The Guest At Ludlow Notable American Authors:

A Dictionary of American Authors Oscar Fay Adams, 1897 *A dictionary of American authors* Oscar Fay Adams, 2025-03-02 In *A Dictionary of American Authors* Oscar Fay Adams presents a comprehensive reference work that meticulously catalogues the lives and contributions of significant American writers from various genres and eras. The book is characterized by its scholarly rigor and accessible prose, making it an invaluable resource for students, educators, and literary enthusiasts alike. Adams's entries provide not only biographical details but also critical context on each author's works and influence, thereby situating them within the broader tapestry of American literary history. The dictionary reflects a diverse literary landscape encompassing both canonical figures and those marginalized in mainstream discourse, broadening the scope of American literature. Oscar Fay Adams was an accomplished author and critic deeply immersed in the literary culture of his time. His experiences and academic background informed his mission to document American literary figures accurately and comprehensively. Adams's own contributions to literature and criticism illuminate his desire to foster a greater appreciation for American authors, demonstrating a commitment to elevating diverse voices within the literary canon. This indispensable reference is highly recommended for anyone seeking to deepen their understanding of American literature. *A Dictionary of American Authors* serves not only as a foundational text for literary studies but also as a guide for readers wishing to explore the myriad voices that have shaped the American narrative. **Forthcoming Books** Rose Army, 1999

The Guest at Ludlow Edgar Wilson Nye, 2007-12-18 Bonded Leather binding **Half-hours with the Best American Authors**, 1887 **The American Annual Cyclopedia and Register of Important Events of the Year ...**, 1897

Monthly Bulletin of the New York Free Circulating Library New York Free Circulating Library, 1895 **Dictionary of Midwestern Literature, Volume 1** Philip A. Greasley, 2001-05-30 The *Dictionary of Midwestern Literature* Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings. The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people, reflecting as well as shaping the evolving sense of individual and collective identity, meaning, and values. Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time. Philip A. Greasley's introduction fills in background information and describes the philosophy, focus, methodology, content, and layout of entries, as well as criteria for their inclusion. An extended lead essay, *The Origins and Development of the Literature of the Midwest* by David D. Anderson, provides a historical, cultural, and literary context in which the lives and writings of individual authors can be considered. This volume is the first of an ambitious three-volume series sponsored by the Society for the Study of Midwestern Literature and created by its members. Volume Two will provide similar coverage of non-author entries such as sites, centers, movements, influences, themes, and genres. Volume Three will be a literary history of the Midwest. One goal of the series is to build

understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works **The National Cyclopaedia of American Biography** ,1929 **Colorado School Journal** ,1895
