say

- used with or without a personal object

Sarah said that she was tired.

- when used with a personal object, it is always followed by the preposition "to"

✔ *Sarah said to me that she was tired.*

✘ *Sarah said me that she was tired.*

www.englishlessonviaskype.com

tell

- is always followed by a personal object

She told me (that) she was tired.

- we often use it to describe giving orders or instructions

I told them to go to bed.

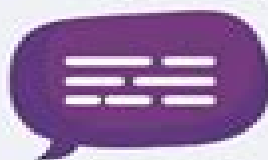

I told you to ring the doctor.

www.englishlessonviaskype.com

SAY and TELL are always interchangeable.
All you need to do is to change the structure of the sentence.

- ✔ say + something (to somebody)

Did she say what happened yesterday?

- ✔ tell + someone (something)

Did she tell you what happened yesterday?

Tell It On Video:

Please Please Tell Me Now Stephen Davis, 2021-06-29 Lifelong fans and interested newcomers will love this stunning biography of Duran Duran by the bestselling author of *Gold Dust Woman* and *Hammer of the Gods*. In *Please Please Tell Me Now*, bestselling rock biographer Stephen Davis tells the story of Duran Duran, the quintessential band of the 1980s. Their pretty boy looks made them the stars of fledgling MTV, but it was their brilliant musicianship that led to a string of number one hits. By the end of the decade, they had sold 60 million albums; today, they've sold over 100 million albums and counting. Davis traces their roots to the austere 1970s British malaise that spawned both the Sex Pistols and Duran Duran, two seemingly opposite music extremes. Handsome, British, and young, it was Duran Duran that headlined Live Aid, not Bob Dylan or Led Zeppelin. The band moved in the most glamorous circles: Nick Rhodes became close with Andy Warhol, Simon LeBon with Princess Diana, and John Taylor dated quintessential British bad girl Amanda De Cadanet. With timeless hits like "Hungry Like the Wolf," "Girls on Film," "Rio," "Save a Prayer," and the bestselling James Bond theme in the series history, "A View to a Kill," Duran Duran has cemented its legacy in the pop pantheon, and with a new album and a worldwide tour on the way, they show no signs of slowing down anytime soon. Featuring exclusive interviews with the band and never-before-published photos from personal archives, *Please Please Tell Me Now* offers a definitive account of one of the last untold sagas in rock and roll history: a treat for diehard fans, new admirers, and music lovers of any age. harness their power for business growth This book teaches marketers how to build successful relationships with early stage buyers by creating trust and a sense of friendship The first step is learning to understand buyer activity to gauge what they want or might want when they first visit an online site Then marketers must use strategies to capture the buyer s attention and build the relationship carefully rather than aggressively trying to close a sale Authors Jason Thibeault and Kirby Wadsworth have proven themselves as innovative thought leaders researchers and trustworthy guides in improving revenue streams Their book aims to show organizations the value of relationships in a digital age and a clear method for quantifying that value It includes specific techniques like storytelling and personalized content which have been proven to improve conversions and engage customers The barriers to finding and engaging with consumers have been destroyed by the ease of clicking a mouse button or tapping on a screen Today s technology enables competitors to emerge seemingly overnight and the wide range of choices consumers have today means that businesses can no longer compete solely on product *Recommend*

This helps organizations take advantage of the one aspect of business that hasn't changed relationships. It teaches marketers the strategies they need to be successful in a digital world where forming, cultivating, and taking advantage of relationships can be difficult. Recommend This teaches organizations how to measure and manage relationships while offering specific strategies to create revolutionary change. It is a must read for anyone who needs to understand how digital relationships alter the way we do business.

Tell It On Video Introduction

In the digital age, access to information has become easier than ever before. The ability to download Tell It On Video has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Tell It On Video has opened up a world of possibilities. Downloading Tell It On Video provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Tell It On Video has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Tell It On Video. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Tell It On Video. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Tell It On Video, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Tell It On Video has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
