heart honesty of intention and imagination He is especially interested in the issues of illness aging and mortality and how we shape a less public but deeper and more personal faith from such experiences Nickerson jokingly says There s something in this book to offend everybody and something that will encourage anybody Teddy's Child Virginia Van der Veer Hamilton,2009-01-01 Historian and biographer Virginia Hamilton explores the deep roots of family and place in her coming of age memoir set in Birmingham Alabama in the period between World Wars I and II The Adventures of Sofia the Teddy Bear!
