Ted was aware of the opposition he would face for his peacemaking stand yet he was true to his beliefs In doing so he remains an enduring force for peace Everything is Copacetic: The Life of Stanley Studebaker Gary W.
