

GENERATION OF CRIMINALS

"In their composite case histories of the members of three actual gangs...they (the authors) reveal the vanities, greeds and passions, the dope-laden dreams and the misdirected goals of our next generation of criminals."

New York TIMES

Here is the inside story of juvenile gangs in action — their hangouts and habits, their girl friends and underworld heroes: dope peddlers and bookies, trigger-happy hoodlums and easy money boys.

No thinking American can afford to miss this frank, revealing study of one of the nation's gravest perils.

"An understandable study of one of America's gravest perils...a problem that has authorities alarmed and baffled."

Ending gang and youth violence Great Britain: Home Office,2011-11 This cross government report drawn up in close consultation with the Secretary of State for Work and Pensions and other Cabinet Ministers is seen as an important first analysis of the problem of gangs and the interventions that work It provides a platform for the intensive support that will need to be provided to the areas most affected The riots that occurred in London and other parts of England during August 2011 had a gang aspect In London one in five of those arrested in connection with the riots were known gang members Gangs and serious youth violence are seen as the product of high levels of social breakdown and disadvantage Gangs themselves create a culture of violence and criminality The report makes clear that intensive police action is needed to stop the violence and bring perpetrators to justice but this should be done alongside robust offers of support and an intensive prevention strategy The proposals are wide ranging but focus on five specific areas i providing support to local areas to tackle gang or youth violence ii prevention stopping young people becoming involved in serious violence iii pathways out offering exit strategies away from violence and gang culture iv punishment preventing the violence of those refusing to exit violent lifestyles v partnership working to join up the way local areas respond to gangs and youth violence
