Teddy's Special Child Lucille Marano,2020-09-02 A lonely tiny teddy bear just wants to go home to a special child for Christmas whom he can love but he feels he is too tiny for anyone Follow him from the grocery store to Toys for Tots and into a home of a challenged special child who loves to share him with her baby sister *Papa's Baby* Browne Lewis,2012-07-03 When a child is conceived from sexual intercourse between a married heterosexual couple the child has a legal father and mother Whatever may happen thereafter the child s parents are legally bound to provide for their child and if they don t they re held accountable by law But what about children created by artificial insemination When it comes to paternity the law is full of gray areas resulting in many cases where children have no legal fathers In *Papa s Baby* Browne C Lewis argues that the courts should take steps to insure that all children have at least two legal parents Additionally state legislatures should recognize that more than one class of fathers may exist and allocate paternal responsibility based again upon the best interest of the child Lewis supplements her argument with concrete methods for dealing with different types of cases including anonymous and non anonymous sperm donors married and unmarried women and lesbian couples In so doing she first establishes different types of paternity and then draws on these to create an expanded definition of paternity 125
