The Lolololo Tree A Fictionalized Memory:

The Tree That Lost Memory Marcial Villarroel, 2020-05-22 THE TREE THAT LOST MEMORY It is a tale that has been infused with a bit of the nuance of the current of magical realism Where the threads of memories and the experiences of a couple of girls transport us to different events in their minds and through moments of their lives At the same time that the visual description of some moments so full of emotional affliction or anguish as full of innocence and affection similar memories evoke in our own mind about some stage of disobedience or love and affection towards people that surround us in the family despite some scolding Being inevitable to remain at the end of the story with that sweet flavor of hope when thinking about the care of some special being in our lives Although it is as in this case a tree Riley's Memory Tree Drue Casal, 2024-11-12 Riley's Memory Tree is a heartwarming story about love loss and the memories that live on forever Follow Riley a young raccoon as he learns how to keep the memory of his Grandpa alive through the magic of a growing tree In this gentle and uplifting tale Riley discovers that the love we share with those we've lost continues to grow just like the trees in the forest The Memory Of Trees Enya, 1995
