of the universe From it they draw strength to move forward in their daily lives no matter how hectic they become While some find comfort in asserting their belief is the only true way most do not fully understand that religion is intended to vary according to time place and the changing needs of people The Light is the common spring from which we came and is the internal reality of all religious experience This work offers reason for even the most skeptical of readers to believe in the reality of higher consciousness A collection of novellas JOLT will help you in your own search and inner journey Dr Bitkoff as a young man received training in two modern mystical schools and was designated to reveal selected aspects of the teaching in written form **Turning Point: Roadway Work Zone Safety for New Drivers: Tool Kit for Driver Trainers** ,2005
