# THE EXAMINED LIFE

How do we live our lives? What are the values that guide us? What are the responsibilities that we have to ourselves and to others? These are the questions that we will explore in this course. We will look at the lives of some of the great thinkers of the Western world and see how they have shaped our lives. We will also look at the lives of some of the great thinkers of the Eastern world and see how they have shaped our lives. This course is a journey of discovery and self-examination. It is a journey that will lead us to a deeper understanding of ourselves and of the world around us.
