The Lost Art of Entrepreneurship Melvin J. Gravely, II, 2001-01-01 *International Entrepreneurship in the Arts* Lidia Varbanova, 2016-10-04 *International Entrepreneurship in the Arts* focuses on teaching students artists and arts managers specific strategies for expanding creative ventures that are already successful domestically to an international audience Varbanova's accessible writing outlines a systematic theoretical framework that guides the reader from generating an innovative idea and starting up an international arts enterprise to its sustainable international growth Applying concepts models and tools from international entrepreneurship theory and practice Varbanova analyzes how these function within the unique setting of the arts and culture sector The book covers Domestic inception of an arts enterprise followed by international expansion Starting up an international arts venture in the early stages of its inception Presenting an arts activity or project in a foreign country or region Financing a startup venture with international resources Implementing diverse models of international partnership Starting up an arts venture that is run by a multinational team Creating an art product with international dimension The book's 23 case studies and 54 short examples feature disciplines from fine arts and photography to music theatre and contemporary dance and cover ventures in over 20 countries to provide students with practical insight into the issues and challenges facing real arts organizations Aimed at students interested in the business aspects of arts and cultural ventures it will also be of use to practitioners looking at ways to internationalize their own enterprises Getting to the Next Level Melvin J. Gravely, II, 2007 **When Black & White Make Green** Melvin J. Gravely, II, 2003 The Yearbook of Experts, Authorities and Spokespersons Broadcast Interview Source, 2000 Books in Print Supplement, 2002 *Brand Resilience* Jonathan R. Copulsky, 2025-04-16 As the recent Tiger Woods scandal illustrates brand reputation is more precarious than ever before True and false information spreads like wildfire in the vast and interconnected social media landscape and even the most venerable brands can be leveled in a flash by disgruntled customers competing companies even internal sources Here veteran marketing executive Jonathan Copulsky shows companies and individuals how to play brand defense in the twenty first century Five Signs that You Need to Pay More Attention to the Possibility of Brand Sabotage A group of uniformed employees posts embarrassing YouTube videos in which they display unprofessional attitudes towards their work One of your senior executives publicly blames a supplier for product defects even though they predate your relationship with the supplier Your competitor's ads trumpet their solution to the performance problems associated with your most recent product A customer unhappy with changes made to your product design launches a Facebook group which attracts 5 000 fans Your outsource partner is prominently featured in numerous blogs and websites describing allegations of worker mistreatment and workplace safety hazards **The Architect**, 1923 **Why Johnny Can't Brand** Bill Schley, Carl Nichols, 2005 Too many companies think that splashy advertising and cool packaging is the same thing as branding This in your face and down to earth guide explains real branding the process of

creating an exclusive idea of value that consumers can expect to be consistently delivered It offers a unique eight week programme that can help any company create a number one brand by focusing on one big idea For anyone that wants to harness the true power of branding this enjoyable and informative book is certainly an excellent starting place **Success**,1922
