Tell Me What:

Tell Me What You See Major Ed Dames, Joel Harry Newman, 2010-11-19 The unknown isn't so unbelievable in Dames's hands. George Noory, as the operations and training officer for the Defense Intelligence Agency's Psychic Intelligence Unit, Major Dames with his team used the practice of remote viewing to uncover accurate military intelligence. After retiring from the military, Dames turned his paranormal detective skills to finding missing persons such as millionaire pilot Steve Fossett whose plane vanished in Nevada and a young Colorado girl named Christina White who disappeared seemingly without a trace. He has even located one of the most legendary missing objects in history: the Ark of the Covenant. In **Tell Me What You See**, Dames takes you behind the scenes of some of his most mind-bending cases. Reveals true stories and fascinating secrets uncovered by the military's remote viewing teams: from intelligence on Soviet missile sites to the whereabouts of missing POWs in Vietnam to the location of the Ark of the Covenant. Maj Dames is the most popular guest on George Noory's exceedingly popular radio show *Coast to Coast AM*. For anyone fascinated by the intersection of the military and the mysterious, **Tell Me What You See** is an amazing and completely absorbing must-read.

Tell Me What You Want Charlotte Fox Weber, 2023-04-11 This inspiring and moving exploration of the twelve fundamental psychological needs we all share goes behind the closed doors of therapy to guide us in navigating our deepest longings.

Tell Me What You Like Katie Simon, 2025-07-29 Hopeful, groundbreaking, and anchored in true stories, this much-needed book from sexuality journalist and fellow sexual assault survivor Katie Simon delves into the challenges of moving from trauma to healing. **Tell Me What You Like** will guide sexual assault survivors toward the sex and relationships they want and speaks to the shift in sexual culture we all need. Over a decade ago, Katie Simon began seeking out stories of people who faced sexual challenges after sexual trauma, just as she did. Simon interviewed dozens of survivors, and her investigation yielded diverse responses from people of all backgrounds, ultimately confirming that there is no single path toward healing. Simon's research led her to life-changing findings that sexual assault survivors most want to know about, including coping with trauma triggers and traumatic stress symptoms such as anxiety, depression, physical pain, and flashbacks. From embodied consent to self-pleasure, sexual regret, breakups, and beyond, you'll find answers to all your questions about how sexual trauma affects sex and relationships within these pages, in stories told by survivors who've actually been there. Millions of survivors across the United States are treated as irreparably broken. Simon offers a positive approach to healing based on empathy and community and the understanding and tools to navigate trauma and cultivate the sex lives we desire and deserve. The narratives Simon has gathered break down the potential obstacles to rebuilding post-assault and offer multiple paths forward with optimistic new approaches to sex after sexual assault. Packed with insights, stories, and advice, this invaluable guide reimagines what sex can look like, not only for survivors but for all of us.
