Teen-agers and Sex: Revolution Or Reaction? Jack L. Nelson, 1970 **Candida Royalle and the Sexual Revolution** Jane Kamensky, 2024-03-12 Finalist for the 2024 National Book Critics Circle Award for Biography Assiduously researched elegantly written Margaret Talbot The New Yorker Acclaimed historian Jane Kamensky chronicles an indelible twentieth century American life and offers an entirely new understanding of the so called sexual revolution Whether in front of the camera or behind it Candice Vadala understood herself as both an artist and an entrepreneur As Candida Royalle 1950 2015 underground actress porn star producer of adult movies and staunch feminist she made a business of pleasure She helped crystalize the broader hedonistic turn in American life in the second half of the twentieth century a period when the rules of sex were rewritten when the white hot sex wars cleaved feminism and realigned American politics when Big Freud Big Drugs and Big Porn all came into looming focus when the sex industry of the 1970s and 80s radically upended conventional understandings of law technology culture love and human desire The sexual revolution was Royalle s war even when other avowed feminists exited the field or became her opponents and pornography emerged as the arena in which she would wage it With the founding of her adult film company Femme Productions in 1984 Royalle became an owner of the means of pornographic production infusing her sets with the ideals of labor feminism On screen and off she was by turns exuberant and thoughtful self possessed and gleefully shameless A trailblazer who lived along the cultural fault lines of her generation she danced at Woodstock marched for women s liberation survived the AIDS crisis and became a talk show regular interviewed by Phil Donahue Dr Ruth Westheimer Morton Downey Jr Jane Pauley and many others As a performer director producer and writer she moved the needle of her industry But she never transcended the politics of pleasure With full access to Royalle s remarkable archive historian Jane Kamensky has spent years examining the intersection of Royalle s life with the clashes that have defined her era and ours Deeply informed by these never before studied materials Kamensky explodes the conventions of biography with its assumptions about who makes history and how Written with cinematic verve Candida Royalle and the Sexual Revolution evokes Royalle s times in their broadest contours as Kamensky traces the rise of an improbable heroine who broke the mold and was herself broken in turn National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1971 **Sex Education and the Public Schools** Lawrence J. Haims, 1973 **Teenage intimacies** Hannah Charnock, 2025-03-25 Teenage Intimacies offers a new account of the sexual revolution in mid twentieth century England Rather than focusing on Swinging London the book reveals the transformations in social life that took place in school playgrounds local cinemas and suburban bedrooms Based on over 300 personal testimonies Teenage Intimacies traces the everyday experiences of teenage girls illuminating how romance sex and intimacy shaped their young lives The book shows how sex became embedded in ideas about growing up and explores how heterosexuality influenced young women s social lives and vice versa It offers new explanations of why sexual mores shifted in this period revealing the pivotal role

that young women played in changing sexual values cultures and practices in the 1950s 1960s and 1970s **American Evangelicals and the 1960s** Axel R. Schäfer,2013-08-23 In the late 1970s the New Christian Right emerged as a formidable political force boldly announcing itself as a unified movement representing the views of a moral majority But that movement did not spring fully formed from its predecessors American Evangelicals and the 1960s refutes the thesis that evangelical politics were a purely inflammatory backlash against the cultural and political upheaval of the decade Bringing together fresh research and innovative interpretations this book demonstrates that evangelicals actually participated in broader American developments during the long 1960s that the evangelical constituency was more diverse than often noted and that the notion of right wing evangelical politics as a backlash was a later creation serving the interests of both Republican conservative alliances and their critics Evangelicalism s involvement with rather than its reaction against the main social movements public policy initiatives and cultural transformations of the 1960s proved significant in its 1970s political ascendance Twelve essays that range thematically from the oil industry to prison ministry and from American counterculture to the Second Vatican Council depict modern evangelicalism both as a religious movement with its own internal dynamics and as one fully integrated into general American history Sex Education in the Eighties Lorna Brown,2012-12-06 The odd reader here in England odd means occasional may be interested in how a book comes about Members of the SIECUS Board of Directors were planning a Festschrift and dinner for Mary Calderone on the occasion of her 75th birthday One planning idea was to have a booklet filled with brief essays from prominent sex educators distributed between the roast beef and the ice cream My reaction was that such souvenirs find their burial place in the same dusty drawer as the program from the high school prom and ticket stubs from South Pacific I suggested a more lasting noticeable monument a proper as the English say book which would draw contributions from both SIECUS and non SIECUS scholars 1 was too clever to be trapped as editor in a 1974 preface I had written I swore 1 wouldn t edit another book And so I seduced Lorna Brown into being editor I contacted a few potential contributors suggested a few others convinced Leonard Pace at Plenum Press that this was a worthwhile venture and left the country To my amazement six months after settling in Cambridge England the rough draft of the book arrived along with a reminder from Lorna that during the seduction I had promised to write an Introduction

Sexuality in Adolescence Susan Moore,Doreen Rosenthal,1993 Susan Moore and Doreen Rosenthal review current work on adolescent sexual development including data from their own studies on sexual risk taking and the social contexts in which young people form their sexual beliefs **When Boys Become Parents** Mark S. Kiselica,2011 Kiselica dispels many of the myths surrounding teenage fatherhood and shows that contrary to popular belief these young men are often emotionally and physically involved in relationships with their partner and their child But without support and guidance from adults these relationships often deteriorate in the first year of the child s life Kiselica offers advice for professionals and policy makers that calls for support groups led by caring male role models bonding through sport before counseling begins

and peer based recruitment From publisher description **The American School** Joel Spring,2018-02-15 This current comprehensive history of American education is designed to stimulate critical analysis and critical thinking by offering alternative interpretations of each historical period In his signature straight forward concise style Joel Spring provides a variety of interpretations of American schooling from conservative to leftist in order to spark the reader s own critical thinking about history and schools This tenth edition follows the history of American education from the seventeenth century to the integration into global capitalism of the twenty first century to the tumultuous current political landscape In particular the updates focus on tracing the direct religious links between the colonial Puritans and the current day Trump administration Chapters 1 and 2 have been rewritten to take a closer look at religious traditions in American schools leading up to the educational ideas of the current U S Secretary of Education Betsy DeVos An updated Chapter 15 further links traditional religious fundamentalist ideas and the twentieth century free market arguments of the Chicago school of economists to President Trump s administration and the influence of the Alt Right Abstinence Education United States. Congress. Senate. Committee on Appropriations. Subcommittee on Departments of Labor, Health and Human Services, Education, and Related Agencies,1997 **The Sexual Revolution in Russia** Игорь Семенович Кон,1995 *White Heat* Dominic Sandbrook,2015-02-05 An active pleasure to read Mail on Sunday Harold Wilson s famous reference to white heat captured the optimistic spirit of a society in the midst of breathtaking change From the gaudy pleasures of Swinging London to the tragic bloodshed in Northern Ireland from the intrigues of Westminster to the drama of the World Cup British life seemed to have taken on a dramatic new momentum The memories images and colourful personalities of those heady times still resonate today mop tops and mini skirts strikes and demonstrations Carnaby Street and Kings Road Harold Wilson and Edward Heath Mary Quant and Jean Shrimpton Enoch Powell and Mary Whitehouse Marianne Faithfull and Mick Jagger In this wonderfully rich and readable historical narrative Dominic Sandbrook looks behind the myths of the Swinging Sixties to unearth the contradictions of a society caught between optimism and decline **Let's spend the night together** Subcultures Network,2023-11-07 Let s spend the night together explores how sex and sexuality provided essential elements of British youth culture in the 1950s through to the 1980s It shows how the underlying sexual charge of rock n roll and pop music more generally was integral to the broader challenge embodied in the youth cultures that developed after World War Two As teenage hormones rushed to move to the music and take advantage of the spaces opening up through consumption education and employment so the boundaries of British morality and cultural propriety were tested and often transgressed Be it the assertive masculinity of the teds or the lustful longings of the teeny bopper the gender bending of glam or the subterranean allure of an underground club disco the free love of the 1960s or the punk provocations in the 1970s sex was forever to the fore and more often than not underpinned the moral panics that fitfully followed any cultural shift in youthful style and behaviour Drawing from scholarship across a range of disciplines the Subcultures Network explore how sex and

sexuality were experienced presented conferred responded to and understood within the context of youth culture popular music and social change in the period between World War Two and the advent of AIDS The essays locate sex music and youth culture in the context of post war Britain with a widening and ever more prevalent media amidst the loosening bonds of censorship in a society shaped by changing patterns of consumption and the emergence of the teenager existing as Jeff Nuttall famously argued under the shadow of the nuclear bomb *The Sexual Century* Ethel Spector Person,1999-01-01 Over the course of the past century sexual liberation has transformed the way in which most of us regard our bodies and live our sexual lives Now a preeminent psychoanalytic theoretician on sex and gender discusses what has gone into this unquiet revolution the roles played by sexologists and psychoanalysts antibiotics and birth control the liberation movements and Freud's insight that sex has as much to do with the mind as with the genitals In this collection of new and previously published papers Ethel Person writes of the centrality of sexuality to our identity She describes the role of fantasy in desire its different expression in the sexes and the way in which desire is inevitably intertwined with power Her classic papers on transvestism transsexualism and cross dressing homosexuals written with Lionel Ovesey help us to understand how gender and sex develop in all of us The public acceptance of the transsexual says Person is emblematic of the profound scientific and intellectual shifts that have taken place in the past hundred years The way that sex and gender develop and are experienced and expressed is the result not only of nature and nurture but also of the cultural zeitgeist its unspoken values and biases

Sexuality Across the Life Course Alice S. Rossi,1999-06-04 How does sexual behavior change over one's life span How does sexual satisfaction affect the quality and stability of marriage How has the AIDS epidemic affected sexual attitudes in America over the past three decades In this wide reaching volume distinguished sociologist Alice S Rossi addresses these questions and others through fourteen diverse essays on sexual behavior covering adolescence through old age and studying such groups as singles married couples and homosexuals This extensive study also explores the effects of chronic disease and medication on sexual functioning recent developments in psychotherapy for sexual problems and sexual abuse of children incest and rape The interdisciplinary nature of the project has resulted in a text that is accessible to anyone with a behavioral science background Well written well edited and well received by this reviewer Joan C Chrisler *Journal of Sex Marital Therapy* This is a book that needs to be on the bookshelf of any AIDS researcher AIDS Book Review Journal [Clinical Work With Adolescents](#) Judith Marks Mishne,2010-06-15 In this welcome follow up and companion to her highly acclaimed *Clinical Work with Children* Judith Mishne provides a comprehensive overview of the fundamentals of adolescent psychotherapy Drawing on her own extensive experience and the work of other professionals she offers a cogent analysis of the psychological disorders afflicting teens today and explores the range of dynamic treatment interventions available in clinical work with teenagers and their families With an emphasis on the need for flexible individualized planning for young patients *Clinical Work with Adolescents* succinctly shows how clinicians can develop and follow a course of treatment in a variety of

settings from private outpatient therapy to residential programs In addition it outlines the various stages within the therapeutic process itself analyzing the therapeutic alliance transference and countertransference the phenomena of resistance typical defenses working through and finally the termination of treatment A comprehensive and thorough integration of theory and practice Clinical Work with Adolescents is essential for both novice and experienced practitioners as well as students in understanding and successfully helping teenagers to cope with the difficult transition to adulthood

Adolescence and Puberty John Bancroft, June Machover Reinisch, 1990 Scientists from 10 disciplines contribute essays which explore various aspects of this critical stage in human development in a volume designed for the benefit of social and developmental psychologists psychologists interested in sexuality studies and child and adolescent psychiatrists Queering Teen Culture Jeffery P Dennis, 2013-12-16 Why did Fonzie hang around with all those high school boys Is the overwhelming boy meets girl content of popular teen movies music books and TV just a cover for an undercurrent of same sex desire From the 1950s to the present popular culture has involved teenage boys falling for longing over dreaming about singing to and fighting over teenage girls But Queering Teen Culture analyzes more than 200 movies and TV shows to uncover who Frankie Avalon's character was really in love with in those beach movies and why Leif Garrett became a teen idol in the 1970s In Top 40 songs teen magazines movies TV soap operas and sitcoms teenagers are defined by their pubescent discovery of the opposite sex universally and without exception Queering Teen Culture looks beyond the litany to find out when adults became so insistent about teenage sexual desire and why and finds evidence of same sex desire romantic interactions and identities that according to the dominant ideology do not and cannot exist This provocative book examines the careers of male performers whose teenage roles made them famous including Ricky Nelson Pat Boone Fabian and James Darren and discusses examples of lesbian desire including I Love Lucy and Laverne and Shirley Queering Teen Culture examines Ozzie and Harriet Father Knows Best and Leave It to Beaver Were Ricky Bud and Wally sufficiently straight the juvenile delinquent films of the 1950s Why weren't the rebel without a cause bad boys interested in girls horror sci fi and zombies from outer space Body of a boy Mind of a monster Soul of an unearthly thing teen idols pretty androgynous and feminine No wonder they were rumored to be funny beach movies She wants to plan their wedding but he wants to surf sky dive and go drag racing with the guys Biker hippies boys of the late 1960s I know your scene don't think I don't the 1950s nostalgia of the 1970s Why does Fonzie spend all his time with high school boys teen gore What makes the psycho killer angry and much more including Gidget the Brat Pack buddy dramas nerds and operators Saved by the Bell The Real World and the incredible shrinking teenager Queering Teen Culture is an essential read for academics working in cultural and gay studies and for anyone else with an interest in popular culture The Truth about Conservative Christians Andrew M. Greeley, Michael Hout, 2008-09-15 Ever since the reelection of President Bush conservative Christians have been stereotyped in the popular media Bible thumping militants and anti intellectual zealots determined to impose their convictions on such matters as evolution school

prayer pornography abortion and homosexuality on the rest of us But conservative Christians are not as fanatical or intractable as many people think nor are they necessarily the monolithic voting block or political base that kept Bush in power Andrew M Greeley and Michael Hout's eye opening book expertly conveys the complexity variety and sensibilities of conservative Christians dispelling the myths that have long shrouded them in prejudice and political bias For starters Greeley and Hout reveal that class and income have trumped moral issues for these Americans more often than we realize a dramatic majority of working class and lower class conservative Christians backed liberals such as Jimmy Carter and Bill Clinton during their runs for president And when it comes to abortion most conservative Christians are not consistently pro life in the absolute fashion usually assumed they are still more likely to oppose the practice than other Americans but 86 percent of them are willing to tolerate it to protect the health of the mother or when the woman has been raped and 22 percent of them are even pro choice What do conservative Christians really think about evolution homosexuality or even the meaning of the word of God Answering these questions and more The Truth about Conservative Christians will interest and surprise a broad range of readers especially in this heated election year
