Tell the World Eric Wright,1981 *Whitaker's Cumulative Book List* ,1983 **The Bookseller** ,1982 *British Books in Print* ,1985 **The Apostolic Imperative** Carl E. Braaten,2016-10-31 With perceptive insight and vigor Dr Braaten addresses today s crisis in ministry in Protestant and Catholic communities Numerous studies reveal widespread confusion about the nature and scope of the church s mission There is a split consciousness in the church at all levels between evangelism and social action and between lay and ordained forms of ministry The Apostolic Imperative summons the church to embody the apostolic norms of primitive Christianity in its theology and practice A misinterpretation or neglect of the apostolic norms in the life of the church makes the church captive to narrow traditions or victim of fashionable trends says Braaten The aim of this book is to ground our theological thinking in the essentials of apostolic faith its witness to the cross and resurrection of Jesus and its obedience to his command to convey his message to all the world The theology of mission in this book is biblically based evangelically motivated ecumenically oriented and practically posed to grapple with the issues of the immediate future World Christian Trends Ad30-ad2200 (hb) ,2001 *The Integrating Gospel and The Christian:* Alan Tippett,2015-06-01 Alan Tippett s publications played a significant role in the development of missiology The volumes in this series augment his distinguished reputation by bringing to light his many unpublished materials and hard to locate printed articles These books encompassing theology anthropology history area studies religion and ethnohistory broaden the contours of the discipline This volume contains two manuscripts The first *The Integrating Gospel* combines a historical ethnolinguistic study of Fijian language an examination of Fijian culture patterns in interaction with the church and Tippett s own firsthand experience as a communicator of the gospel to specific receptors at a specific place and point in time From this Tippett is able to extrapolate broader ideas on contextualization and methods of gospel transmission In *The Christian Fiji 1835-67* Tippett addresses the establishment of the Christian church and the spread of Christianity in Fiji with special attention to Ratu Cakobau In this brief but in depth study Tippett presents a strong case against the understanding that Fijian conversions to Christianity were primarily political as he offers evidence of the genuine religious and spiritual experiences behind these conversions World Mission: The Biblical Jonathan Lewis,1994 Back by popular demand this three volume work is now reprinted as a single volume This manual leads the student into a deeper broader mission understanding and vision by covering the Biblical historical foundations the strategic dimensions and cross cultural considerations **The Congregationalist and Christian World** ,1904 The Negro's Church Benjamin E. Mays,2015-08-04 Benjamin E Mays 1894-1984 was President and Professor Emeritus of Morehouse College The Wiley-Blackwell Companion to the Anglican Communion Ian S. Markham,J. The Ongoing Role of Apostles in Missions Don Dent,2019-02-15 Numerous trends are presently converging in ways that make this moment in mission history significant These include the growth of short term service the multiplication of mission organizations local churches sending missionaries without an agency and the internationalization of missions It is crucial in the midst of such change that we not lose connection with the New Testament model of the missionary apostles Apostles now commonly called missionaries are God s gift for the initial planting phase of the church among every people to the end of the age This unique church planting role is the forgotten foundation of the church Much of the ineffectiveness in missions is due to our attempts to build Christ s church on a different foundation This book will examine five critical questions from the perspective of biblical scholarship history and contemporary experience Why are missions minded Evangelicals reluctant to identify missionaries as apostles considering that the two words have the same root meaning How is apostolos used in the New Testament and specifically is it sometimes used as a designation for missionaries How should we conceptualize an ongoing role for missionary apostles that does not detract from the crucial unique role of the original Apostles What ministry pattern does the New Testament record from the lives of the early missionary apostles How should an awareness of

missionary apostles guide our mission efforts today **Northern Gospel, Northern Church** Gavin Wakefield, Nigel Rooms, 2016-03-01 This book brings together prominent practitioners and academics to answer these questions and explore what it means to proclaim the gospel in the North of England from many angles **Voices from Africa** Andrew C. The Church and Cultures Louis J. Luzbetak, 2015-03-31 Why should the church be concerned about cultures Louis J. Luzbetak began to answer this question twenty five years ago with the publication of The Church and Cultures An Applied Anthropology for the Religious Worker Reprinted six times and translated into five languages it became an undisputed classic in the field Now by popular demand Luzbetak has thoroughly rewritten his work completely updating it in light of contemporary anthropological and missiological thought and in face of current world conditions Serving as a handbook for a culturally sensitive ministry and witness The Church and Cultures introduces the non anthropologist to a wealth of scientific knowledge directly relevant to pastoral work religious education social action and liturgy in fact to all forms of missionary activity in the church It focuses on a burning theological issue that of contextualization the process by which a local church integrates its understanding of the Gospel text with the local culture context *His*, 1966 *Reading Hebrews Missiologically* Abeneazer G. Urga, Edward L. Smither, Linda P. Saunders, 2023-02-28 Gaining New Insights from Hebrews God's interactions with Israel were a foreshadowing of the perfect reality in the person of Jesus absolutely God and absolutely human Jesus came to earth to establish his kingdom and all that God had initiated in the old covenant There is a continuity of theological understanding as we move from the Old Testament to the letter sent to the Christians in Rome The discussion on the theology of mission in the New Testament usually focuses on Jesus and Paul with minimal attention given to the General Epistles However Reading Hebrews Missiologically tries to fill that gap and focuses on the theology of mission in the book of Hebrews and fleshes out the unique contribution it has to the discussion of a New Testament theology of mission The twelve contributors from various theological geographical and missiological contexts explore the missionary motive the missionary message and the missionary method of the Epistle to the Hebrews All Scripture can be read missiologically and the letter to the Hebrews with its emphasis on the supremacy of Christ is no exception We pray that this book will inspire fresh approaches to practical mission in the world today
