incessant sea the kissing couples and palm trees but when she met a near perfect dazzling girl Nikita with a queer plan her life got upended with the unanticipated affairs As the tale moves ahead unfamiliar people make appearances with new expectations stories and demands But She Didn't Come isn't the story of love but a pole apart anecdotes of four shattered people who were lost in their own dreams of love life The Gist of Goa If someone asks us where we should go to relish our life we may suggest Goa the land of utmost freedom and Bangkok the cherry of Thailand but man Goa has some high spirited feel to get rolled into the vibes of the sea and absorb it as an eternal party destination We know people recognize Goa for pubs bikini girls and the perpetual exultation of beaches You can reach Goa and you will never come back with a tedious mind When people choose to sleep at their home the honest to goodness parties start in the pubs and bars of Goa You may see people dancing holding beer cans looking divergent and crossing every limit to find the amusement of life Humans are bizarre they can dance everywhere open or closed sky and nothing matters to them until they get what they want Shack parties on empty beaches bars flooded with couples and some strangely lured people looking for life exploring the sea at every best place and the shore of the sea Goa is an exceptional glamorous tourist place to explore love life beaches and monotonous shots of vodka wine cocktails or maybe juices for some authoritarian people BONUS Love happens in a moment and it develops severely every moment Moment after moment we want to escape fight over it but never run away With passing time it becomes strong to possess our soul and never fade away in our hearts How hard we try we can't escape and whatever we tell people the memories always come in front of our eyes Love is the strongest memory of true hearts and that's why it is rare but irresistible too
