

TEKKEN 3

Power and greed are the root of all evil. Heihachi and Kazuya lock horns for the final time to decide who is the head of the Mishima Financial Empire. Tremendous wealth and power go to the winner... the loser, gets thrown into a volcano.

TEKKEN 3 is powered by Namco's new System 12. With a processing speed 1.5 times faster than System 11, TEKKEN 3 delivers powerful graphics and a more challenging game play.

Many of the players favorite characters return in TEKKEN 3 along with new characters and new fighting techniques. The graphic quality and processing speed exceed that of any game of its kind available! Players will be enthralled with the depth of the new 3-D backgrounds, added moves and 10+ hit combos. As part of the development process, Motion Capture techniques were used to create life-like fighting movements. The refined character balancing and new side-step moves with low grabs increase the players appeal.

TEKKEN 3 features character "Time Release", an original Namco innovation. This breakthrough system of automatically adding selectable characters over a period of time maintains player interest and game earnings like never before.
