The Hippie Trip:

The Hippie Trip Lewis Yablonsky,1968 A first hand account of the beliefs and behaviors of Hippies in America by a noted sociologist **The Hippie Trip** Lewis Yablonsky,1968 **The hippie trail** Sharif Gemie,Brian Ireland,2017-11-10 This is the first history of the Hippie Trail It records the joys and pains of budget travel to Kathmandu India Afghanistan and other points east in the 1960s and 1970s Written in a clear simple style it provides detailed analysis of the motivations and the experiences of hundreds of thousands of hippies who travelled eastwards The book is structured around four key debates were the travellers simply motivated by a search for drugs Did they encounter love or sexual freedom on the road Were they basically just tourists Did they resemble pilgrims It also considers how the travellers have been represented in films novels and autobiographical accounts and will appeal to those interested in the Trail or the 1960s counterculture as well as students taking courses relating to the 1960s *Earthfreaks* George Anschuetz Mur,1997 *Hearings, Reports and Prints of the House Committee on Education and Labor* United States. Federal Probation ,1969 **The Dream Catchers** Jack E. Bynum,2011-03-25 Nothing happens unless first a dream Carl Sandberg THE DREAM CATCHERS is comprised of an extraordinary series of reports on Bynums experiences and adventures with cowboys hippies athletes gang members soldiers actors dreamers and people like you The author not only carried his research skills into the social arena but approached each group with his own Christian experience and world view Thus each chapter reflects not only Bynums quest for scientific understanding of his subjects distinctive problems behavior hopes and dreams but explanations are supported by fascinating Biblical and historical insights Practical applications of new findings relevant to all our lives are made on interesting issues and questions such as the following 1 Why is loneliness the most common social problem in the world 2 Why do some young people become hippies or join violent street gangs 3 Is physical appearance related to social acceptance and deviant behavior 4 Were Old Testament cowboys and herdsmen used by God in crisis situations 5 Are all of us actors on the stage of life 6 How did Jesus control an unruly crowd disrupting His teaching 7 What is the formula for achieving your high aspirations 8 How do the social relationships of soldiers affect their survival in battle THE DREAM CATCHERS is appropriate for adult readers of all agesbut especially for young people as they plan and prepare for their own future Eight Finger Eddie Earthman,2015-12-11 EIGHT FINGER EDDIE teleports old hippies back into the BOUNDLESS RARE FREEDOM in India during the hashish powered sexy Golden Age from 1964 to 1973 Lavishly illustrated with 42 rare photographs the HIPPIE HISTORY of GOA and KATHMANDU comes alive through these spirited end of life recollections from India s most renowned expatriate Eddie was famous from Goa to Kathmandu as the Original Freak Enjoy the first and last pages of the book FIRST PAGE Outwardly Eight Finger Eddie was nothing special He lived humbly in India for 44 years on 100 a month Yet to his thousands of hippie friends he was a most sacred man Eddie was not a high flier in India like Ram Dass but he was one of us He was earthy a pleasure to be with and if you were flipped

out he would feed and shelter you During his second trip to Goa in 1966 at the age of 42 Eddie welcomed all hippie travelers to live and to share food in his home He explained to his expatriate neighbor on Colva Beach It is cold in Goa at night so I am simply providing shelter for those with little or no money to rent a room Eddie s compassion was unconditional He sheltered the most extreme junkies psychopaths and flip outs He was the Master of Madness You were absolutely free to act out in his space unless you started to hurt someone Free shelter philosophy of Eight Finger Eddie Everyone is welcome unconditionally I will not ask anyone for money I will not ask anyone to do any work in the house Those who wish to contribute may do so If that s not enough I ll provide for everyone My name is Earthman I am a hippie historian and the author of these reflections about Eddie and the Golden Age of the hippie trip in Goa and Kathmandu the years from 1964 to 1973 My first sight of Eddie was in the hippie hashish joint named the Cabin in Kathmandu in 1969 The free flowing way Eddie danced blew me away The final time I hung out with Eddie was 40 years later on Anjuna Beach during the 2008 2009 winter season in Goa I patiently interviewed him during a six week period at Joe Bananas caf on south Anjuna Beach During the interviews Eddie was 83 years old and I was 61 FINAL PAGE The death and cremation of Eight Finger Eddie in October 2010 made a brief splash in newspapers around the world Yet life summaries in newspaper obituaries are by nature agonizingly marginal They shrink an extraordinary human s lifetime into a few paragraphs The summary shallowness in the reporting about Eddie s life by non participants in the India hippie movement portray a belittling caricature of him I will not allow the memory of Eight Finger Eddie to fade away like this Yes calmly I became aware that my destiny was to write the life story of this great man to perpetuate his true spirit My inner angels immediately assigned me to this task of divine sadness So I knocked off this memoir in San Francisco in four months plus another two month to gather finesse and place the photographs into the book I purposefully did not polish it Like Eddie the real man the story is folksy and has intriguing rough edges When I found out that silent night that Eddie had passed I did not weep The teardrops came later running down my face while keyboarding his life story That s when his spirit came gushing out onto these pages I miss him deeply Between my last interviews with Eddie and his cremation both my parents passed away 27 days apart So I have fashioned a cherished living place for Mom and Dad in my heart Now my oldest friend Eight Finger Eddie has gone also and I welcome him too to dwell in my heart forever where unconditionally everyone is welcome I will not ask anyone for money I will not ask anyone to do any work those who wish to contribute may do so if that s not enough I ll provide for everyone Om Namah Shivia *Time* ,1967 *Scenes* John Irwin,1977-07 **The Publishers Weekly** ,1972 **Human Development; Selected Readings** Morris L.
