Revelations from the Revelation of Jesus Christ, Chapters 1-3: A Commentary for the Believer in the Pew Rev. Desiré P. Grogan,2022-01-11 For the believer in the pew the Book of the Revelation of Jesus Christ needs no other introduction than that it is the most avoided Book of Scripture that few feel capable of navigating and understanding on their own The dense amount of imagery and the horrific scenes of judgment are mind boggling and remain a mystery for many The purpose of this volume is to empower you the believer in the pew with the most accessible tool to navigate and understand this last Book of Scripture and that tool is the Bible itself the Bible in your hand You see the God Who is speaking and acting in this last Book of Scripture has been speaking and acting throughout the Biblical text cf Heb 1 1 2 It is God s intent therefore that you understand this last Book of Scripture just as He intended for you to understand all Scripture The Revelations in this last Book were not hidden from you but for you to discover through diligent study Let this volume be your

entrance into the awe inspiring zone of discovering and re discovering the majesty and the consistency of the only God Who is worthy to be trusted and obeyed worshipped and adored **A Summary View of Dr. Henderson's "Commentary on the Prophet Isaiah."** Henry COLE (D.D., of Clare Hall, Cambridge.),1841 **A Summary of the Evidence for the Genuineness, Authenticity, Uncorrupted Preservation, and Inspiration of the Holy Scriptures** Thomas Hartwell Horne,1861 **Summary of The Power of Now** ,2025-08-28 PLEASE NOTE This is a summary of the book and NOT the original book The Power of Now by Eckhart Tolle A 43 page SellWave Audio Summary Inside this SellWave eBook Summary Overview of the entire book Introduction to the important people in the book Summary and analysis of all the chapters in the book Key Takeaways of the book A Reader s Perspective *Wisdom, Science, and the Scriptures* Stephen Finamore,John Weaver,2015-04-07 This collection of essays is offered in admiration of and in gratitude for the work of Ernest Charles Lucas The title of the volume acknowledges Ernest s particular areas of interest and expertise The word wisdom comes first for two reasons firstly because the Bible s Wisdom literature is a particular love about which Ernest has published a number of books and secondly because wisdom is a characteristic of the man Several of the contributions to this volume pick up the theme of biblical wisdom while others touch on the practical application of a wisdom shaped by the Scriptures to vital contemporary issues The second word of the title science reflects both Ernest s first career as a research bio chemist and his interest as a theologian in exploring the relationship between science and faith This area of interest is reflected in a number of the contributions to this collection including Ernest s passionate interest in and concern about climate change The final words of the title are and the Scriptures Ernest has at one time or another taught every part of the Bible and retained a keen interest in the discipline of Biblical Studies Once again this is reflected in some of the contributions There are other aspects to Ernest Lucas and among them is a love of sport especially cricket And so the collection ends with a reflection on this wonderful pastime God, Order, and Chaos Stephen Finamore,2009-04-01 The ideas of Rene Girard are having a profound effect on Christian theology This book offers a critical introduction to his thought and then uses it to interpret the Book of Revelation The result is a reading of extraordinary relevance for the contemporary world Readers of the Apocalypse are often disturbed by the images of destruction in the book and are unsure why these are unleashed after the exaltation of Jesus This study examines past approaches to these texts and uses Girard s theories to revive some old ideas and propose some new ones Seen in this light the Apocalypse becomes the story of the ultimate vindication of the victim a source of hope and a resource that can be used both to encourage resistance to the destructive forces within culture and to help the church and the poor to engage constructively with the issues of our day *The Comprehensive Commentary on the Holy Bible: Acts-Revelation* William Jenks,1839 *Catalogue of Books in the Mercantile Library, of the City of New York* Mercantile Library Association of the City of New-York,1866 *Catalogue of books in the Mercantile library* Mercantile library assoc New York,1866

Commenting and Commentaries Charles H. Spurgeon,2019-03-21 The student or pastor with a small but growing

library as well as the pastor possessing an extensive one will welcome the opportunity to secure this reprint of Spurgeon's catalog of Biblical commentaries and expositions. Once you begin to dip into this volume it will become a faithful friend by your side. Worth its weight in gold. New commentaries on the Bible abound but often the cutting edge is dull. With few exceptions the old works are better by far. Spurgeon's *Commenting and Commentaries* is invaluable for identifying the best works of past generations many of which have been reprinted in our day. Dr Robert P Martin. Charles Haddon Spurgeon 1834-92 was an English Baptist preacher and author. Among his many publications are *The Heart of the Gospel*, *Immeasurable Love* and *The Saint and His Saviour*. *The Apocalypse Explained* Jimmie Chapman, 2015-09-28. The word apocalypse comes from the Greek word apokalupsis which means to disclose, uncover or reveal hence we get the name Revelation, the last book of the Bible. The book of the Revelation is given to uncover or disclose the meaning of some of the great mysteries of the Bible. *The Apocalypse Explained* uncovers many of those mysteries by using the Bible itself to find their meaning. This is the most accurate way of interpreting biblical prophecies. The purpose of *The Apocalypse Explained* is to connect the prophecies throughout the Bible with our present and with our future. In fact the very first verse of the Revelation of Christ reveals its purpose to show unto his servants things which must shortly come to pass. The majority of the book is for the last days, the time the Bible calls the great tribulation. The fulfillment of the Apocalypse is much closer to a reality than most people believe. Are you ready? *The Book of Revelation* Robert H. Mounce, 1998. This contribution to The New International Commentary on the New Testament is a revision of Robert Mounce's original entry on the book of Revelation and reflects more than twenty additional years of mature thought and the latest in scholarship. [Mercer Commentary on the New Testament](#) Watson E. Mills, Richard F. Wilson, 2004. This one volume commentary on the Old Testament including the Deuterocanonical literature is taken from the Mercer Commentary on the Bible. Every book of the Old Testament receives full commentary treatment complete with an introduction and outline to each book followed by a commentary on each book. This volume is the perfect tool for students and teachers in that it provides the essential information in understanding the text and its meaning. As such it is ideal for introductory courses on the Old Testament Hebrew Bible or for individual or group study. **The Redeemer: Discourses [translated from the French] ... With an Introduction by W. L. Alexander** Edmond de PRESSENSÉ, 1864.
