Taking a thematic approach Bryan S. Turner draws together his writings which explore the relationship between Islam and the ideas of Western social thinkers. The Essentials of Ibadi Islam Valerie J. Hoffman, 2012-05-22

Ibadi Islam is a distinct sect of Islam, neither Sunni nor Shi'ite, that emerged in the early Islamic period and remains active today in small pockets of North Africa and as the dominant sect of Oman. Despite its antiquity, it has often been misunderstood and remains little known. Seeking to redress this gap and to introduce this Islamic school to the non-Arabic speaking world, Hoffman offers the first book-length overview of Ibadī theology published in English. Beginning with a concise overview of Ibadī history, Hoffman delineates the movement's role in the development of Islamic thought, tracing its distinctive teachings and literary history. In the second section, she provides annotated translations of two complementary modern Ibadī theological texts. This unique volume elucidates Ibadī religious and political thought by allowing its tradition to speak for itself.

The Essentials of Ibadi Islam gives readers, specialists and nonspecialists alike, a rare opportunity to understand the major teachings of Ibadī Islam.

Prophet Muhammad (S) and His Family Shamim Aleem, 2011-10-27

Though over the past 1400 years, thousands of books have been written on the different aspects of the life of the Prophet Muhammad (S). Even then, it cannot claim to be a true and exhaustive picture of his multidimensional life as has been successfully projected in this book. The author has tried to look at his family life from a sociological perspective, an approach different from that of other writers. Her attempt is to place at the disposal of young English-speaking people a wider view of the family life of the Prophet so that they may learn something from it to make their own lives more fruitful and happy.

In the last few years, and especially after 9/11, interest in Islam and Islamic literature has increased tremendously. Non-believers are in a dilemma. On one hand, Islam is supposed to be a religion of peace, while on the other, terrorism's association with Muslims is on the rise. By making an attempt to depict an objective picture of the life of Prophet Muhammad (S), the author has tried to underline the fact that Islam is not a religion of violence but of peace, and the life of the Prophet provides convincing evidence of the same. And whatever is being done under the name of Muslim by a handful of people has hardly any relation with Islam. The book may be a source of interest to those non-Muslims who are keen to know more about Islam.
