The Logic Of Intuitive Decision Making A Researchbased Approach For Top Management:

The Logic of Intuitive Decision Making Weston H. Agor,1986 Developing the Intuitive Executive Jay Liebowitz,2023-10-19 The leading traits of executives often include creativity and innovation Research shows that intuition can significantly enhance these traits Developing intuitive executives and honing intuition coupled with the ability to apply data and evidence to inform decision making is the focus of Developing the Intuitive Executive Using Analytics and Intuition for Success Some researchers call the complement of applying data analytics to intuition as quantitative intuition rational intuition or informed intuition Certainly in today s data driven environment analytics plays a key role in executive decision making However an executive s many years of experiential learning are not formally considered as part of the decision making process Learning from both failures and successes can help fine tune intuitive awareness what this book calls intuition based decision making Research also shows that many executives do not trust the internal data quality in their organizations and so they rely on their intuition rather than strictly on data This book presents the work of leading researchers worldwide on intuition in the management and executive domain Their chapters cover key issues trends concepts techniques and opportunities for applying intuition as part of the executive decision making process Highlights include Using intuition to manage new opportunities Intuition in medicine Rules based on intuition Balancing logic and intuition in decision making Smart heuristics to manage complexity Intuition and competitiveness Intuitive investment decision making across cultures Showing how intuition in executive decision making should play an important role this book enables managers to complement their knowledge gained from experience with analytics to improve decision making and business success **The Capable Executive** Moreen Anderson,Paul Dainty,1996-03-11 Despite the impact senior managers can have on organisations surprisingly little is known about what makes them effective This distinctive book is structured around the findings of the authors eight year research programme into senior executive effectiveness In all eleven Capabilities have been identified which cover how executives cope personally with their role how they lead and influence others and build competitive organisations Each Capability is used as a starting point to review the latest management thinking and practice as it applies to senior executives *The Bass Handbook of Leadership* Bernard M. Bass,Ruth Bass,2009-12-01 For thirty three years and through three editions Bass Stogdill s Handbook of Leadership has been the indispensable bible for every serious student of leadership Since the third edition came out in 1990 the field of leadership has expanded by an order of magnitude This completely revised and updated fourth edition reflects the growth and changes in the study of leadership over the past seventeen years with new chapters on transformational leadership ethics presidential leadership and executive leadership Throughout the Handbook the contributions from cognitive social psychology and the social political communications and administrative sciences have been expanded As in the third edition Bernard Bass begins with a consideration of the definitions and concepts used and a brief review of some of the betterknown theories Professor

Bass then focuses on the personal traits tendencies attributes and values of leaders and the knowledge intellectual competence and technical skills required for leadership Next he looks at leaders socioemotional talents and interpersonal competencies and the differences in these characteristics in leaders who are imbued with ideologies especially authoritarianism Machiavellianism and self aggrandizement A fuller examination of the values needs and satisfactions of leaders follows and singled out for special attention are competitiveness and the preferences for taking risks In his chapters on personal characteristics Bass examines the esteem that others generally accord to leaders as a consequence of the leaders personalities The many theoretical and research developments about charisma over the past thirty years are crucial and are explored here in depth Bass has continued to develop his theory of transformational leadership the paradigm of the last twenty years and he details how it makes possible the inclusion of a much wider range of phenomena than when theory and modeling are limited to reinforcement strategies He also details the new incarnations of transformational leadership since the last edition Bass has greatly expanded his consideration of women and racial minorities both of whom are increasingly taking on leadership roles A glossary is included to assist specialists in a particular academic discipline who may be unfamiliar with terms used in other fields Business professors and students executives in every industry and politicians at all levels have relied for years on the time honored guidance and insight afforded by the Handbook *Handbook of Intuition Research as Practice* Marta Sinclair, 2020-07-31 How can intuition research inform practice As the use of intuition in business has become more widely accepted companies struggle to understand how to use this additional resource efficiently while corporate trainers and university educators lack tools to develop it as a skill This truly international Handbook provides relevant answers in a concise digestible format using real life examples and new research **Understanding**

Decision-making Processes in Airline Operations Control Peter J. Bruce, 2016-02-17 Previous studies conducted within the aviation industry have examined a multitude of crucial aspects such as policy airline service quality and revenue management An extensive body of literature has also recognised the importance of decision making in aviation with the focus predominantly on pilots and air traffic controllers *Understanding Decision Making Processes in Airline Operations Control* focuses instead on an area largely overlooked an airline s Operations Control Centre OCC This serves as the nerve centre of the airline and is responsible for decision making with respect to operational control of an airline s daily schedules The environment within an OCC is extremely intense and a key role of controllers is to make decisions that facilitate the airline s recovery from frequent highly complex and often multiple disruptions As such decision making in this domain is critical to minimise the operational commercial and financial impact resulting from disruptions The book examines many aspects of individual decision making in airline operations and addresses the deficiencies found by presenting to the reader an examination of the relationships among situation awareness information completeness experience expertise decision considerations and decision alternatives in OCCs The text utilises a multiple case study approach and proposes a number of

relevant and important implications for OCC management Practical outcomes highlight the need for enhancing training programs enabling existing controllers to readily identify and classify elements of situation awareness and decision considerations as a means of improving the decision making process They also draw attention to the need for airline OCCs to understand the extent to which industry experience and expertise of controllers is important in the selection of future staff

The Power of Intuition Gary Klein, 2007-12-18 At times in our careers we've all been aware of a gut feeling guiding our decisions Too often we dismiss these feelings as hunches and therefore untrustworthy But renowned researcher Gary Klein reveals that in fact 90 percent of the critical decisions we make is based on our intuition In his new book THE POWER OF INTUITION Klein shows that intuition far from being an innate sixth sense is a learnable and essential skill Based on interviews with senior executives who make important judgments swiftly as well as firefighters emergency medical staff soldiers and others who often face decisions with immediate life and death implications Klein demonstrates that the expertise to recognize patterns and other cues that enable us intuitively to make the right decisions is a natural extension of experience Through a three tiered process called the Exceleration Program Klein provides readers with the tools they need to build the intuitive skills that will help them make tough choices spot potential problems manage uncertainty and size up situations quickly Klein also shows how to communicate such decisions more effectively coach others in the art of intuition and recognize and defend against an overdependence on information technology The first book to demystify the role of intuition in decision making

THE POWER OF INTUITION is essential reading for those who wish to develop their intuition skills wherever they are in the organizational hierarchy Organizational Processes and Received Wisdom Daniel J. Svyantek, Kevin T. Mahoney, 2014-03-01 This Research in Organizational Sciences volume to explore and question the received wisdom of organizational sciences The chapters in this volume and the companion volume seek to establish boundary conditions for important organizational constructs and processes They illustrate the importance of context for interpreting the received wisdom of organizational science by showing when constructs must be adapted to changing circumstances The volume begins with four chapters looking at the construct of leadership Each of these addresses an important aspect of our understanding of leadership and its practice The four chapters on leadership are followed by five chapters dealing with other organizational processes including motivation organizational change the role of diversity in organizations and organizational citizenship The last three chapters deal with the issue of knowledge in large systems Two chapters address how information may be transmitted across organizations and generations of workers The final chapter deals with the use of information by organizational decision makers The 12 papers in this volume all in some way question received wisdom and present alternatives which expand our understanding of organizational behavior These chapters each strive to present new ways of understanding organizational constructs and in so doing reveal how received wisdom does not always lead to best practice in research or application It is our hope that these chapters illustrate how challenging received wisdom in organizational studies can provide new ways of thinking about organizational processes These new ways of thinking in turn can provide better understanding of the processes necessary to increase organizational effectiveness

Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Logic Of Intuitive Decision Making A Researchbased Approach For Top Management has opened up a world of possibilities. Downloading The Logic Of Intuitive Decision Making A Researchbased Approach For Top Management provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Logic Of Intuitive Decision Making A Researchbased Approach For Top Management has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This

inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Logic Of Intuitive Decision Making A Researchbased Approach For Top Management. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Logic Of Intuitive Decision Making A Researchbased Approach For Top Management. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Logic Of Intuitive Decision Making A Researchbased Approach For Top Management, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Logic Of Intuitive Decision Making A Researchbased Approach For Top Management has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
