The Cursillo Movement in America Kristy Nabhan-Warren, 2013 The internationally growing Cursillo movement or short course in Christianity founded in 1944 by Spanish Catholic lay practitioners has become popular among American Catholics and Protestants alike This lay led weekend experience helps participants recommit to and live their faith Emphasizing how American Christians have privileged the individual religious experience and downplayed denominational and theological differences in favor of a common identity as renewed people of faith Kristy Nabhan Warren focuses on cursillistas those who have completed a Cursillo weekend to show how their experiences are a touchstone for understanding these trends in post 1960s American Christianity Drawing on extensive ethnographic fieldwork as well as historical research Nabhan Warren shows the importance of Latino Catholics in the spread of the Cursillo movement Cursillistas stories she argues guide us toward a new understanding of contemporary Christian identities inside and outside U S borders and of the importance of globalizing American religious boundaries *What We Have Seen and Heard* Michael E. Connors, 2017-05-11 One of the chief challenges of the Second Vatican Council was to reclaim the meaning of baptism especially as the foundation of service and mission in the world Fifty years after the close of that watershed gathering nineteen distinguished religious leaders and scholars reexamine that challenge and its implications for preaching and ministry today This book reinvigorates an important conversation Military Chaplains' Review ,1991 Cursillo Brian V. Janssen, 2010-01-01 Since its inception in Roman Catholic Spain in the 1940s the Cursillo movement has been a steadily growing phenomenon and has spread into many Protestant churches worldwide under various names The weekend initiation is often a deeply felt experience that boasts of many conversions and recommitments Yet in this comprehensive analysis of Cursillo the author finds theological concerns questions about the propriety of the methods and complications such as disaffection from the local church transfer of loyalty to the Cursillo community and a significant drop out rate raising implications for similar spiritual movements Interviews with former Cursillo participants confirmed many of these conclusions but also raised a challenge to the church many Cursillo participants do not perceive vital faith in their local church The author suggests that the Cursillo attempts to imitate the work of the church in an extraordinary form and that this might initiate some of the unhelpful results The church would be better served by seeking to revitalize its ordinary ministries of Word and sacrament prayer community and Sabbath observance **Conversations with Benjamin** Martha Brune Rapp, 2021-03-31 Have you ever felt that the tools and techniques you mastered in preaching class are failing you Disheartened by the boredom and scowls of people in the pews whenever you preach Convinced that God does not want you to preach Wondered whether you have any business in a ministry centered around preaching If so you are invited to eavesdrop on eight conversations between Benjamin a priest who is considering leaving ministry because of the weight of preaching and Sophia a wisdom figure who helps him develop the

one missing component an overarching spirituality of preaching that offers God's healing love to a wounded and suffering world Written in an easy to read novella format and drawing from interviews with dozens of preachers Conversations brings together preaching best practices the Gospels human anthropology spirituality communication and more *IRL* Chris Stedman, 2020-10-20 What Does IRL In Real Life Really Mean in Today's Digital Age It's easy and reflexive to view our online presence as fake to see the internet as a space we enter when we aren't living our real offline lives Yet so much of who we are and what we do now happens online making it hard to know which parts of our lives are real IRL Chris Stedman's personal and searing exploration of authenticity in the digital age shines a light on how age old notions of realness who we are and where we fit in the world can be freshly understood in our increasingly online lives Stedman offers a different way of seeing the supposed split between our online and offline selves the internet and social media are new tools for understanding and expressing ourselves and the not always graceful ways we use these tools can reveal new insights into far older human behaviors and desires IRL invites readers to consider how we use the internet to fulfill the essential human need to feel real a need many of us once met in institutions but now seek to do on our own online as well as the ways we edit or curate ourselves for digital audiences The digital search for meaning and belonging presents challenges Stedman suggests but also myriad opportunities to become more fully human In the end he makes a bold case for embracing realness in all of its uncertainty online and off even when it feels risky

Emmaus Ministries Community Manual, 2018-01-01 This resource takes the place of both The Upper Room Handbook on Emmaus and The Upper Room Handbook on Chrysalis It explains the ins and outs and the whys and hows of all four Upper Room Emmaus Ministries The Walk to Emmaus Chrysalis Face to Face and Journey to the Table The Emmaus Ministries Community Manual provides a comprehensive overview and explanation for the Emmaus movement and all of the ministries both from theological and technical perspectives The handbook answers many questions and offers insight into the reasons behind the design of Emmaus Ministries and the accompanying procedures Cura Animarum: Joseph Zimmerman OFM, 2023-08-11 Cura animarum was once used to describe the role of priests to care for souls not bodies This ensured that priests would ignore the external characteristics of the person they were serving Today ordained priests are assisted in most parishes by deacons and laity Therefore friar brothers and priests see their places in the church as ministers who save souls and share stories of Jesus themselves and of the people they minister With the intent of preserving a record of institutional structures that have shaped the lives of the friars of the Province of the Sacred Heart Father Joseph Zimmerman reflects on a time when the province had over seven hundred members while vividly describing the parishes and other ministries carried out by its friar brothers and priests over the past one hundred and sixty years This resource is shared for those wishing to study developments in a group of vowed religious men as they moved from flourishing

roles in immigrant US Catholicism to respond to changes in the Catholic Church and the wider society during the late twentieth and early twenty first centuries Cura Animarum details how Franciscan friars from Germany shaped Catholicism in the United States and responded to cultural trends in the late twentieth century *No Longer on Pedestals* Carol A. Kuhnert, 2015-01-08 Carol Kuhnert always trusted priests completely As a child growing up in a strict Catholic family clergy stood on pedestals next to God in her eyes When her brother Norman expressed a desire to become a priest and entered the seminary after eighth grade Carol had no idea that one day her brother would reveal a shocking secret Norman was a serial pedophile Stunned and angered by what she learned Carol not only reveals how she confronted her brother and the Catholic Church but also reflects on the events that led up to that moment providing a poignant glimpse into her faith her belief that priests were infallible and her trust in the church its leaders and their assurance to her that they were handling everything But as time passed and Carol struggled to understand why molesters were being left in active ministry and victims were being ignored she details how she embarked on a purposeful crusade to prompt the church to take action and bring justice and hope to its sexual abuse victims *No Longer on Pedestals* shares the powerful and inspirational true story of one woman's journey to the truth and her subsequent heartfelt mission to reach out to abuse survivors after she learns her brother is a pedophile priest Disability Advocacy Among Religious Organizations Albert Herzog, 2012-11-12 Gain insight into the importance of advocacy for the disabled within various religious and secular organizations You shall love your neighbor as yourself Romans 13:9 Through the years religious organizations have worked to fulfill this biblical mandate *Disability Advocacy Among Religious Organizations Histories and Reflections* chronicles the progress of different ministries advocacy for the disabled since 1950 as they worked toward fulfilling this mission This enlightening history of several religious organizations efforts charts the trends in advocacy while offering readers insight into ways to assist people with disabilities both within religious organizations and in society Issues are explored by drawing upon numerous documents communications and in depth reviews of the advocates work This book draws together in a single volume the stories of various religious organizations and their struggles to advocate for the disabled Because of society's tendency to isolate and fear them special needs individuals such as the mentally and physically disabled have long found it difficult to be accepted understood or to receive proper care However ministries strive to be advocates for all of their members and their needs including education treatment and appropriate legislation *Disability Advocacy Among Religious Organizations Histories and Reflections* recounts the steps organizations have taken to focus on ending isolation and fear through inclusion and appropriate care of members with various disabilities These historical accounts examine the depth breadth and on going need for disability advocacy in religious organizations *Disability Advocacy Among Religious Organizations Histories and Reflections* discusses the advocacy backgrounds of the World Council of Churches the National Council of Churches National Catholic Partnership on Disability National Apostolate for Inclusion Ministry American mainline Protestant denomination the American Baptist Convention
