aching to know what's coming next The first person narrative has rarely been used to greater effect than in Cecilia Tan's online serial Daron's Guitar Chronicles The relationship between Daron and the reader is something I've never experienced before and I don't believe could have been achieved in the third person limited or omniscient as brilliantly as it's been done here Daron's narrative is intimate personal and it's of all the oddest things interactive Or maybe it's reactive Whatever one wishes to call it there are times during the reading of this and the previous books that I wanted to hug him shake him by the shoulders give him an earful and then go right back to hugging him through his pain and torment Sometimes it's hard to remember Daron's a fictional character *Daron's Guitar Chronicles: Volume Two* Cecilia Tan, 2011-06-19 In the summer of 1987 Daron Marks is trying to make it big His band is attracting the attention of the major labels but his own attention all too often falls on his band's lead singer Ziggy Daron already struggles with being gay the last thing he needs is a bandmate relationship He resolves to keep his crush a secret But nothing stays secret long under the white hot spotlight of fame The continuation of Daron's story in which he struggles with who and what he is While I love the description of the music and how Daron and his friends play off each other the true power of the book lies in Daron's struggle to connect to his friends So used to hiding who he truly is he has lost the ability to communicate through words Thank god he has music Mezzo Only very rarely do we come across a character that is truly unforgettable Daron feels so true to life Love Bytes Reviews [Watch Point](#) Cecilia Tan, 2017-11-06 Eric Sakai Johnson joined the Navy SEALs to protect his country and the people he loves After discharge he finds himself relegated to protecting big pharma billionaire Aiden Milford from assassination attempts and kidnapping Until Aiden reneges on a promise fires Eric and lets Eric's mother die with millions of dollars in medical debt Now Eric is the kidnapper Snatching Aiden's twenty-two year old son Chase for a multi-million dollar ransom is the only way to get justice It's time for Aiden to learn what it's like when someone you love is at the mercy of forces beyond your control Eric has it all planned out The one thing he didn't plan for is the intense erotic spark between him and Chase Chase has been chafing under his father's autocratic control A gay hookup app has been his only ticket to rebellion to clandestine moments of freedom excitement and danger Now it's his ticket to a deep connection and amazing sex with his captor On the rocky island where they're sequestered Chase finds Eric to be everything he wants in a man quiet strong capable and honorable until he finds out he's been captured for real NOTE 20% of all proceeds from this title will be donated to the Russian LGBT Network The Russian LGBT network was founded in April 2006 It is an interregional non-governmental human rights organization that promotes equal rights and respect for human dignity regardless of sexual orientation and gender identity They unite and develop regional initiatives advocacy groups at both national and international levels and provide social and legal services See this title's page on RiptidePublishing.com for content warnings *What a Dog Knows* Susan Wilson, 2021-06-22 From New York Times bestselling author Susan Wilson comes *What a Dog Knows* another heartwarming novel about humans and the dogs that change our lives Ruby Heartwood has spent her life running away Away from the orphanage where she was left

Daron's Guitar Chronicles: Volume Five

Cecilia Tan, 2013-10-06 Winner of the Rose Bay Award. A slow burn gay romance set in the 1980s. Book five of Daron's *Guitar Chronicles* finds the band still on the road for their coast-to-coast tour. The pressure cooker that is the tour bus has been affecting everyone, but will it ultimately fuse the band together or crack them apart? The final leg of the Moondog Three 1989 album tour approaches with Toronto, the midwest, and New York City still to come. Daron and Ziggy have learned a lot about each other and about what it takes to stay sane on the road, but have the lessons come too late? Daron thinks maybe he finally knows what love is. At least some feeling is making his heart sing. But is Ziggy too far gone to hear it? Readers speak: This volume is beautiful and sweet and touching and so so heartbreaking. This series is an emotional roller coaster ride as told in the first person by Daron, a guitar prodigy and founder of the fictional band Moondog 3. Don't tell Daron it's fictional. This series, set in the mid-80s and continuing through the early 90s and still going, is a peek into the music scene as Hair Bands transitioned into Grunge, Rock n Roll was almost as confused as Daron is about his feeling for his lead singer Ziggy. I loved every page of it. Having read and enjoyed the first four volumes, I was more than ready to be a fly on the wall for the next part of Daron Ziggy Jonathan Carynne et al's road trip. There is something very compelling about the way these books are written. Perhaps because they were written during the time period that they represent rather than as a retro attempt at capturing their era. The author has a way of making you feel that you are in the room or perhaps playing the guitar on stage yourself that I have not experienced reading any other similar book. I can feel Ziggy applying my eyeliner as I experience Daron's prepping for a concert.
