Chip Young, 1971 **The Little Hen of Huronia. With Illus. by Christiane Duchesne.** -- Chip Young, Christiane
Duchesne, 1971 **The Republic of Childhood** Sheila A. Egoff, 1975 Sheila Egoff's valuable and widely read study of
Canadian children's literature in English first published in 1967 has been extensively revised and expanded and includes
discussions of books published to October 1974 Although Canadian literature for adults has seen a sharp increase in
production since the middle sixties there has been no corresponding increase in the publication of books for children
Nevertheless notable gains have been made in Indian and Eskimo legends fantasy biography and picture books and the body
of Canadian children's books in English is now both substantial and of wide interest The new books discussed provide ample
material for the kind of illuminating frank comments that were enjoyed in the first edition These are enriched and objectified
by Sheila Egoff's knowledge of all children's literature too The annotated listings at the end of each chapter of all the titles
discussed are a useful supplement to the main text Sheila Egoff was born in Maine and educated in Galt Ontario and at the
University of Toronto where she received her B A and her diploma from the Library School She did graduate work at the
University of London and is a Fellow of the British Library Association A Professor in the school of Librarianship University of
British Columbia she is well known as a lecturer on the Children's books in both Canada and the United States After the first
edition of *The Republic of Childhood* was published in 1967 she co edited with G T Stubbs and L F Ashley only Connect
Readings on Children's Literature 1969 Publisher **Canadian Books for Young People/Livres canadiens pour la
jeunesse, 3e** Irma McDonough, 1980-12-15 This third completely revised edition contains hundreds of new entries for a total
of almost 2 000 children's books and magazines carefully selected and described by a team of children's librarians Entries
are arranged by subject with reading levels indicated where necessary and are also listed in a separate author title index A
list of prize winning Canadian children's books and a basic book list for librarians teachers and parents are included in this
charmingly illustrated volume Canadiana, 1972 *Canadian Materials*, 1973 An awareness list for school resource
