(Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an  
interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge  
range of topics is covered There is a comprehensive index      **Poor Reception** Barrie Gunter, 2012-11-12 Published in 1990  
Poor Reception is a valuable contribution to the field of Communication Studies      **The Representation of Working**  
**People in Britain and France** Antoine Capet, 2009-10-02 It is a truism that History is about representation but then  
opinions will diverge as it should be between what is meant by representation Most of the chapters in this volume were first  
presented in November 2008 at an International Conference co organised by the Society for the Study of Labour History and  
the University of Rouen The authors of all generations come from Britain France Germany and the United States and cover  
the field from the Middle Ages to the most recent developments The friendly confrontation of points of view and cross  
fertilisation which result from such undertakings can only add to our perception of the diversity of that elusive notion in  
History representation of working people in Britain and France in this particular instance Beyond the differences in periods  
places and situations the reader will not fail however to see the bridges which recurrently link the various elements in the  
collection      *Media and Voters* William Lockley Miller, 1991 This study presents an analysis of the role of the media in  
contemporary British politics Drawing contrasts between the BBC and ITV and between national and regional news  
programmes it attempts to ascertain the impact of news coverage on voters perceptions attitudes and voting choices      A
