Telling Jews About Jesus:

Why Saying Jesus Is a Jew Hurts Jews Nicholas Irish, 2005 Does saying that Jesus Christ is a Jew hurt Jews and Jewish communities This is the question that Nicholas Irish asks Nicholas Irish's answer YES Irish provides ample evidence from history society politics religion and sociology to show that saying that Jesus Christ is a Jew hurts Jews and Jewish communities Irish argues that stating that Jesus Christ is a Jew will push historical processes such as the violent pogroms that Jews experienced in Russia and the Holocaust that Jews experienced in Europe This book is a must read for Jews and non Jews alike It is insightful and very readable Even a person without any previous knowledge of Jewish history or Christianity can understand this book after reading it This book may well hold the key to Jewish survival for the 21st Century

Jews for Jesus Moishe Rosen, William Proctor, 1974 Newspapers and magazines across the country have carried extensive articles on the fast growing Jesus for Jesus movement Moishe Rosen the group's colorful controversial leader has expressed his beliefs on television talk shows on radio at Jesus rallies and concerts on street corners What does it mean to be a Jew for Jesus How did the movement evolve What are the goals and strategies of its members In straightforward candid language spiced with clever aphorisms Moishe Rosen describes his own dramatic conversation to Christianity and recounts the evolution of a movement comprised of Jews who recognize Jesus Christ as their Messiah Jews for Jesus are in his own words a tribe of contrasting individuals who have been welded together by one primary goal to let non believers and especially young Jews know what Jesus has done for us Rosen firmly maintains that it is possible for Jews who become Christians to retain their Jewish identity The lives of several young people who form the nucleus of the Jews for Jesus movement demonstrate that becoming a Christian completes a Jew and enables him to more fully appreciate his rich Jewish heritage Many Jews for Jesus are making unique creative contributions to the Christian church by adapting the cultural traditions of the Jewish religion to express their newfound faith in Jesus Christ I believe we have rediscovered a distinctively Jewish way to present Jesus which has been lying dormant for centuries We are now issuing a general invitation to our gentile brethren to return with us to those lost cultural treasures and enjoy JEWS FOR JESUS tells the exciting story of a dynamic Christian movement and presents effective evangelism techniques and creative ways of expressing faith which will enrich the spiritual life of every Christian Publisher

Testimonies of Jews who Believe in Jesus, 1992 Testimonies may take you by surprise All kinds of Jews have counted the cost considered the claims and committed themselves to following Jesus as the Messiah In this book you'll read about a doctor a lawyer and a couple of business chiefs who candidly tell the events that led them to Y shua Jesus Also included are Paul Steiner a scientist Stan Telchin a pillar of the Jewish community Vera Schlamme a Holocaust survivor people who some might think have every reason NOT to believe in Jesus They have come to faith in Him for reasons which are told between the covers of this book

Telling Tales Jacob Neusner, 2007-06-01 Jacob Neusner makes the astonishing claim that Judeo Christian dialogue is nonexistent This book is substantive It suggests what both parties Christians and Jews

might do and say as first works and words when they undertake dialogue If they are realistic frank aware of their own stories they can further such dialogue If they keep making up soft versions of their own tradition they will produce mush or hypocrisy from the Foreword Instead of having dialogue Christians and Jews have been exchanging monologues parallel lines that never meet says Jacob Neusner This is because neither Christians nor Jews have viewed each other according to each other s terms Neusner proposes a new way of beginning dialogue by suggesting that Jews and Christians exchange stories This he says will help Christians and Jews understand each other and ultimately provide a way of making sense of the other party s nonsense I Must Tell Jesus Dr. Lloyd G Fennell,2011-12-27 Jesus said in John 10 11 The thief cometh not but for to steal and to kill and to destroy I am come that they might have life and that they might have it more abundantly I am the good shepherd the good shepherd giveth his life for his sheep He came to give us freedom from fear debt sickness poverty homelessness unemployment and anything that may prevents us from walking in the light of Gods Word Now whether you are a Sunday Church folk a new believer or a longtime Christian who wants to read the message of faith I Must Tell Jesus will prove to you that no one has ever spoke the way that Jesus did The Story of Jesus must be shared with every person on the face of the earth in order that each individual may have the opportunity to come to believe and follow Jesus Christ tells us as He told His disciples you will be my witnesses in Jerusalelm and in all Judea and Samaria and to the ends of the earth Acts 1 8 In order to fulfill Christs command I Must Tell Jesus is written as a tribute to my family and the family of God Thank You

Answering Jewish Objections to Jesus : Volume 1 Michael L. Brown,2000-02-01 An honest fair and thorough discussion of the issues raised in Jewish Christian apologetics covering thirty five objections on general and historical themes

The divine Teacher: the recorded saying of Jesus Christ ,1867 *Things the Preachers Don't Tell You* Delores Glass,2022-08-01 _____ There are literally thousands of religions practiced in the world today including astounding 47 000 denominations within Christianity alone They all claim to have the truth according their individual practices beliefs doctrines and rituals but are they all acceptable to the CREATOR the Almighty GOD of the universe The initial question of course is Does GOD really exist And if HE does exist are all forms of worship acceptable to HIM THINGS THE PREACHERS DON T TELL YOU directs attention to the Judeo Christian Bible for the answers and in its pages the creation of the universe and the miracle of life on earth testifies to the existence of GOD Romans 1 20 So the first part of the question is answered from both biblical and scientific perspectives GOD authored the first 5 of the 39 Old Testament books of the Judeo Christian Bible and gave them to us as the roadmap back to the precious gift of everlasting life that our forefather Adam forfeited at the very beginning of the world Acceptable worship is made clear through the writings of men inspired by HIM throughout the entire Bible Within the first 39 books of the Bible s 66 books GOD tells us 6 823 times that HIS name is YHWH YAHWEH and explains what HE expects of those who hope to gain everlasting life Unfortunately religionists have obscured HIS message by teaching that the Bible s mandates do not apply

today especially those contained in the first 5 books Preachers dismiss the Bible's warnings and notoriously teach their own watered down dogma as biblical fact Many religious leaders have become motivational speakers who make people feel good by teaching that GOD is an all loving Big Daddy in the sky who will easily overlook their error These preachers completely dismiss the majesty of YAHWEH and the seriousness of HIS mandates also often using religion for personal financial gain For those who are taught that the Bible especially the Old Testament does not apply today GOD reminds us that HE does not change Numbers 23 19 James 1 17 regardless the political corrections that modern day preachers have given to HIM and HIS word THINGS THE PREACHERS DON'T TELL YOU points to what the Bible says about Free Will Repentance Revenge Forgiveness Justice Yahweh and Yashua who are they The First Mandate and What happened after Christ It explains the parallel between the Old and New Testaments showing Christ's role in the Old Testament prophecies and how those prophecies will be completely fulfilled at world's end It shows how Satan figures into the picture and you may be surprised to learn how Satan has used organized religion i.e. the preachers to lead mankind away from Yahweh You will also learn how the death penalty will be done away with for those who love YAHWEH Take the time to consider what you believe and why The scripture advises us to Make sure of all things and hold fast to what is fine 1 Thessalonians 5 21 NWT because This means everlasting life their taking in knowledge of you the only true God and the one whom you sent Jesus Christ John 17 3 NWT

What the Bible Tells Us about the Location of Heaven and the First, Second and Third Coming of Christ Jacob V.

Thomas,2000 Clearly organizes the facts that surrounded the major parts of the life of Christ Christ's parables Christ's ministry Reign of the Herods Sects of Judaism Teachings of Jesus **Loyalty to the Kingdom of Christ** Sven Pearl Johanson,2004 The strength of this book lies in the fact that Johanson concretely discusses issues involving conflict of loyalty facing Christians today in society and in politics

Telling Jews about Jesus Paul Morris,1994-01-01 [The Jewish Jesus](#) Zev Garber,2011-04-12 There is a general understanding within religious and academic circles that the incarnate Christ of Christian belief lived and died a faithful Jew This volume addresses Jesus in the context of Judaism By emphasizing his Jewishness the authors challenge today's Jews to reclaim the Nazarene as a proto rebel rabbi and invite Christians to discover or rediscover the Church's Jewish heritage The essays in this volume cover historical literary liturgical philosophical religious theological and contemporary issues related to the Jewish Jesus Several of them were originally presented at a three day symposium on Jesus in the Context of Judaism and the Challenge to the Church hosted by the Samuel Rosenthal Center for Judaic Studies at Case Western Reserve University in 2009 In the context of pluralism in the temper of growing interreligious dialogue and in the spirit of reconciliation encountering Jesus as living history for Christians and Jews is both necessary and proper This book will be of particular interest to scholars of the New Testament and Early Church who are seeking new ways of understanding Jesus in his religious and cultural milieu as well Jewish and Christian theologians and thinkers who are concerned with contemporary
